## John Scarlett: "The Eggman"

## Why the 'Eggman'?

The diabolical Royal Arch Freemasonry of the British Illuminati: The 'Humpty Dumpty' cult, otherwise known as the 'Dark Lily' brotherhood.

\*\*\*\*\*

Currently run by **John Scarlett - Head of MI6.**

\*\*\*\*\*

In layperson's terms, this secret society is an 'esoteric' front for the **Royal Genome project.**

Briefly, this cult was begun, in order to ensure the survival of the decrepit genes of the European Monarchies by infusing them with new 'blood' - more specifically, new DNA.

\*\*\*\*\*

Women were secretly selected, according to their gene pool and put under MI6 Illuminati mind control via the programme 'Alice in Wonderland'.

\*\*\*\*\*

'**Alice in Wonderland**' is no fairytale.

\*\*\*\*\*

During the 1980's and 1990's, the selected, female British Intelligence recruits were taken to see the '**arum**' lily. A plant which stinks of rotting human flesh. This was to reveal to them the 'mysteries' of the cult i.e. that they would be used for their zygotes (fertilised eggs) in order to continue the research of the Royal cult i.e. the **Nazi, eugenics project.**

\*\*\*\*\*

The Royal Family and their associates, didn't simply want to have 'above average' intelligence, looks, talents etc - they wanted to be the 'superior race' in every way. They were continuing the Nazi agenda. Nazism never went away and it is being perpetuated via pawns like

British Intelligence MI6 Head of Service "John Scarlett": his biography. Scarlett is not "James Bond". He is a paedophile, a sado-masochist and a murderer. "Alice in Wonderland" "mind control" programming, is his speciality. He is part of the British Chapter of "Royal Arch Freemasonry" and as such, counts himself as one of the "Illuminati".

Scarlett, who is part of the 'fifth column' in British society.

\*\*\*\*\*

'Ar-rum' shouts the character in 'Alice in Wonderland' as Alice tries to break out of the symbolic womb of the house she has grown too big for... 'Ar-rum'... the lizard is held up by the two guineapigs (penis and balls) after his attempt to 'get down the chimney' (vagina).

\*\*\*\*\*

This is the real meaning behind the sick parable of the British Illuminati, as explained to their new Royal Arch Freemasonry recruits... too sick to go into details but needs must. This has all got to be exposed.

\*\*\*\*\*

The women who have been chosen, have no choice as to whom they copulate with. They are raped by members of the Illuminati, having been forbidden to have sexual relations with any other man. They are not allowed to choose their own partner and not allowed to get married, have children or any sort of normal life. They are the 'sacred prostitutes'. After fertilisation, they are then forced through the most terrible and traumatic abortions.

\*\*\*\*\*

Read **Humpty Dumpty's** 'poetry' to find out exactly what happens to these poor women (the 'little fishes'):

\*\*\*\*\*

\*\*\*\*\*

*`I sent a message to the fish:  
I told them "This is what I wish."  
The little fishes of the sea,  
They sent an answer back to me.  
The little fishes' answer was  
"We cannot do it, Sir, because -  
'I sent to them again to say  
"It will be better to obey."  
The fishes answered with a grin,  
"Why, what a temper you are in!"  
I told them once, I told them twice:  
They would not listen to advice.  
I took a kettle large and new,  
Fit for the deed I had to do.  
My heart went hop, my heart went thump;  
I filled the kettle at the pump.  
Then some one came to me and said,  
"The little fishes are in bed."  
I said to him, I said it plain,  
"Then you must wake them up again."  
I said it very loud and clear;  
I went and shouted in his ear.'  
'But he was very stiff and proud;  
He said "You needn't shout so loud!"  
And he was very proud and stiff;  
He said "I'd go and wake them, if -- "  
I took a corkscrew from the shelf:  
I went to wake them up myself.  
And when I found the door was locked,  
I pulled and pushed and knocked.  
And when I found the door was shut,  
I tried to turn the handle, but -- '*

John Scarlett: "The Eggman"

\*\*\*\*\*  
\*\*\*\*\*

The kettle was the boiling water, used to induce an abortion after breaking into the woman's accommodation - nowadays they use a stun gun to make the womb spasm. The 'corkscrew' was the implement used to break the waters in Victorian times. Until recently, a coat-hanger was used.

