It isn't President Barack Hussein Obama II that is watching you. The Satanic global elite has the deepest trust in a cyber political robotoid like President Obama to follow their instructions in blind faith, because he has been programmed to trick the people of the world into a future of global fascism, perpetual warfare and genocide.

It's the clandestine Satanic U.S. Military Intelligence Brotherhood that helped mold, shape and create President Barack Hussein Obama that's TROLLING and WATCHING YOU.

On April 3, 1968, Dr. Martin Luther King, Jr. delivered one of the most chilling, moving and prophetic oratories of the 20th Century. Dr. King's theme of the speech, "I BEEN TO THE MOUNTAIN TOP" is still as relevant and stirring as it was at the height of the Civil Rights and Black Liberation movements of the 1960s.

"... He's [God] allowed me to go up to the mountain. And I've looked over. And I've seen the Promised Land. I may not get there with you. But I want you to know tonight, that we, as a People, will get to the promised land!"[1]

Dr. King's visionary themed "Promise Land" is not mythical or a land of fantasy, but is generally based on Genesis 1:26-31 "And God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creeps on the earth"; and the "unalienable rights" of Life, Liberty and Happiness which the U.S. Declaration of Independence says all human beings have been given by the Creator and for the protection of which they institute governments.[2]

Dr. King stressed that there would be difficult days ahead reaching the promise land. He warned us that violent and lethal gatekeepers blocked the People's Path to the other side of the mountain top. Huey P. Newton, Bobby Seale and Stokely Carmichael of the Black Panther Party for Self Defense often stressed to the Vanguard the importance of developing the capacity of "Loving the People more than You Loved Yourself" to reach Liberation. The struggle for "Black Liberation" was always for the "Love of the People", and the BPP's "10-Point Plan" was basically centered on the "God given" and "unalienable" and "human" rights of the People.[3]

Yet, loving the People enough to struggle to cross over to promised land earned Dr. King and the BPP the label of being the most serious "domestic threat" to national security; and targeted to be harassed, discredited, disrupted, neutralized and destroyed (assassinated) by gatekeepers within and outside government that perpetually block the path to the "Promise Land" primary on the basis of race and bloodlines.

Unrealized by many, the problem is that the global satanic elite maintain that they are the "Chosen Ones" created in the image of God of Genesis, and that the "Promise Land" and dominion over everything that "creeps" on earth belongs exclusively to the Aryan bloodlines.

The widely followed Secret Doctrine of Satanist H.P. Blavatsky and Alice Bailey speaks of a New Age Movement on earth led by a hierarchy of spirit-entities known as the "Ascended Masters"; "Great White Brotherhood"; "Brotherhood of Luxor" or "Brotherhood of Light" that oversee the spiritual and "evolutionary" development of the human race on both an individual level and in terms of the process of global civilization. The Secret Doctrine maintain that Mary, the mother of Jesus Christ, is one of the "Ascended Masters" that calls for setting-up a global White Brotherhood to usher in an early reign of peace

and justice.[4]

Don't be deceived by the talk of peace and justice of this global (One World) civilization. There will be a selection process and only people allowed in their promised land will carry the Mark of the BEAST. Barbara Marx Hubbard, above, is a member of the Rhodes Round Table- "Club of Rome," and one of the leading advocates for establishing a U.S. Department or Room of Peace.[5] She is a Luciferian Futurist.[6] She is a director of the Lucis (LUCIFER) Trust.[7] She has been one of the most visible leaders of the New Age Movement for decades. In her Book of Co-Creation, she discusses the hidden meaning of the Revelation of St. John the Divine. Her manuscript was channeled by a demonic spirit she call "The Christ Light." She quoted from Revelation 6:8:

"And I looked, and behold a pale horse: and his name that sat on him was Death, and Hell followed with him. And Power was given unto them over the forth part of the earth, to kill with sword, and with hunger, and with death, and with the beasts of the earth."

Hubbard's Christ of Light explained the true meaning of that passage:

"Out of the full spectrum of human personality, one-fourth is electing to transcend with all their heart, mind and spirit...One-fourth is resistant to election. They are unattracted by life ever-evolving. Their higher self is unable to penetrate the density of their mammalian senses. They cannot be reached...They are defective seeds..."

Now, as we approach the quantum shift from creature-human to co-creative human... the destructive one-fourth must be eliminated from the social body...Fortunately you, dearly beloveds, are not responsible for this act. We are. We are in charge of God's selection process for planet Earth. He selects, we destroy. We are riders of the pale horse. Death.

We come to bring death to those who are unable to know God. We do this for the sake of the world...

The riders of the pale horse are about to pass among you. Grim reapers. They will separate the wheat from the chaff. This the most painful period in the history of humanity... You do not have to participate in the destruction. You are to be responsible for the construction which shall begin as the tribulations come to an end."[8]

Once in power, they intend to mass murder over 2 billion people on earth that they label defective seeds. We already know that the majority of people that they intend to slaughter are People of Color. This is not just a simple battle between the haves and have nots currently being played out around the world, particularly now in Turkey and Brazil. The global elite bloodlines of the "divine ones" and "man-gods" believe that this is their mandate from the secret space gods to have absolute dominion, rule and control over everything and the "creeping" masses of people on earth.

Edward Snowden, White Knight and the Sacred Trust

"This is someone who for whatever reason has chosen to violate a sacred trust for this country..."Former Lieut. General James R. Clapper, Jr., NDI[9]

Lieut. General Clapper's use of language in describing the culture surrounding the National Security Agency (NSA) as "sacred trusts" is extremely interesting. It would be more comfortable if the U.S. Director of National Intelligence (DNI) used more appropriate secular language in describing their obligations as public servants instead of "sacred trusts" that overshadow the rule of law of the land (U.S. Constitution). However, he is describing a betrayal of sacred trust by a "cult member" bound to a covenant of secrecy.

Holiness, or sanctity, is in general the state of being holy (perceived by religious individuals as associated with the divine or sacred (considered worthy of spiritual respect or devotion; or inspiring awe or reverence among believers in a given set of spiritual ideas).[10] Reichsführer SS-I Heinrich Himmler's SS translates most perfectly into the meaning "Knights of the Holy See" (Latin Sedes = seat/see and Sacrorum = Holy/Sacred).

[11]

I am quite uneasy about the entire Edward J. Snowden Affair. Clapper's revealing inference above suggesting that the U.S. Intelligence Community is overshadowed by a cult of guardians (knights) of sacred and secret trusts instead of the rule of law should be quite troubling to everyone.

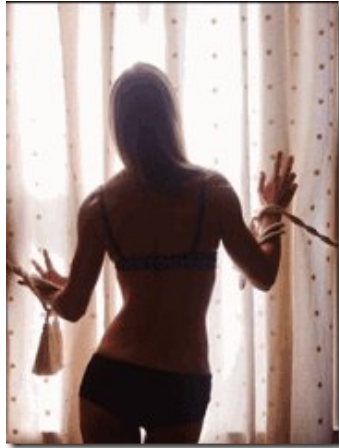

Usually within moments, a true U.S. enemy's entire life story is exposed and demonized from pillar to post. Yet, we still know very little about Snowden, his family or background. What little we know about his father- Lonnie, mother- Elizabeth, and older sister- Jessica is that they are all connected with the U.S. federal government.[12] They appear to be a multi-generational U.S. military industry family centered in Maryland, a leading U.S. Military Intelligence Community for the NSA- Fort Meade, The U.S. Army Intelligence and Security Command (NSCOM/DIA) - Fort Meade, and the Chemical and Biological Warfare Nerve Center and Complex- Fort Derrick.