\*\*\*\*\*

The White Queen then gives 'Alice' (the female pawn in the British Monarchy's sick game) an extra clue to her fate:

\*\*\*\*\*

\*\*\*\*\*

**"First, the fish must be caught."**

*That is easy: a baby, I think, could have caught it.*

*"Next, the fish must be bought."*

*That is easy: a penny, I think, would have bought it.*

**"Now cook me the fish!"**

*That is easy, and will not take more than a minute.*

*"Let it lie in a dish!"*

*That is easy, because it already is in it.*

**"Bring it here! Let me sup!"**

*It is easy to set such a dish on the table.*

*"Take the dish-cover up!"*

*Ah, THAT is so hard that I fear I'm unable!*

**For it holds it like glue--**

*Holds the lid to the dish, while it lies in the middle:*

*Which is easiest to do,*

*Un-dish-cover the fish, or dishcover the riddle?'*

\*\*\*\*\*

\*\*\*\*\*

The above verses basically describe the process of repeated rape, fertilisation and then the subsequent kidnap, and enforced abortion. The 'dish' is the womb and the 'fish' inside is the foetus/fertilised egg - depending upon what type of experimentation, British Intelligence wished to do i.e. on a living child or the zygote.

\*\*\*\*\*

Why has no woman spoken out about this before? The women are put through 'Alice in Wonderland' mind control programming i.e. abused and tortured to the extent that they are too frightened to speak out.

\*\*\*\*\*

In addition, if they do remember these tragic events: the traumatic assaults and attacks (most are programmed to have no memory of the events but tend to remember later on, normally in their forties when they are no longer useful to the cult) - they know that they could easily trigger 'suicide programming' and lose their lives. If they do start talking about it - they tend to be 'detained on Her Majesty's Service' i.e. sent to asylums and drugged into oblivion.

Anything more that anyone would like to know about John Scarlett?

\*\*\*\*\*

He is also a paedophile but this is a relatively 'normal' practice amongst the Illuminati, who view paedophilia as 'culturally relative' i.e. that what they are doing is simply 'different' from most cultural groups

and not morally wrong or evil.

\*\*\*\*\*

Ask **Dr Joanne Collie** about it - she has been known to justify paedophilia on exactly these grounds. It is simply a different 'cultural practice' according to 'Dr' Collie and if one is 'intelligent' like her, then one can see that a father is probably the best person to 'break his daughter in' rather than some boy who might not 'care' as much about her.

\*\*\*\*\*

From the horse's mouth (Collie's) - 'cultural relativity' was one of the Illuminati's ways of preparing the ground to introduce Nazi idea as simply another 'culture' which had as much right to be, as any other grouping. Hence, Europe now has a paedophile party standing for election in the Netherlands and fascist (BNP) MPs in the UK. The ties have been loosened in terms of what defines and constitutes a culture - to let the fascists back in. The Illuminati plan has been very successful, in this respect.

\*\*\*\*\*

Ask at **Susan Bassnett's** Centre at the University of Warwick for details. Or better still, write to Mr Scarlett - ask him if he enjoyed raping and abusing all of those women on his way up to the top of MI6.

Has anyone noticed the resemblance between John Scarlett and Stephen Daldry.

I am not talking about cultural features e.g both men are from upper-class military backgrounds; nor the fact that they are tall men with skinny legs and barrel chests.

How many 'Sargeant Majors' would fit that description?

Scarlett and Daldry were virtually indistinguishable before the former lost his hair and began to look like an 'egg' and the latter had a 'Peter Pan' nose job in his teens.

Very similar genetic make-up.

What about the meteoric rise of Susan Bassnett (head witch) in the University of Warwick firmament?

Anybody bothered to read the books - nope, I thought not.

Anyway, what about David Dabydeen? Known as the 'Bounty Bar' kid at the Afro-Caribbean Centre in Handsworth, Birmingham (black on the outside, white on the inside).

He has been proclaiming for years that 'white culture' forced

him to only fancy white women but he hates the colonial fascism so much that he can't get it up with them!

Doesn't stop you with younger age groups though, does it Mr Dabydeen?

Or don't kids count as male or female, white or black?

PS Dabydeen has now got a 'beard' and a kid of his own (somebody managed to get it up at any rate).

Have you seen Siloam's (Sultan's) Pool outside of the Jerusalem city walls?

There is a massive concrete crocodile plaza there, complete with iron-railing teeth - view it from above to get the best picture.

This is where the British Intelligence recruits were taken to be inducted into the Masonic 'mysteries' of mind control i.e. all of the hocus pocus they whitewashed it with, in terms of Egyptian myth about the 'crocodiles' tried to eat your soul on its passage through the next world.

What they were really talking about was their disgusting Royal Genome project. The 'crocodile' eats the 'little fishes' i.e. he takes their zygotes through traumatic abortions.

Another important point which has not been detailed here is that of the repeated rape of a female British Intelligence agent.

The women to be used for their 'zygotes' were called MI6 'bees'. In Alice mind control programming, they were to be used for their 'honey' (see the insect who accosts Alice in the wood, to ask her if she has any honey).

One of the 'esoteric' practices of MI6 was to have this woman repeatedly raped by the chosen sperm donor in order to get her pregnant. After a short amount of time (enough to check that she had been 'fertilised'), they would then break into her living quarters and force her to abort.

Also, MI6 male officers and agents are trained to rape their female agents into obedience. This is to do with the effect on the brain. Repeated rape has a very damaging effect on the spinal cord and brain - the 'alarm signal' up the nervous system to the brain eventually cuts it out. It is based on the 'black arts' - controlling another person by their 'kundalin' i.e. their basic life-force.

This practice was used if an agent had begun to question or

disobey orders.

It was not limited to female agents either. If a male British Intelligence operative stepped out of line - the same would be done to him - this is probably even more harmful as the rectum is nearer to the spinal cord.

Do you remember the 'flowerpot men'? Those puppets on a string...controlled by little weed, the sunflower?

Well, they have all fallen off the wall now. Every one of them. Rimington, Manningham-Buller, Scarlett and the 'electric eel'.

Surely you remember him? The Ely - he is still mind control programming in Manningtree, along with Pat Andrew (High Priestess) and Tony Green - that malevolent, little dwarf who is currently terrorising Acorn Villages Ltd.

SIS keeps a tight control on all of its experimental rejects from mind control programming.

There are a fair sprinkling of their operatives (mainly from the sister service - MI5) acting as gatekeepers in institutions such as Acorn Villages, MIND (let us namecheck 'Brenda' and 'Bob' at the Ipswich branch)

These people are put in place, to make sure no investigation of SIS mind control programming crimes, is possible.

Isn't life unfair? So much work to cover it all up and so easily undone.

'Crisis' also have what they call mental health workers to keep an eye on ex-servicemen and women who have gone AWOL and who SIS/MI5 do not want to go missing. They would prefer to check up on them and preferably in institutions where they can safely 'disappear' eventually. Unfortunately for SIS, NHS mental health facilities are now so overcrowded that this is not possible and therefore they now have a big problem on their hands - it is all getting out of control and the information is leaking out.

Funny how many 'deluded' people they are around, nowadays. People who misguidedly think that they once worked for SIS/MI5 as agents.

One of the 'grinds' of the job that Tomlinson most hated at

MI6, was the ever-increasing quotient of agents that SIS wanted trained up.

Expansion was the name of the game in the 1990s. 'Trained up' meant put under mind control.

These people were then used without their conscious knowledge. They were not paid to do the jobs they did. This wasn't cheap labour - it was slave labour.

When these victims of Alice in Wonderland mind control, began to wake up (remember what they had been ordered to do in dreams and then flashbacks), they were labelled as 'deluded' and SIS/MI5 denied any knowledge of having recruited or trained them.

Anyone who wishes to do some valuable research into SIS mind control, need only be 'down and out' in London for a week, to pick up on the accounts and stories.

George Orwell wrote 'Down and Out in London and Paris' from his own experience before writing '1984' and what a prescient novel that was to become.

MI5 got Orwell in the end but not before he managed to get published.

Nowadays, it would be better to take Tomlinson's route and publish abroad.

SIS now controls most UK publishing houses as 'fronts'. Hence the plethora of trash in our bookshops. So much 'choice' but no real choice. The USA, Russia and China are the best bets to find a publisher.

Has anyone read Andrew Marr's appallingly bad novel 'Jonathan Strange...'? It was co-written with his wife. Her photograph (taken about 30 years ago) is on the flyleaf of the hardback. They chose the pseudonym 'Susannah Clarke' to publish under.

Read this novel to find out how deluded and downright insane some agents become. Marr really thinks that he is a 'magician' - no joke. He has been working for P2 for years.

The high-level Satanic branch of the Masonic Illuminati, which is incidentally no longer under SIS control. Guess who runs it now?