Snowden's mother, Elizabeth Snowden, is an administrative clerk for Maryland's federal courts. Snowden never graduated from high school and, for a few years, lived alone in his mom's Ellicott City, Maryland, condominium. A neighbor said Snowden came across as "serious" and "studious" — not the type to throw parties or play loud music, "his mother dropping by with groceries about every week... he had few visitors except for a young woman with a Virginia license plate." [13]

He has a few years window of "LOST TIME." He was trained by U.S. Army at Fort Benning, Georgia, and then became a security guard at the Center for Advanced Study of Language at the University of Maryland in College Park. The center is affiliated with the U.S. Department of Defense and studies the language needs of the U.S. Intelligence Community. He was a CIA and NSA agent.[14]

Snowden talked about the privileged life– living off the land of milk and honey in Hawaii taking in a six figure salary with a high school equivalency diploma. He talked about the TROLLING dominion “privileged access” he had over millions even the U.S. President. Even his so-called glamorous pole dancer girlfriend, Lindsey Mills, looks and sounds like a classic CIA/MK ULTRA Sex Kitten.[15]

“And for the first time in my life I feel strong enough to be on my own. Though I never imagined my hand would be so forced.”–Lindsay Mills[16]

“I don’t know how to feel normal.” –Lindsay Mills[17]

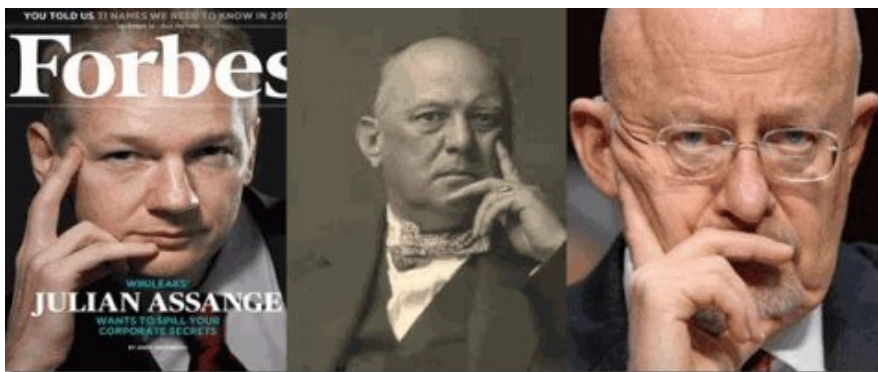

Snowden has suddenly become the new mass media darling of revolutionary consciousness. The Snowden Affair has given mass media an ILLUSIONARY false flag to suddenly distract the public away from what’s going with the People’s Rebellions in Turkey and Brazil. It distracts the public from the extremely explosive situation in Syria, biological warfare weapons of mass destruction, and the U.S. arming the very people called, “the Terrorist” that the government is spending billions if not trillions of tax payers funds to protect us against.

The more you look at the White Knight Edward Snowden, the more he appears like a typical multi-generational trauma-based MK ULTRA sacrificial son on white horse and set on a covert military intelligence mission instead of a revolutionary concerned about LIBERTY and WILL of the People.

"It begs common sense that the mainstream media would provide us with this sort of scoop. When the mainstream covers something intensively like this [Edward Snowden], there's got to be a reason. The mainstream media is globalist in its sympathies and ownership. Thus, there is likely some sort of globalist advantage to this unprecedented leaking, however difficult it may be to unravel."^[18]

At this very moment, Snowden has been taken under the wings of Julian Assange of Wikileaks, the new pin-up boy of global investigative journalism. Assange's most important dictatorial and arrogant directive to the masses is that he (the "Divine One") knows what is best for the public to know,

As far as I know, Assange, the Great BEAST 666 and Clapper one of the Masonic-ILLUMINATI Duegard Finger Signs.

"I'm constantly annoyed that people are distracted by false conspiracies such as 9/11, when all around we provide evidence of real conspiracies, for war or mass financial fraud." -Julian Assange^[19]

In other words, this new darling of global mass media will ignorantly control the whole narrative of America's Reichstag Fire, the 9-11 Deception/Inside Job; and define, determine and spoon feed global conspiracies for the masses of the people.

It appears to me that the Edward Snowden Hollywood script maybe clandestinely controlled, written, edited and played out by the U.S. Military Intelligence Satanic Brotherhood and "Divine Ones" on the hill. In this case, they control the images, ILLUSIONS and the narrative.

Listening to your phones and reading e-mails should be the least of your worries that we are well aware of. Yes, we should always be extremely worried about the excesses of the National Security Agency (NSA) and America's Luciferian U.S. Intelligence and Surveillance State.

But, keep your eye and focus on Lieut. General James R. Clapper, he will truly define what the NSA, U.S. Intelligence Community and Elite Satanic Cabal (Imperium), the "Divine Ones" are really up to and planning for the future. Clapper and the NSA really can't stand the light of day and that may also have prompted the sudden coming out of Edward Snowden as a diversion to manufacture, manage and control PUBLIC PERCEPTION about America's Clandestine Security and Surveillance State.

“The notion that we’re trolling through everyone’s emails and voyeuristically reading them, or listening to everyone’s phone calls is on its face absurd.”–Lieut. General James R. Clapper, Jr.[20]

Again, Lieut. General Clapper’s choice of language and use of the word “TROLLING” is extraordinary. The U.S. State Department has recently initiated a new computer program, called Viral Peace to undermine and demoralize enemy targets, “Think of it as strategic TROLLING, in pursuit of geopolitical pwnage [to conquer to gain ownership].”[21]

THREE BILLY GOATS GRUFF, THE TROLL UNDER THE BRIDGE

During my most impressionate years as an elementary school student, Peter Christen Asbjørnsen’s Norwegian fairy tale, Three Billy Goats Gruff, had been one of my most favorite school stories.[22] Paradoxically, it was also a fairy tale that I recall had most often frightened me. Somewhere in the back of my mind, the monstrous Troll under the bridge wasn’t just a fictional character, nightmare or ILLUSION to me, but presented a file in my subconscious of a real veiled obstacle to my future goals and aspirations as I crossed over the many bridges of life and struggle in the pursuit of life, liberty and happiness. The Troll and the “Trick-Trap- Who’s that tripping over my bridge?” haunted me throughout my impressionate years.

According to Norse and Scandinavia myths popularized by Lords of the Ring, trolls are gigantic creatures with a basic, humanoid appearance though they’re covered in thick fur or even moss. They have long noses, are immensely strong, and are often naive or easy to trick. Sometimes they lurk under bridges, as in the classic children’s story “The Three Billy Goats Gruff,” but they can also be found in thick woods and in caves according to the pagan myths. They only go abroad at night because if a troll is caught by the sun it turns to stone. This was a commonality in Norse mythology among supernatural creatures, and so well known that Thor once riddled a creature with difficult questions so that it forgot the time and was caught by the rising sun.[23]

Thor (from Old Norse Þórr) is a hammer-wielding god associated with thunder, lighting, storms, oak trees, strength, and the protection of mankind. Thor is a prominently mentioned god throughout the recorded history of the Germanic peoples.[24] I didn’t know it at the time but in my infancy, I had actually met forms of Nordic Trolls under the bridge that could not stand the light of day.

In the autumn of 1948, my father didn’t come from work at the U.S. Naval Air Station in Alameda, California. He had been just a regular hard working humble and literate guy from rural Mississippi. For the time, he had a relatively important and well paying national defense job that provided his family of four with comfort and security.

When my mother and his family found him, the U.S. Navy had put him in Highland County Hospital in Oakland then transferred him to a classified Naval Psychiatric Unit at Napa State Mental Hospital in Napa, California. At the U.S. Naval Air Station, someone had

slipped him a substantial dose of mescaline or LSD that drove him into “chemical schizophrenia.”[25]

By the time that I was reunited with my beloved father at Napa State Mental Hospital, he had no memory of me or his family. He had been “depatterned” by being subjected to among other things successive electroconvulsive shock torture. According to the medical records I saw from Napa, he had been subjected to electroconvulsive shocks up to 35 times a session that weakened his heart and devoured his mind. He had been reduced to a vegetable state. He had to learn basic human functions all over again like feeding himself and going to the bathroom.

Dr. Cameron and the Fuhrer Adolf Hitler– Secret Hidden Hand of the Masonic–
ILLUMINATI Brotherhood

During the late 1940s and 1950s, one of Dr. Ewen Cameron’s projects was an attempt to “depattern” experimental subjects. “Cameron defined ‘depatterning’ as breaking up existing patterns of behavior... by means of particularly intensive electroshocks, usually combined with prolonged, drug-induced sleep... Cameron claimed he could generate ‘differential amnesia.’ Creating such a state in which a man who knew too much could be made to forget had long been a prime objective [of CIA] programs.”[26]

However, before there was Dr. Cameron that was a key CIA/MK ULTRA mind control contractor, it was the SS, Knights of the Black Sun, the Greatest Racial Mass Murderers in History, which mastered the use of “mescaline” and “depatterning” as military intelligence application tools of human torture.

In 1945, OSS Chief and Nazi Collaborator, Allen Dulles, sent Dr. Cameron directly to Nuremberg to study Hitler’s close friend and occulted psychic master, Deputy Fuhrer Rudolph Hess.[27] He undoubtedly also studied “depatterning” and “electroshock torture” and the use of “hallucinogenic drugs” from Nazi recruits for Operation PAPERCLIP to slip into the United States; and work for the CIA.

In 1950, Dr. Cameron and my father’s leading psychiatrist at Napa, Naval Commander Dr. Wrenshall Oliver, founded the World Psychiatric Association, which was a legitimate and reputable safe haven to harbor their brotherhood Nazi and SS psychiatrists.

For my father and family, one Nordic TROLL UNDER THE BRIDGE, turned out to be war criminal Hauptsturmführer SS Dr. Kurt Friedrich Plötner aka Kurt Schmitt of the SS Ahnenerbe out of the Dachau Concentration Camp.[28]

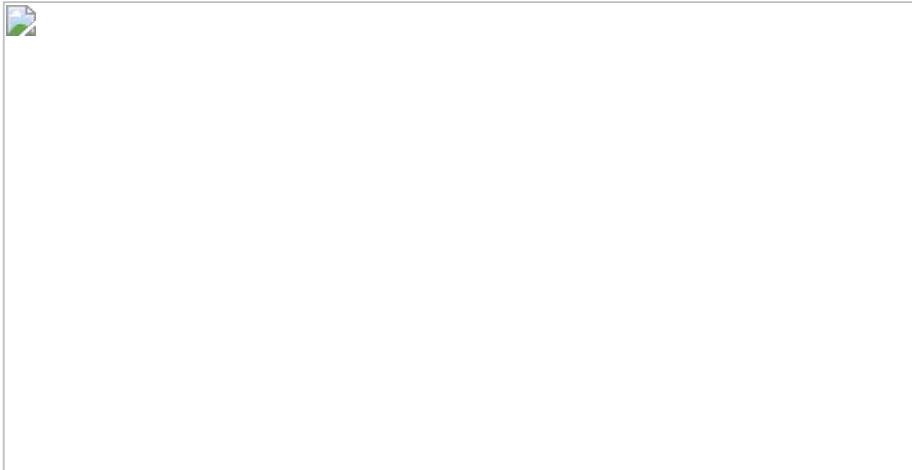

After the war, there was fierce competition between the U.S. military armed services to acquire as many Nazi–SS scientists and engineers as possible for “virtual extinction” warfare technologies. The U.S. Navy was eager to snare its share of Nazi–SS war criminals– racial mass murderers.[29]

The storyline on SS Dr. Plötner is that the Navy’s Technical Mission in Europe was hot on the trail of state-of-the-art Nazi research into interrogation (torture) techniques. The Navy’s intelligence officers came across SS experimental research papers on truth serums having been conducted by SS Dr. Plötner beginning in February 1944 at Dachau concentration camp.

US Naval Intelligence officers discovered that SS Dr. Plötner had achieved some success with mescaline as a speech – and even truth-inducing drug, enabling interrogators to extract “even the most intimate secrets from the subject when questions were cleverly put.” Plötner also reported researches into mescaline’s potential as an agent of behavioral modification or mind control.[30]

At Dachau, SS Dr. Plötner (TROLLING) had administered large doses of mescaline to Russian and Jewish victims by covertly spiking their drinks. Many of these victims didn’t understand what was happening to them and thought they were going mad.[31]

U.S. Naval Intelligence officers recruited SS Dr. Plötner as early as 1945, permitting him to continue his mescaline interrogation research this time in the interest of the United States.[32] In spite of being a notorious wanted war criminal, the U.S. shielded him and Dr. Josef Mengele.

Behind the veil, U.S. intelligence officers coveted Nazi–SS racist war criminal physicians and scientists as their brotherhood medical scientific community colleagues. When Dr. Harold W. Batchelor of Fort Derrick Division of Biological and Chemical Warfare made a pilgrimage to Nuremberg Tribunal in Germany to recruit Himmler’s notorious fervent Nazi Biological Warfare specialist Reichsgesundheitsführer Dr. Kurt Blome.

Dr. Batchelor noted,

“We have friends in Germany, scientific friends, and this is an opportunity to enjoy meeting them to discuss our various problems.”[33]

A Friend! This fiend headed Nazi Germany's Biological and Warfare Program of racial mass murder. This is the fiend that promised Himmler and the Third Reich the mother of all biological/chemical weapons of mass destruction to wipe out Allied Forces to end WWII once and for all to ensure a Nazi victory.

This hidden American medical and scientific community's friendship, bond of Brotherhood of Evil and Secrecy with the Nazis and SS is still ever so chilling. My childhood fear of Nordic TROLLS that could not stand the light of day had been no childhood fantasy, nightmare or an ILLUSION.

I had known and subconsciously suppressed the memory of them and my traumatized father from infancy. My father had been among the first victims of the U.S. Navy's Project CHATTER. Project CHATTER is still ultra top secret and highly classified. Even today, it cannot stand the light of day.

It was an ultra secret program that brought real Nordic TROLLS (TROLLING) in America to block the paths of millions on their journey over the bridge of life to their god given human rights; and devour the body, hearts, minds and souls of the people.

Most of the secret experiments of Project CHATTER involved the DACHAU CONCENTRATION CAMP EXPERIMENTS of SS Dr. Plötner involving SS' sadistic, barbaric inhumane medical experimentation with mescaline and possibly LSD, and mind control. It is also involved the insidious electroconvulsive shock experiments of Dr. Josef Mengele at Auschwitz.

Even in the 21st Century, little has come to light about the activities and whereabouts of SS Dr. Plötner after he had been recruited by the U.S. Navy from 1945 to the early 1950s; and the Navy's Technical Mission didn't skip down the Yellow Brick Road to just happen to trip over his research papers.

Dr. Plötner was a SS Medical Corps Officer that was regulated by a blood covenant of secrecy, and closely monitored by SS-1 Himmler and SS security forces. To say the least, it was extremely dangerous to cross Himmler and SS at any level of the game. The SS medical officer's customary and business procedure was to submit detailed weekly or monthly medical reports of their experiments to Himmler and the SS. Himmler stockpiled all SS concentration camp experimental medical corps reports.

Himmler was uncommonly demonic and absolutely shrewd. As the war came to a close, Himmler secreted SS medical corps reports in various locations, then after the war released them to those willing to strike a bargain with the DEVIL and Lucifer's Servants.

Project CHATTER and its links to the SS and Dr. Plötner's Dachau Experiments still can't stand the light of day. Even my father's civil commitment papers have been locked and secreted away in the vaults above the Alameda County Superior Court Clerk's Office in Oakland, CA. They promised me death before I document any links between superior court files, my father and Project CHATTER. These people mean exactly what they say.

THE NSA AND THE NORDIC TROLLS

“ ... The American Left has proven inept in gauging this fascist menace, much less mounting an effective response. Few are aware of the history that brought us to our current predicament. ... ” – Andrea Hackett[34]

Ms. Hackett continued, “In order to fight an enemy you must know that enemy. You must know their strengths and weaknesses, history and organizations, links, objectives and capabilities. You must know their operational methods and familiarize yourself with the central players. In short, you must do your homework. In the case of global fascism, you must also respect their fanaticism and willingness to use violence to further their goals.”[35]

Lately on the Internet, sources within Germany have compared the National Security Agency (NSA) to the Stasi.[36] The Ministry for State Security (German: Ministerium für Staatssicherheit, MfS), was created in 1950. The ministry commonly known as the Stasi (abbreviation German Staatssicherheit, literally State Security), was the official state security service of the Germany Democratic Republic or GDR, colloquially known as East Germany.[37]

THAT DOG WON'T HUNT. It is an ILLUSION and a hypocritical attempt at mass population THOUGH PERCEPTION. The true history of NSA and its central players is a puzzle wrapped inside an enigma to intentionally stifle an effective response from the people. The NSA has its secret roots in one of numerous balconies in Reichsführer SS-1 Heinrich Himmler's Puzzle Palace, the RSHA.

The RSHA or Reichssicherheitshauptamt (Reich Main Security Office or Reich Security Main Office or Reich Security Head Office) was a secret state wrapped inside a secret state. RSHA was the security service for Nazi Germany and the Nazi Party (Martin Bormann). The organization was completely subordinate to Heinrich Himmler in his dual capacities as Chef der Deutschen Polizei (Chief of German Police) and Reichsführer SS-1. Amt III (German Amter–Office) Inland–SD headed by Nuremberg Tribunal convicted mass murderer SS–Gruppenführer Otto Ohlendorf. Amt III was the SS' domestic mass information gathering service inside Germany. It also dealt with ethnic Germans outside of Germany's prewar borders, and matters of culture.[38]

In Nazi Germany, Heinrich Himmler and the SS represented the proverbial EVIL TROLLS UNDER THE BRIDGE—constantly TROLLING to devour millions on their path across the bridge to life, liberty and the pursuit of happiness.