Ely? One of the Royal lackeys.

You think that the Royals themselves didn't get their hands dirty?

Visit Princess Anne's house at 18-19 Marine Parade, Dovercourt, Harwich. She was programming new Intelligence recruits there, during the 1980s.

Those of you familiar with Alice in Wonderland will know what I mean when I say that she was programming new recruits with 'mirror-work' in this house - an MI5 officer facilitated this procedure normally, along with an MI6 counterpart.

The basic mind control programming process used the usual methods - 'wearing the crown' i.e. metal band to give an electric shock before and after the programming (to implant it into the subconscious) which consisted of positioning a recruit near to a long mirror but so they could not see their own reflection.

Then telling the recruit that they did not exist, that they had no identity other than as a slave to the Monarchy.

Princess Anne then stood in front of the mirror to show the recruit that the programmer in their subconscious (on the 'other side of the mirror' i.e. double-life of a mind control slave) was in control of their life from that point on.

Obscene bunch of animals.

The 'tower room' in the Tower Hotel, Dovercourt, Harwich.

M-B and her Royal companion watched as the male intelligence recruits were drilled in how to carry out the ZCHTZ abortion procedure.

The young woman had been scalded in the bath and was now tied to the bed. The windows were open and she was naked, rapidly going blue with cold and shaking so much she almost got free of the restraints.

Under mind control, she had been ordered to keep silent.

ZCHTZ victims had been put through so much torture beforehand, that they knew that if they made a sound, they would be tortured even more than they already had been. Like Pavlovian dogs, their minds and bodies knew how to keep

silent, even through the most disgusting and obscene ordeals inflicted upon them.

The 'extraction' commenced. The young men were told by the Royal, that the young woman was only an 'animal - just a frightened animal'. Their response to their orders was directed in those terms.

The women are then instructed to remember the horror as a 'bad dream' and invariably they do.

The nuns in the Russian compound in Ein Kerem, Jerusalem were instructed to view the entire process from forced impregnation to abortion in biblical terms i.e. a night-time 'visitation' followed by a 'demonic attack'.

Welcome to 'the other side of the mirror', in Alice in Wonderland mind control programming.

Why not call round and ask a few questions? Better still, most of it is on view from the road - corner of Bay Road onto the front.

Why not check into:

The Crown, Manningtree.

You can spot every SIS/MI6 banking fraud going, by simply following the gaze of the golden Egyptian pharaoh perched above the bar to the rafter opposite, upon which is pinned every single grubby note.

The first one is a British pound from the Cayman Islands. Remember that scam? Rimington was supposed to have exposed it.

MI6 weren't just liars, cheats and thieves - they were also number fraudsters, murderers and paedophiles in their ranks. All part of the Illuminati game. What a sick game.

The Cliff Hotel

Easy - they are all in Harwich.

While you are at it, why not check out beach-hut Number 11: the Soldier's Retreat, near to the Low Lighthouse (another programming site which is now behind barbed wire and bars - wonder why?).

Having done that, you might like to walk left along the front until you get to beach-hut Number 208 in Dovercourt. Far enough away from 'civilization' for the wind to carry off any screaming or moaning...

In addition, check out the 'white diamonds' on certain huts - only for the brave.

Check out the islands off Harwich and The Naze.

A lot of history was covered up here in WWII.

Churchill had to get the locals to get rid of the dead bodies of German soldiers who had managed to land.

It is all coming out now.

The 'Harwich Force' was under Royal Arch Masonic control and NOT governmental.

Harwich was the most suitable port to be used for the Royal Navy. It was the one closest to the German coastline.

The Harwich Force was supposed to be 'responsible for preventing enemy vessels from passing unobserved or unmolested in the area of the North sea bounded by the English, Netherlands and German coastlines.'(According to the Low Lighthouse Maritime museum which was a SIS programming site but is now behind barbed wire and bars.)

How many did they let pass 'unmolested'?

This was a Royal 'rat-line' for their Nazi counterparts in Europe.

The Satanic Mills?

The windmill has long been a symbol of the British Illuminati.

It is a substitute Swastika.