RSHA's stated duty was to fight all "enemies of the Reich" inside and outside the borders of Nazi Germany. According to British author, Gerald Reitlinger, the RSHA "became a typical overblown bureaucracy... The complexity of RSHA was unequalled... with at least a hundred sub-sub sections".[39]

RSHA's data mining technology and facility was provided by IBM. In Nazi Germany, Willy Heidinger was the manager of the IBM subsidiary, Dehomag. During a tour of his facilities by Nazi Party leaders, Heidinger substantially exposed RSHA's data mining ultimate objective,

"The physician examines the human body and determines whether ...all organs are working to the benefit of the entire organism. We [Dehomag] are very much like the physician, in that we dissect, cell by cell, the German cultural body. We report every individual characteristic ...on a little card. These are not dead cards, quite the contrary; they prove later on that they come to life when the cards are sorted at a rate of 25,000 per hour according to certain characteristics.

These characteristics are grouped like the organs of our cultural body and they will be calculated and determined with the help of our tabulating machine. ... We are proud that we may assist in such a task, a task that provides our nation's Physician [Adolf Hitler] with the material he needs for his examination. Our Physician can then determine whether the calculated values are in harmony with the health of the people. It also means that if such is not the case, our Physician can take corrective procedures to correct the sick circumstances. ... Our characteristics are deeply rooted in race.

Therefore, we must cherish them like a holy shrine which we will – and must – keep pure. We have the deepest trust in our Physician and will follow his instructions in blind faith, because we know that he will lead our people to a great future. Hail to our German people and der Führer!"[40]

A sub-subsection of RSHA even took over German population censuses tabulated by Hollerith (IBM) machines. The census was one of several population identification systems used to track targeted groups in the Nazi state. Taken together, these systems resulted in distribution of uniform photo identity cards to all inhabitants of the Reich, mandatory under the law of September 10, 1939.[41]

The significance of IBM's German subsidiary Dehomag, IBM machines and card systems in the Nazi persecution and extermination of the pseudo Untermensch (German for under man, sub-man, sub-human; plural: Untermenschen);[42] and its social, political and religious enemies was revolutionary satanic-demonic principled technology; and that connotation cannot be underestimated.

With IBM's Hollerith machines and their punch cards, Himmler and the SS could TROLL people's family and racial lineage, political and religious affiliations and track their movements by the millions. The SS-RSHA was able to trace and update its targeted enemies' addresses, locations, occupations, wealth and associations. SS-RSHA's IBM mass population data mining led ultimately to global racial and political persecution and mass murder unparalleled in human history.

The "ENEMIES OF THE REICH" that Himmler and the RSHA targeted for persecution, isolation and termination wasn't just communist terrorists. It was the TROLL that blocked the path to life, liberty and the pursuit of happiness of the people of Germany whether Jews, disabled, non Aryans, Soviets, Poles, Gypsies, Christians, freemasons, homosexuals, intellectuals and the political dissent, etc., etc., and etc. by the millions.

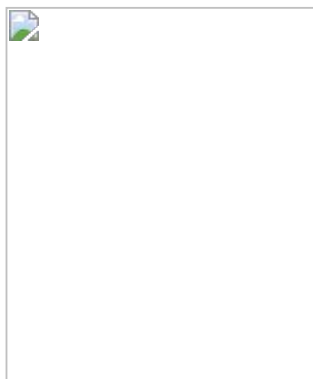

The TROLLS, Himmler and SS RSHA, UNDER THE BRIDGE in Nazi Germany devoured at least 16.5 Million souls, likely over 17 Million people in the concentration camps. 7 million were the Jews and following that 3.3 million Soviet POWs.[43]

THE NORDIC TROLLS MAGKIC RED CARPET RIDE TO AMERICA

The Puzzle Palace is a book written by James Bamford, and published in 1982. It is the

first major, popular work devoted entirely to the history and workings of the NSA, America's intelligence organization and service. Bamford's title refers to a nickname for the NSA which is headquartered in Fort Meade, Maryland.[44]

The Puzzle Palace can also be used to describe any large government building that is monolithic, secured or confusing to navigate.[45]

The NSA had its origins with a May 20, 1949 secret order and directive from U.S. Secretary of Defense, Louis A. Johnson, above. The secret directive authorized the Armed Forces Security Agency (AFSA) to be the umbrella organization to oversee and consolidate the military intelligence services (Army Security Agency, Naval Security Group, and Air Force Security Service). The AFSA, during the majority of the years of its existence, from 1945 to 1978, was largely a "Cold War" data gathering operation without a charter.[46] Louis A. Johnson is an interesting and peculiar historic character out of the Old South.

Johnson born in old Roanoke, Virginia was a former National Commander of the American Liberty League. The Liberty League was the private army of America's Luciferian global elite, the Imperium "Divine Ones" on the Hill led by Pierre, Irene, Lammot du Pont and John Jacob Raskob (Chief Executive, DuPont and General Motors, Builder of the NY Empire State Building) along with J.P. Morgan (JP Morgan & Chase Co.), and Alfred P. Sloan of General Motors (GM).[47]

The Liberty League was anti-Semitic, and an anti-Black American extension to the rise and growing power of global fascism led by Benito Mussolini and Adolf Hitler. The American "Divine Ones" link with Nazi Germany wasn't a matter of any fantasy.

In 1938, just months after the Nazis' annexation of Austria, James D. Mooney, head of GM's overseas operations, received the German Eagle with Cross, the highest medal Hitler awarded to Nazi Germany's foreign commercial collaborators and supporters.[48]

In 1933, Louis A. Johnson's American Liberty League was the umbrella group that led a clandestine conspiracy on behalf of the "Divine Ones" led by Prescott Bush to overthrow U.S. President Franklin Delano Roosevelt and the United States Government in a coup (putsch) to implement a fascist dictatorship based around the racial pseudo geopolitical ideologies and politics of Mussolini and Hitler.[49]

The plot against the United States was widely exposed by Major General Smedley Darlington Butler of the U.S. Marine Corp.[50] U.S. Secretary of Defense Louis A. Johnson that implemented NSA for the Gehlen Org intelligence service, discussed below, to run amok in America. He was a fascist handmaiden and patsy of the Luciferian global elite;

and the Nazis.

In March 1949, Louis A. Johnson had succeeded James Vincent Forrestal of Dillon, Read & Company as U.S. Secretary of Defense. Two days after Johnson issued the secret directive molding AFSA into a mass data gathering operation, Forrestal was dead.

James Vincent Forrestal was born in 1892 in Matteawan, New York, the son of humble Catholic Irish immigrants. Forrestal made his fortune with the ruling classes and bloodline "divine ones" on Wall Street with the investment firm of Dillon, Read & Company. He was introduced into the world of politics and the NEW DEAL by his infamous neighbor, President Franklin Delano Roosevelt.[51]

As Secretary of the Navy, it was Forrestal that proposed the racial integration of the U.S. Navy. Later, as Secretary of Defense, he proposed the full racial integration of the armed forces.[52] He had also opposed the creation of the State of Israel to permanently disturb the balance of power and peace in the Middle East.[53]

Dillon, Read & Company had been one of the Anglo-American Axis companies that made large loans to finance the Nazis. As former Secretary of the Navy during WWII and the Defense Secretary after the war, Forrestal had been up to his nose in the top secret SS-Nazi Ratlines and Operation Paperclip. However, the more Forrestal discovered about the true details of America's pact with the devil, the more distressed he became.

President Roosevelt died on April 12, 1945. There is at least one source, "Closely Guarded Secrets" that claims that FDR was assassinated by a Nazi Assassination Team that would have cleared a path for the SS underground to infiltrate America under more friendly and blood secret circumstances.[54] Forrestal became the odd man out in the presidential administration of Harry Truman. Truman was a 33° freemason. September 24-25, 1940, Truman was elected the ninety-seventh Grand Master of Masons of Missouri, and served until October 1, 1941.[55]

President Truman secretly was subjected by blood covenant to a higher order, the Masonic hidden hierarchy of the Knights Templar and Order of Teutonic Knights (SS–Knights of the Black Sun) dominated by Hitler, SS–1 Himmler and Reichsleiter SS Martin Bormann.

Leading up to his death, Forrestal became far too concerned, disturbed and vocal about the fanatical Nazi–SS Biological Warfare scientists like SS–1 Heinrich Himmler’s Erich Traub and Reichsgesundheitsführer Blome [56] being secretly implanted and bankrolled in America developing clandestine “Weapons of Mass Destruction”. [57]

In 1949, the clandestine movement of Nazis’ top scientists and Himmler’s SS war criminals, Wunderweapon programs (Weapons of Mass Destruction) being slipped into the United States was ultra top secret and highly classified information that couldn’t stand the light of day. It would have if exposed opened people’s eyes; outraged the world and changed the body politics of America forever.

Even though Forrestal heading the investment firm of Dillon and Read had been absolutely complicit with the Rockefellers, Dulles Brothers and Prescott Bush in a Bargain with Lucifer financing the Nazis and continuing to trade with Lucifer Servants during WWII, he would not have known about the full scope and power of Himmler’s clandestine Satanic SS objectives, and its ultra top secret Wunderweapons and biological warfare programs.

However, Forrestal was well aware of the Reinhard Gehlen Org, code named Operation Rusty, and its unfettered clandestine power and authority over U.S. Foreign Intelligence Programs ceded to it in the Secret Fort Hunt Treaty by the U.S. Pentagon (Joint Chiefs of Staff) in the fall of 1945. [58]

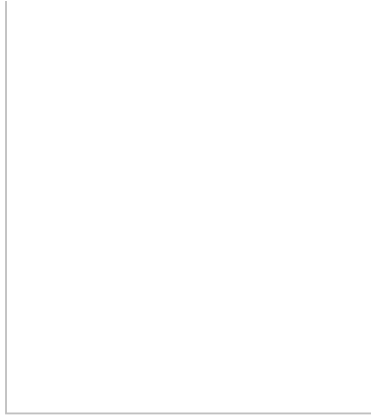

Forrestal pushed for the CIA to undermine and take over and control the Gehlen Org that the U.S. Government had no real authority over. [59] Additionally as U.S. Secretary of Defense, Forrestal had also rejected the Truman’s administration earlier move to make AFSA a consolidated U.S. military intelligence gathering agency in control of the Gehlen Org. [60]

However, it was far too late. Himmler’s Knights of Black Sun–SS, the world’s greatest demonic racial mass murderers, National Socialists and the Gehlen Org was too far secretly deeply imbedded within the power structure of America. Forrestal knew too much to be left to live. President Harry Truman forced Forrestal to resign; and into a military mental ward at the National Naval Medical Center, Bethesda, Maryland.

“Former Secretary of Defense James Vincent Forrestal died on May 22, 1949, after falling from the sixteenth of the U.S. Naval Hospital in Bethesda, Maryland. Forrestal’s broken, bloodied body was found clad in pajamas and a bathrobe. The bathrobe cord was wound tightly around his neck. He had been hospitalized due to “operational fatigue” attributed to “excessive work.” His death was ruled a suicide, but for many people, including members of Forrestal’s family, the matter remained far from resolved. Forrestal’s brother, Henry, told reporters at the time of the death that he “believed that someone threw my brother out the window” and that he considered it quite strange that his brother died “just a few hours before I was to take him home.” [61]

Operation SHAMROCK& the TROLLS

“The sparrow-faced man in the battle uniform of an American general clambered down the steps of the U.S. Army transport plane upon its arrival at Washington National Airport. It was August 24, 1945, two weeks after the surrender of Japan, three months after the German capitulation. The general was hustled into a van with no windows and whisked to Fort Hunt outside the capital. There he was attended by white-jacketed orderlies and, the next morning, fitted with a dark-grey business suit from one of Washington’s swankiest men’s stores.” –Mae Brussell[62]

Himmler SS-1 and his personal emissary SS Brigadeführer nd Generalmajor der Polizei Walter Schellenberg had been the true architects and engineers of America’s “Cold War” with the Soviet Union. According to former Abwehr official Eduard Waetjen, Himmler’s foreign policy strategy in early 1944 was to intensify the struggle against the Soviet Union, if possible through a joint operation with the Japanese and to convince the West that weakening or destroying the Soviet Union was in their interest. Himmler plotted the “Cold War” strategy as a means for the Allies to compromise a peace plan with the SS cloaking RSHA with a false mission as a western ally to weaken and destroy Communist Russia.[63]

SS Wicked Walter

Himmler also had some pretty powerful bargaining chips to sway the west to an ultra secret compromise. He controlled access to the SS Wunderweapons (atomic bomb, etc.); V-2 rocket projects and personnel; atomic submarines and jets; important medical-neuroscience, biological patents; and alternative theory sciences like mind control-electromagnetic projects.

Project SHAMROCK was a major “Cold War” clandestine espionage program that started in August 1945 almost simultaneously with the red carpet arrival of Wehrmacht Generalmajor Reinhard Gehlen, Adolph Hitler’s chief intelligence officer against the Soviet Union, in America.

Generalmajor Gehlen had been a subordinate of Himmler and SS Schellenberg working out of RSHA’s Soviet Union desk and espionage networks. The Reinhard Gehlen Org in charge of America’s foreign policy and intelligence agenda was made up primarily of Hitler’s General Staff; and Himmler’s fervent RSHA SD (Sicherheitsdienst – Security

Service) and SS (Knights of the Black Sun) officers.[64]

SHAMROCK involved the accumulation of telegraphic data entering or exiting the United States to primarily monitor and promote the fear of domestic Soviet Union espionage activities as contrived and veiled by Himmler, Schellenberg and the SS' foreign policy agenda. SHAMROCK would have given the Gehlen Org access to secret U.S. military, diplomatic and congressional cables, which would have compromised and leveraged the entire nation.

AFSA and its successor NSA were given direct access to daily microfilm copies of all incoming, outgoing, and transiting telegrams via the Western Union and its associates RCA and ITT that represented almost all the international telegraphic traffic in the United States. AFSA and NSA basically operated without a charter, oversight, check and balances, or warrants. Their primary job was to gather and mine data and turn it over to the Gehlen Org/CIA, National Security Council (NSC), FBI, IRS, Secret Service, U.S. Military Intelligence or the White House.

On July 1, 1969, President Richard Nixon officially chartered Project "MINARET" directing government agencies to collaborate in targeting a White House "watch list" of enemies primarily from data gathered and mined by the NSA. The NSA actually operated MINARET between 1967 and 1973 collecting information on "individuals or organizations, involved in civil disturbances, Civil Rights, Black Power, antiwar movements/demonstrations and Military deserters involved in the antiwar movement." [65] MINARET is defined as a "slender tower with balconies." [66]

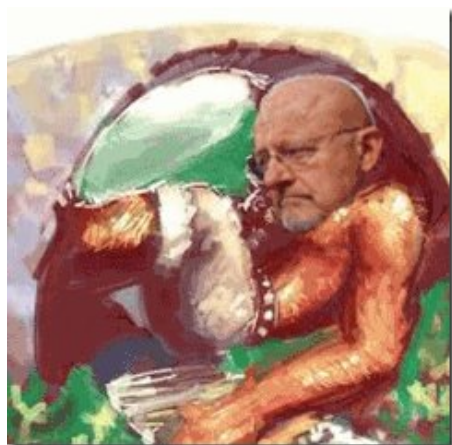

NSA targeted over 5,925 foreigners and 1,690 organizations and US citizens were included on the White House Project MINARET watch lists. NSA Director, Lew Allen, testified before the Senate Intelligence Committee in 1975 that the NSA had issued over 3,900 reports on the watch-listed Americans.[67] The Nixon White House watch list was only a sub-level governmental directive or "balcony" of SHAMROCK in the Puzzle Palace.

SHAMROCK wasn't exposed until May 1975 when Congress began to investigate and expose the program. Senate Intelligence Committee Chairman Senator Frank Church concluded that Project SHAMROCK was "probably the largest government interception program affecting Americans ever undertaken." [68]

Don't be fooled. The NSA is TROLLING and profiling all citizens. It is being used daily primarily to clandestinely control racial nationalities, politics, religion, dissent, businesses and resources. It is used to trace and update targeted populations, groups and individual's occupations, wealth, associations, addresses, and locations for relocations-resettlements to FEMA's (Operation REX-84) political re-education and extermination concentration camps.

Himmler's RSHA or Reichssicherheitshauptamt (Reich Main Security Office or Reich Security Main Office or Reich Security Head Office) wasn't shut down as a mass murdering human rights and a war criminal organization. It just changed venue from Berlin, Nazi Germany to Washington DC.

JAMES R. CLAPPER, THE AMERICAN SATANIC TROLL UNDER THE BRIDGE

The TROLL & Neurologically Interactive Technologies

"The right of a person to liberty, autonomy, and privacy over his or her own intellect is situated at the core of what it means to be a free person. This principle is what gives life to some of our most well-established and cherished rights. Today, as new drugs and other technologies are being developed for augmenting, monitoring, and manipulating mental processes, it is more important than ever to ensure that our legal system recognizes and protects cognitive liberty as a fundamental right." (Center for Cognitive Liberty & Ethics, "Frequently Asked Questions," September 15, 2003)

In June 2010, President Barack Obama nominated Retired Air Force Lieut. General James R. Clapper of Lucifer's U.S. Military Intelligence Community as the Director of National Intelligence. The Director of National Intelligence (DNI) is the official subject to the authority, direction and control of the President who is responsible under the Intelligence Reform and Terrorism Prevention Act of 2004, serving as the principal adviser to the President, NSC, and Homeland Security Council for intelligence matters related to national security.[69]

Lieut. General Clapper is a very weird, scary and dangerous dude. Not much is publicly revealed about him personally, he usually moves deeply in the shadows of the military intelligence community. But, his thirst for power, and more raw power forced him into the daylight so that the general public can see this demonic TROLL UNDER THE BRIDGE and Master of Deception mostly for the very first time.