A few examples from mind control programming scripts and artefacts used by SIS include:

1. Don Quixote, who fights the windmill sails (Swastika/fascism) because he is 'insane' but then recovers his 'sanity' to go off travelling around the world as a pirate/smuggler...you name it...MI6 officer training prototype role.
2. Note the Swastika SS (lightning) insignia on the Montefiore windmill in Jerusalem. No accident - Rimington pointed it out to our team on the Royal Arch Freemasonry course there.
3. Check out the scary 'Teletubbies' toy windmill which begins

to whirr in the programme...along with the nautical tannoy which surveys and then orders them around.

Most SIS programming sites have a windmill artefact somewhere around because it is one of the most potent, subliminal images of the Swastika.

Why don't they just use a real Swastika?

That's the whole point of mind control - it is subliminal and reinforced by seemingly innocuous imagery i.e. the WINDMILL.

Ever seen CBBC's children's programme: 'The Best of Friends'?

In the last episode, a team of five girls were given a choice between the 'red and the blue' (tongues)...this is SIS 'hot and cold' programming.

They were then given a choice between 'trick or treat' (SIS 'halloween' programming).

Finally, the two unlucky ones were made to clean up and change the lightbulb in Lowestoft Lighthouse.

The LIGHTBULB and the LIGHTHOUSE - two more potent symbols of SIS mind control programming.

The LIGHTBULB = ECT to lock in programming.

The LIGHTHOUSE is a programming centre.

Each mind control slave has what is called MI6 'beast computer' programming put inside their heads.

In order to de-programme, one has to unscrew the lightbulb because this is what 'powers the system up'.

These girls were being asked to change the lightbulb and then turn the Lighthouse bulb on i.e. activate programming.

Another programme directly after this was 'MI-High'.

A group of schoolchildren are apparently working for British Intelligence in this programme. Their goal is to defeat the 'Grand Master' who appears hidden on camera, with an upper-class British accent, stroking a white rabbit called 'Flopsy'.

The white rabbit?

Alice in Wonderland mind control programming. The 'white

rabbit' is a mind control programmer. The 'Grand Master' = the Masonic Lodge Master.

The joke in MI-High, is that the kids are actually being instructed to fight MI6 mind control programming whilst being told that they are working for British Intelligence.

How oxymoronic/paradoxical is that?

Just like the MI5 Russian teams who were told by Manningham-Buller that they were all communists fighting for the New World Order, whilst the rest of the world thought that MI5 was supposed to be fighting the KGB in the cold war.

May I add a few more to the list?

The Magic Roundabout (SIS carousel programming.

Yellow Submarine (The Beatles were the first SIS experimental 'boy-band' under mind control.)

Teletubbies and any other programme by Ragdoll Productions (note the symbols used in programming on their heads.)

Noddy ('red and blue' car/body programming i.e. Pavlovian dog responses.)

You only need to trace the path of Teletubbies as an export around the world to see how far the long arm of SIS mind control reaches.

It has to be stopped now. ADD, autism and epilepsy are now reaching alarming levels amongst the younger generations. The results of SIS experimentation will eventually enter the genetic chain and then we will all be done for. The Royal Genome project and SIS mind control experimentation has to stop NOW.

Andrew Marr has helped to torture, abuse and rape - not only women but their children as well. He is part of the 'Humpty Dumpty' cult, otherwise known as the 'Dark Lily' cult or the St John 'sign of five' MI5 Freemasonry cult.

Marr is part of the P2 paedophile ring which is currently operating in Europe. He has forcibly impregnated women under mind control and then put them through the most terrible abortions, threatening them afterwards with more torture and certain death if they speak out.

Marr takes his children on holiday abroad to initiate them into the Illuminati rites i.e. he has shown them other children being raped and murdered in front of their very eyes, in order to indoctrinate them into the value of 'silence' and what will happen to them if they speak out about the horrific crimes of this cult.

Now you know why nobody ever talks about this but it has to be exposed or it will continue.

The Masonic cult of St John ('sign of five') in British

Intelligence:

The esoteric 'mystery' of this cult was shown to the new British Intelligence recruits by the cutting open of a heavily pregnant sow. Her babies were torn from her womb and dismembered.

Where did this cult originate from and why?

The Johannites worship St John and in their early churches, they idolised the Magdalene and not Christ.

The symbol of this cult is 'X' in the 'de Molay' system.

It doesn't just mean FUCK (fornication under consent of the King), it is emblematic of birth, life and death.

It also represents the tearing out of unborn children from a mother's womb.

How else would the early 'scientists' (e.g. Leonardo Da Vinci's drawings) have worked out the mystery of conception, child-bearing and birth?