For over 30 years, he has been clandestinely at the forefront and at the tipping edge of neuroscience, computers, robotics-cybernetics and mind control technologies to dominate the "urban battlefield." He is a fervent crusader in "America's corporatist surveillances state that seek new means to elicit compliance and control over individuals as biological science is securitized under the rubric of 'national security'".[70]

Lieut. General Clapper has also been the TROLL UNDER THE BRIDGE clandestinely undermining human cognitive liberty by secretly militarizing life-biological sciences to blur and manipulate the distinctions between "human" and "machine." For decades, he has been behind the veil developing brain-machine interfaces, also called "neural prosthetics" to manufacture virtual living robots subservient to a New Age and New World Order.[71]

Lieut. General Clapper position as DNI of America's surveillance, security intelligence state is almost equivalent to Himmler's position of ultimate command of RSHA, the original Puzzle House.

From the American Puzzle House, he has the power and authority to coordinate, control and command 16 U.S. intelligence agencies, ranging from the CIA and NSA to the FBI and National Geospatial-Intelligence Agency (NGA), Clapper's former agency.[72] Clapper served as the director of the NGA from September 2001 until June 2006.[73]

THE REAL MATRIX

Geospatial-Intelligence is uncommon and unusual terms that may still be unfolding as we speak. The definitions and usage of the terms geospatial data, geospatial information,

and geospatial knowledge are also unfolding and not used consistently in the surveillance intelligence gathering community.[74]

The CIA explains Geospatial-Intelligence as follows: "A picture is worth a thousand words: a lesson every intelligence officer learns. Every day satellites in the sky capture the comings and goings of nations around the world. These images may provide the missing piece to the puzzle that can help keep the nation safe.

Geospatial Intelligence

The Intelligence Community (IC) refers to the use and analysis of geospatial information to assess geographically referenced activities on Earth as geospatial intelligence (GEOINT). It is everything you can see or know about the earth.

GEOINT consists of:

- Imagery – a likeness of any natural or man-made feature, as well as its location.
- Imagery Intelligence (IMINT) – information derived through interpreting imagery.
- Geospatial Information – information that identifies a natural or constructed feature on Earth by its geographic location and other characteristics.

GEOINT Collection

The National Geospatial-Intelligence Agency (NGA) is the prime producer and functional manager for national and allied GEOINT efforts for the IC. CIA analysts often use NGA products to complement their analysis of a situation in finished intelligence." [75]

NGA and the Defense Advanced Research Projects Agency (DARPA) have been quietly collaborating to perfect global satellite software programs and systems to collect "geospatial data, geospatial information, and geospatial knowledge" of brain and computer electromagnetic frequencies. DARPA is an agency of the U.S. Department of Defense responsible for the development of new technologies for use by the military.[76]

DARPA and NGA have been awarding research and development contracts under DARPA's Urban Reasoning and Geospatial Exploitation Technology (URGENT) program to map and interface with the human brain from the sky (Cheryl Gerber, "Seeing with Your Brain," Military Geospatial Technology, Vol 6, Issue 3, June 5, 2008).[77]

URGENT's primary contractor, Lockheed Martin, is developing Object Recognition via Brain-inspired Technology (ORBIT) that seeks to merge neuroscience with computers to create a technology (3-D mapping systems) that promises to deliver "situational awareness" anywhere on the planet. Under URGENT, SPADAC, a Mclean, Virginia defense contractor have been developing a program called "Signature Analyst." It promises to deliver an interface system that will deliver "powerful and actionable insights combining predictive analytics with spatial information as well as human terrain and social networking" to artificially improve and enhance "global operational and business challenges" to a "warfighter" and "counterterrorist".[78]

Additionally under URGENT, Lockheed Martin and their partner "Numenta", a software company are working on a suite of software applications, "Numenta Platform for Intelligent Computing (NuPIC) based on "hierarchical temporary memory (HTM), a "computing paradigm" that mimics the structure and function of the human neocortex, the area of the brain that handles high-level thought.[79]

Geospatial Intelligence & the 9-11 Inside Job and Deception

Consistent with the SS Satanic Principle of Duality, military intelligence satellite programs that have the capability to globally target, map, and collect brain electromagnetic frequencies can also entrain brain electromagnetic frequencies to harass, disable and assassinate, and transform targeted populations and individuals into “robotoids” from space.

The NGA also has the technology to reproduce and re-create 3-D [Geospatial] images of streets, buildings and locations across the globe like Google Maps. They can stage events across the world and falsely report that it is taking place as live news. They also apparently have developed secret backdoors to multi-national mass media live newsrooms such as the BBC to cut in and stimulate geospatial images as live news feeds. On 9-11, they went through the back door of the BBC to report that New York Trade Center Building 7 had collapsed. But due to a time glitch in calculating the time zone differences between New York and London, the BBC was caught with their pants down and reported live that Building 7 had collapsed before the building was pulled down.

Trade Center Building 7- Proof of an Inside Job

For decades, Lieut. General Clapper, TROLL UNDER THE BRIDGE, primary mission have been to block the path of liberty, happiness, individual human potential, and “invade the privacy of human thought, and infringe on the independence of our minds for “reasons of state,” transform biological/medical research into a subset of weapons development.”[80]

Lieut. General Clapper, SATANISM, PSYCHIC WARRIORS & THE CULT OF THE SS

During the 1990s, Lieut. General Clapper headed the Defense Intelligence Agency (DIA) that dwelled deeply into the “satanic occult world” to gather intelligence data and information for military industrial applications.

The DIA is a designated Department of Defense combat support agency that is the central producer and manager of foreign military intelligence for the United States. As one of the principal members of the U.S. Intelligence Community, the agency works to answer national-level defense objectives for the President, the Secretary of Defense, and senior U.S. military and civilian policymakers.[81]

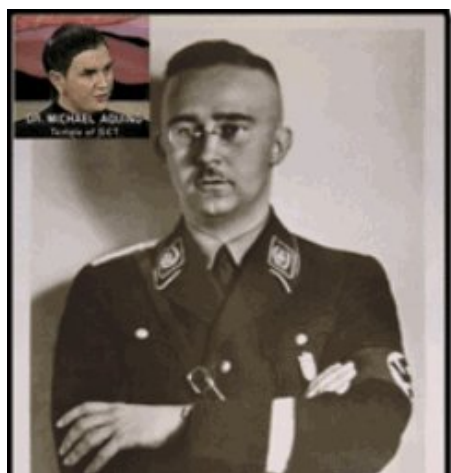

Michael Aquino is a Luciferian military intelligence former army lieutenant colonel sanctioned and blessed by the U.S. Pentagon as a fervent Satanist and PSYOP specialist attached to the DIA, Psychological Warfare Division.[82] Aquino is a former member of the late Anton LaVey's Church of Satan, and co-founder of the Temple of Set.[83]

Lieut. Colonel Aquino is qualified as a Special-Forces officer, Civil Affairs officer, and Defense Attaché. He is a graduate of the Command and General Staff College, the National Defense University and the Defense Intelligence College, and the State Departments' Foreign Service Institute." He received a doctorate at the University of California at Santa Barbara in 1980, with a dissertation on "The Neutron Bomb." He lists 16 separate military schools that he attended during 1968-87, including advanced courses in "Psychological Operations" at the JFK Special Warfare Center at Fort Bragg, North Carolina, and "Strategic Intelligence" at the Defense Intelligence College, at Bolling Air Force Base in Washington, D.C.[84]

"Aquino was deeply involved in what has been called the 'revolution in military affairs' ('RMA'), the introduction of the most kooky 'Third Wave,' 'New Age' ideas into military long-range planning, which introduced such notions as 'information warfare' and 'cyber-warfare' into the Pentagon's lexicon." [85]

Lieut. Colonel Aquino is also linked to secret CIA MK-ULTRA satanic trauma based mind control programs; and a military intelligence high level nationwide pedophile ring.[86] Lieut. Colonel Aquino is the U.S. Military Intelligence Community's expert on the "Cult of SS." Adopting Himmler's initiation and blood covenant rites; and a "Cult of the SS" among high ranking military officers was an effective means to avoid another "Major General Smedley Darlington Butler" from breaking ranks of the military's shield of secrecy and brotherhood. The SS Blood Covenant of Secrecy overshadows the oath to protect the constitution; and supreme allegiance to the United States.

Aquino's satanic activities in the military concerned the promotion of Nazi ideology; and overt support for neo-Nazi movements in the United States and Europe. On October 10, 1983, while traveling in West Germany on "official NATO business," Aquino staged a Satanic "Wewelsburg Working" with military personnel officers at Heinrich Himmler SS-1's Wewelsburg Castle in Bavaria to invoke the spirit of Himmler. Aquino wrote a lengthy account of the ritual, in which he invoked Himmler ("Wewelsburg Workings"): "As the Wewelsburg was conceived by Heinrich Himmler to be the 'Mittelpunkt der Welt' ('Middle of the World'), and as the focus of the Hall of the Dead was to be the Gate of that Center, to summon the Powers of Darkness at their most powerful locus." [87]

Aquino believes that Himmler was an authentic "Initiate of Satan." Aquino invoked Himmler to adopt his secret satanic initiation rites and blood covenants to pass on the Powers of Darkness to the Joint Chiefs of Staff at the Pentagon and high level staff of the U.S. Military Intelligence Community. [88]

There are some questions whether or not he worked directly for the NSA. However, when Noreen Gosch, mother of Johnny Gosch—"Why Johnny Can't Come Home", requested a copy of Lieut. Colonel Aquino's "From PsyOps to Mind War, the Success of Victory," her FOIA request was surprising directly denied by the NSA on the ground of "National Security." [89] It appears that this notorious satanic Nazi mind controller and pedophile was also working for the NSA developing long-range mass population control plans, policy and position papers.

There is yet another important reason for adopting a clandestine "Cult of the SS" among the high ranking officers and officials of the U.S. military as outlined by Himmler SS-1 in the infamous October 4, 1943 ("Janus Face") Speech to SS Major-Generals at Posen:

"One basic principle must be the absolute rule for the SS man: we must be honest, decent, loyal, and comradely to members of our own blood and to nobody else... Most of you must know what it means when 100 corpses are lying side by side, or 500 or 1000. To have stuck it out and at the same time—apart from exceptions caused by human weakness—to have remained decent fellows, that is what has made us hard. This is a page of glory in our history which has never been written and is never to be written ..." [90]

Whether it is the millions slaughtered and maimed in Korea, Vietnam, Iraqi and Africa or the hundreds of thousands murdered and crippled in Libya and Syria, the "Cult of the SS" bound the U.S. military elite to be "hard" and uncompassionate to death and human suffering. It commands them to the practice of the art of deception.

U.S. Military Intelligence Secret Brotherhood with Lucifer's Servants

SS Heinrich Rupp and Klaus Barbie

For unknown reasons probably under the veil of U.S. National Security, SS Pilot Heinrich Rupp was smuggled into the country under Operation PAPERCLIP. In 1982, Italian Waffen SS officer Licio Gelli, head of a 2400 member secret Masonic Lodge, P2, a neo-fascist organization in Italy, with Gestapo Hauptsturmführer SS Klaus Barbie and SS Heinrich Rupp, met with CIA operative Ronald R. Rewald in Uruguay to arrange for the Argentine purchase of the French-made Exocet missile, used in the Falkland Island War with the British.[91] SS Rupp was also a CIA operative part of Obersturmbannführer (Lieutenant Colonel) SS Otto Skorzeny's Die Spinne Nazi-SS Underground Network along with wanted war criminal SS Barbie.

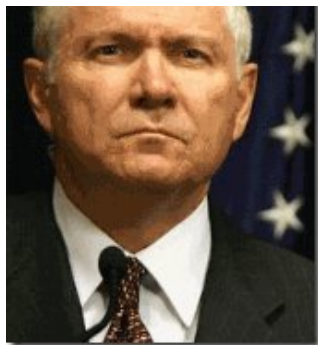

Werewolf Skorzeny

SS Skorzeny (Scarface) was Hitler and Himmler's most ruthless, notorious and feared SS Commando that should have been hanged or faced a firing squad alone for war crimes at the Battle of the Bulge. He was called, "The Most Dangerous Man in Europe".[92] Scarface's legendary military WWII exploits was also idolized by the CIA. He was recruited into the CIA/Reinhard Gehlen Org. In 1953, Skorzeny was invited by CIA chief Allen Dulles, through his father-in-law, Hjalmar Schacht, Hitler's ex-financial consultant and president of the Reichsbank, to help reorganize the security services of the new Republic of Egypt under General Neguib, and later Colonel Gamal Abdel Nasser. Skorzeny's salary in this undertaking was subsidized by the American Taxpayers, the CIA.[93]

In 1969, SS Skorzeny was appointed security adviser to the Cocaine- Colombian Ministry of the Interior. The request for his assistance was channeled through the German ambassador in Bogota, Ernst Ludwig von Ror. In 1972, the Bolivian businessman and security adviser Klaus Altmann, otherwise known as the wanted Nazi war criminal, Gestapo Barbie, named Otto Skorzeny as the chief of the Die Spinne network which Barbie claimed commanded the loyalty of 100,000 fascist sympathizers in 22 countries and which was funded by secret Nazi Party flight capital investments (Martin Bormann) controlled by Skorzeny.[94]

In 1980, Rupp was a Die Spinne arms broker and a fellow CIA/Gehlen Org agent when he transported Nazi collaborators among others, Executive assistant to the CIA Director, Robert Gates, above, the late then CIA Deputy Director, William Casey – then Ronald Reagan’s campaign manager for U.S. President, then U.S. Presidential Vice President nominee and CIA agent, George H. W. Bush, to Paris to seal a deal for 23 tons of TOW (Tube-launched, Optically-tracked, Wire-guided) missiles[95] from a Die Spinne affiliated network arms dealer in the Iran-Contra CIA Crack-Cocaine Scandal.[96]

In fact it appears that Gates and his mentor CIA Director, William Casey, above, secretly handled the Reinhard Gehlen Org CIA faction; and continued to push Himmler’s Soviet Union “Cold War” Strategy well into the late 1980s contrary to the CIA’s proud Soviet analytical office assessments that significantly downplayed the soviet threat. Gates and Casey purged the Soviet desk in Washington DC of analysts that didn’t go along with the Soviet Union Threat Deception.[97]

Among the U.S. Military Intelligence brotherhood, Nazi collaborator former CIA Director and Secretary of Defense U.S. Air Force Second Lieutenant Robert Gates and Clapper have been longtime associates and close friends probably dating back to the 1960s in U.S. Air Force Intelligence during America’s campaign of Terror and War of Aggression in Vietnam. True to the secretive bond of the Luciferian brotherhood, Clapper had been one of Gates’ principal trusted advisors and his undersecretary of defense for intelligence.[98] There is no reason to believe that Lieut. General Clapper wasn’t among the secret Brotherhood with Lucifer’s Servants.

Whereas through the practice and art of deception, high ranking U.S. military or government secret members of the “Cult of the SS” like Lieut. General Clapper can look the U.S. Congress and the American public straight in the face– appear exceedingly “honest” and “decent” then LIE!

In March 2013, Lieut. General Clapper told a Senate Investigative Committee that the NSA

does not “collect any type of data” on Americans:

Senator Wyden: “Last summer the NSA director was at a conference and he was asked a question about the NSA surveillance of Americans. He replied, and I quote here, ‘... the story that we have millions or hundreds of millions of dossiers on people is completely false... The reason I’m asking the question is, having served on the committee now for a dozen years, I don’t really know what a dossier is in this context. So what I wanted to see is if you could give me a yes or no answer to the question: Does the NSA collect any type of data at all on millions or hundreds of millions of Americans?’”

Clapper: “No, sir.”

Wyden: “It does not.”

Clapper: “Not wittingly. There are cases where they could inadvertently perhaps collect, but not wittingly.”[99]

Lieut. General Clapper told a bold face lie to Congress and the general public, and then later admitted that he had lied. On television, he appeared “honest” and “decent” when he told a television audience that it had been the “least untruthful answer” that he could think of, which was another outright bold faced lie with absolute mass deception.[100] AFSA and its predecessor NSA has been clandestinely TROLLING, collecting and mining mass data on all Americans since August 1945– Project SHAMROCK.

Consistent with the secret military elite worship of Himmler and the SS as true Initiates of Satan endowed with the secret Powers of the Occult; they adopted his “Wewelsburg Workings” initiation and blood covenant rites, but also secretly pursued the SS’ “Astral–Time Travel” exercises,[101] commonly known as “Remote Viewing” for clandestine military application.[102]

Lieut. General Clapper, Remote Viewings, Space Kids and President Barack Hussein Obama

President Obama has a far more secret unconventional tie to Lieut. Colonel Clapper than you know or ever will know.