This cult has been experimenting with women and their unborn children for centuries and at every stage in process from conception to giving birth.

In the 20th century, the St John cult continued its diabolical practices because of the shortage of human zygotes.

The Royal Arch Freemasonry Genome Project.

They elevated their obscene procedures with rites and rituals.

Instead of paying women to be surrogate mothers on the black market (where at least they might have been given an anaesthetic and hygienic conditions), the Royal Arch Freemasons and the cult of St John (part and parcel of the same Masonic order) decided to 'do it on the cheap'.

These barbarians selected women according to their DNA and then used and abused them in the most obscene ways imaginable.

Their rites and rituals could be construed as 'high-level Satanism' but that is peripheral.

The main point is that this was the Royal Arch Genome Project which was authorised by the British Monarchy and carried out by SIS.

This disgusting project is still in operation today and it has to be stopped NOW.

Can he be serious?

Everyone who has ever had the unfortunate experience of knowing the guy at a social level or in the workplace, knows what a liar, cheat and downright criminal Marr has been, for all of his professional life.

The public have yet to find out and I hope this comes out in the trial.

The subsequent publicity can only be to the good, in exposing such a monster.

The very idea that Marr would dare to get up in court and try to defend himself against the indefensible (he is an inveterate liar - even to his friends) is absolutely laughable.

You haven't mentioned the 'de Molay' 20th Century additional meaning, added on to the 'X' symbol.

It now signifies the 'X' chromosome in British Freemasonry. The female chromosome which carries most of the 'intelligence' and 'memory' of DNA coding.

The 'Y' chromosome represents the crucified Christ and as such, no big deal - it doesn't carry so much information. '

Why was this 'X' a big joke amongst Royal Arch Freemasonry?

It symbolised a woman tied to a bed in an 'X' shape as they sadistically tore her living foetus from her womb.

I talk from experience - I was forced to watch one of their 'rites'. People have to start exposing them for this because if this isn't done, then they will continue under a blanket of secrecy.

If Andrew Marr wins any court case by denying his involvement in this St John Cult, then this will be a Satanic blow against any pretence of justice or freedom in this country - never mind human rights. Marr was and is one of the main perpetrators of this cult.

The Naze

You mean the tower built circa 1721 at the end of the peninsular?

A shameful and horrifying history:

The early British Masonic slave-traders used this landmark for their Ashkenaton (Egyptian Pharaoh) rites which involved the sacrifice of black slaves. They then made totem-poles out of their heads.

The Jewish converts from Aram (Armenia) and the surrounding regions, brought the worship of the primitive goddess Ashken to the attention of the British.

Ashken was the goddess of underground springs and the earliest known deity in the area. 'She' also demanded human sacrifice.

A new rite was created which incorporated the male and female deity: Ashkenaton and Ashken.

Ashken on The Naze.

ASHKENAZI

The term was used in the early 18th century by this Masonic cult of slave-drivers.

Later on in the century, it became a specialised term for the Jewish converts who had settled in Germany and the surrounding areas.

I pity the Ashkenazim who are not part of this cult and are 'true' Jews who practice the real Judaism because this word has such terrible historical associations.

So, I take it that Andrew Marr as a British Intelligence operative was involved in one of these human sacrifice rites on The Naze?

Also, that the Americans have his DNA to prove it? If so, that would mean that he was actively involved in the murders because his DNA would be mixed with the victims, wouldn't it?

Who else was involved?

Can we name names?

An overview of the Ashkenaton cult:

Now commonly known as the 'Ash-hole Show'.

Why?

The Ash-hole Show is now commonly available (for adults only, on video) and downloadable from the Internet.

Various espionage agencies have decided that the best way to stop this cult is to make it public.

In addition, having the material in the public domain means that it can be used in court (Andrew Marr hasn't got a leg to stand on).

You wouldn't believe some of the famous people caught on camera!

The faces of their victims have been hidden to protect the innocent.

I guess that this is a warning to any of the regulars on the Ash-Hole Show, that their sins have found them out! Particularly if they go to court. How could anyone defend the indefensible in regard to such psychotic and deeply subnormal behaviour?

Fun, eh?

**February 9, 2007 at 1:41 AM**

I agree - wonder what their next move will be, heh, heh.

Anyway, the Ashkenaton cult worships a female deity which someone refers to as 'Ashken'.

Is this an amalgam of Ashteroth and Anahid?