From November 1991 to August 1995, Lieut. General Clapper was the Director of the Defense Intelligence Agency (DIA).[103] He became the gatekeeper to Military Intelligence Satanist Lieut. Colonel Aquino of DIA’s Psychological Warfare Division conjuring up Heinrich Himmler and the “Cult of the SS.”

Lieut. General Clapper also became the gatekeeper to the DIA's "Weird Desk", the Advanced Technology Group (ATG) headed by Dale Graff, above, that reportedly consulted with "Witches." Graff was also the DIA's Branch Chief of the operation unit Star Gate out of the Stanford Research Institute (SRI). Remote Viewing was developed at SRI under the name STARGATE. Remote Viewing involves the use of paranormal methodologies similar to the ones used by the Rosicrucians and Scientology; "soul travel" or "astral projection" – a belief that the soul can leave the physical body and travel to other locations.[104] "Astral-Time travel" was also one of the practices of "Wewelsburg Workings" at Himmler's Wewelsburg Castle.

In 1978, Graff headed DIA's ATG at the Foreign Technology Division of Wright Patterson Air Force Base, Dayton, OH when it became involved in co-funding psychic-mystic Dr. Andrija Puharich's NASA MK ULTRA Space Kids program as part of the Stargate Project.

The STARGATE Project was the umbrella code name of one of several sub-projects established by the U.S. Federal Government to investigate claims of psychic phenomena with potential military and domestic applications, particularly the "remote viewing": the purported ability to psychically "see" events, sites, or information from a great distance. These projects were active from the 1970s through 1995, and followed up early psychic research done at SRI, Science Applications International Corporation (SAIC), The American Society for Psychical Research (ASPR) and other psychical research labs.[105]

In August 1972, Dr. Puharich and Uri Geller are known to become involved in the STARGATE research program at SRI. Before that, they flew to Germantown, Maryland, to meet privately with NASA Director Allgemeine SS- Sturmbannführer (major) Werner von Braun, then onwards to San Francisco, to Stanford University (SRI) to participate in secret psychic parapsychology experiments funded by the CIA and DIA.[106]

The late NASA Astronaut U.S. Navy Captain LeRoy Gordon Cooper, Jr., one of the original seven Mercury astronauts, was one of the first to expose the Space Kids program involving gifted American schoolchildren administrated under SS von Braun in the 1950s and 1960s as a CIA/MK ULTRA program.[107] SS von Braun SS headed NASA from 1958 to 1972.[108]

Cooper said that, "the space kids were children with exceptional mental abilities run through a kind of MK [CIA-ULTRA] program like the things are coming out now." He described how NASA's mind control program emphasized cultivation of the children's psychic abilities and that it involved telepathy, remote viewing, and out-of-body experiences (OBE's).[109]

Virgil Ivan Grissom (April 3, 1926 – January 27, 1967), (Lt. Col, USAF), better known as Gus Grissom, was one of the original NASA Project Mercury astronauts involved in the mind control program along with Gordon Cooper.

NASA Gus Grissom with notable spaded nose and a classic military crew cut and 4 or 5 ears old Barack Hussein Obama, Jr. just before Grissom was assassinated in 1967.

It is reasonable to conclude that SS von Braun personally primed Dr. Puharich and Uri Geller to take over NASA's Space Kids program with Barry Soetoro (Barack Obama). Within three years of that private meeting with SS von Braun, in the summer of 1975, Dr.

Puharich assembled around twenty children from the ages of nine to late teens, called "Gellerlings", or "Space Kids". Dr. Puharich trained their psychic abilities, and claimed that they received messages from aliens. One teen claimed that they practiced remote viewing, and some of their assignments included political targets like the Kremlin and the White House. Dr. Puharich claimed that the Space Kids were able to materialize objects like trees, and that six of them arrived at his ranch via teleportation.[110]

It appears the "Space Kids" program was reclassified from secret to ULTRA TOP SECRET involving high level governmental spooks, tricks, assassinations and counterintelligence activities. Ira Einhorn was a famous pacifist and ecologist in the 1960s very close to Dr. Puharich. He claimed that he had "practically lived in mind-link with Andrija for six years" and described his former mentor as "the great psychic circus manager of this century". [111]

In late January, 1977, Einhorn presented a paper on the Space Kids at the "Mind Over Matter" conference at Penn State University, organized by Einhorn. Other attendees included Dr. Puharich, Christopher Bird, CIA agent, and Army Psychological Warfare specialist. He also worked at the CIA-connected Rand Development Corporation.

Lt. Col. Thomas E. Bearden was there. Lt. Col. Bearden was a nuclear engineer, war games and weapons analyst, and military tactician. He has over 30 years experience in air defense systems, technical intelligence, Soviet electromagnetic weaponry, artificial intelligence, computerized war games, and anti-radiation missile countermeasures.[112]

Not too long after exposing the secret Space Kids Program, Einhorn became the primary suspect in the disappearance and murder of his former girlfriend, Holly Maddox, in the fall of 1977 and fled the country. At the time of her disappearance, Maddox possessed papers relating to the Space Kids research. In 1978, Dr. Puharich's Lab Nine housing the Space Kids program mysteriously burned down. Dr. Puharich also fled the country to Mexico, claiming he was being targeted by the CIA.[113]

Just months before Lieut. General Clapper retired from DIA; Dr. Puharich's tongue started getting a little too loose for comfort. On January 3, 1995, Dr. Puharich "died following a convenient fall down a flight of stairs." [114]

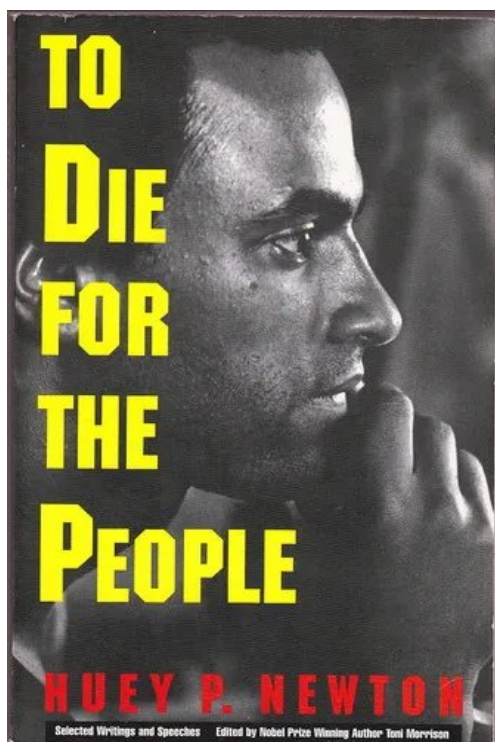

1995 was an important year paving Barack Obama's road to the White House. To manufacture a legend, Obama's memoir Dreams from My Father: A Story of Race and Inheritance was published in July 1995 as he was preparing to launch his political career in a campaign for an Illinois office.[115]

On December 11, 1995—the first filing day for nominating petitions for a state senate seat Obama filed his nominating petitions with more than 3,000 signatures. On December 26, Obama's promptly then filed objections to the legitimacy of the nominating petitions of his democratic opponents to disqualify them. They either dropped out or were disqualified to run. Obama therefore won the Democratic nomination unopposed. On November 5, 1996, Obama was won the race for the 13th Senate district and rest is history.[116]

That's some really powerful power plays for a novice politician with Lieut. General Clapper and the DIA as the gatekeepers to the secrets to Nazis, Space Kids, and Barack Hussein Obama, Jr. Clapper is building a huge secret spy NSA facility in Bluffdale (BILLY GOAT GRUFF-DALE), Utah the size of five capital buildings to stifle the goals and aspirations of the people to be free and determine their own destiny. Undoubtedly, It will become the satellite headquarters of the MATRIX— the MATRIX is a 1999 American–Australian science fiction action film that depicts a dystopian future in which reality as perceived by most humans is actually a simulated reality called “the MATRIX”, created by sentient machines to subdue the human population, while their bodies’ heat and electrical activity are used as an energy source.

Finally, when we feared that we were becoming absolutely overwhelmed by the power of the system, Huey P. Newton always stressed stand firm, “THE WILL OF THE PEOPLE WILL DEFEAT THE MAN’S TECHNOLOGY”. It has happened in Eastern Europe, Korea, Cuba, Africa, Vietnam, Iraqi and now Afghanistan. It shall come to pass in America. Let me leave you with Dr. King’s I BEEN TO THE MOUNTAIN TOP. It is as relevant today as it was

decades ago.

Dear Dawnatilla,

Your comment is really a showstopper for me. Your words brought a little tears down on me. Lately, readers comments have come with a lot of love that I don't usually get. With your comment, I'll take a rest and if God is Good I will wake up tomorrow morning to begin to fight again. Most sincerely, Princeray