The earliest pagan goddesses to whom child/human sacrifices were made, as well as bloody sex rites.

Anahid was the goddess of the Ashkenazim who had lost their faith in Judaism. They then decided to worship this primitive goddess of volcanoes. She is the earliest known Babylonian goddess (Armenia).

The Ashkenaton cult also worship the Egyptian deities:

1. the 'Ram' god which was the earliest Egyptian idol.
2. ISIS - which is the revered goddess of SIS i.e. MI6.

3. Ashteroth - the earliest Semitic fertility goddess.

He is currently 'hidden' in one of the three Sephardim schools in Jerusalem.

He goes by the name of 'Sharon' or 'Aviv' depending upon who strikes up a conversation with him. His false police ID card from his youth, gives the name 'Aviv Yichzak' (not sure about translation of surname but something similar).

He is a nice, kind and intelligent man. He has also had a lobotomy. Note the small scar on his scalp on the lefthand side of his head. He claims to be in his early thirties but is in fact, around 41 years of age.

Josef has no idea of what is planned for him. He is under mind control and doesn't appear to know a thing about his programming.

The Magdalene's story:

I was recruited into British Intelligence in 1979. I was then used and abused as 'zygote' from that point on.

I was also programmed by this Masonic cult to annoint the anti-Christ and then Messiah.

The Royal Arch Freemasons have a very eclectic view of world religions, picking and mixing the very worst and most barbaric rites to suit their obscene tastes i.e. ritual murder and S/M torture - not to mention paedophilia and child sacrifice.

They chose their 'anti-Christ' in 1979. A young Russian officer from the KGB called Mr Putin.

He was 'annointed' in 1993 and rapidly rose up the ranks of the KGB to become spy chief. Later on to become acting Prime Minister of Russia and finally the President.

Mr Putin was programmed as the 'anti-Christ' to attack Israel in the Ashkenaton cult's endgame. (They have been planning this for so many years.)

Luckily, Mr Putin broke free from the Royal Arch Freemasons in 1994 and this bodes well for the 'free' world.

The Ashkenaton rite in 1980 on The Naze.

Let us look at this in more detail:

Stephen Daldry castrated a black man and then helped Andrew Marr and Richard Tomlinson to behead other victims of the cult, on this island.

How and why?

They were supervised by Stella Rimington, John Scarlett and Eliza Manningham-Buller who had an SAS guard with them.

The young British Intelligence recruits who were forced to attend this night-time ritual were told that if they tried to swim for safety that the currents would take them out to sea. One young man tried and was never seen again by the other recruits.

The others were forced to watch this insane and diabolical rite. It was based on 'Peter Pan' mind control programming and those named were playing the 'lost boys' - a sort of Lord of the Flies enactment.

The victims were illegal immigrants who had been captured by the Royal Navy, trying to enter the UK via the East Anglian coast.

Daldry, Marr, Tomlinson and the SAS, disposed of the bodies by throwing them out to sea. However the SAS thought that the severed heads might float back onto the beaches and therefore buried them.

They had been made into a 'totem-pole' by Stephen Daldry.

You think that is bad?

The same people also murdered veteran members of the SOE.

Why?

These brave people had discovered the existence of the Ashkenaton cult after meeting one of the young British Intelligence recruits at one of their annual gatherings. The recruits had been sent in as a training task, to mingle and identify who George Millar was, without attracting attention. The young woman who found him, got rather drunk and told him that they were being drugged and put under mind control. She was tortured afterwards because of her 'indiscretion'.

She and her peer group were then forced to watch the murder of individuals from this group who had voiced their concern to SIS over the training of young recruits.

The SOE veterans hadn't quite worked it out. SIS/MI6 had been their enemy from day one. They contained the fifth column of UK Nazis who had never disappeared but continued to proliferate.

The SOE had been assimilated into SIS/MI6 after WWII and the SAS was born. Safely under the control of MI6. No more independent 'armies' to fight the Nazis.

Where did the Ashkenaton bury the bodies of their victims? Take the B1414 out of Thorpe-le-Soken and turn right just before the cottage which sells old-fashioned ornaments. Go past a huge manure stack on your right and continue straight on until you come to a ditch. The wood beyond is MI5/MI6's 'potter's field' as they call it. The graveyard for traitors to the Ashkenaton cult.

They are still using it to bury people today. The manure heap was used as a temporary place to keep the bodies before being transferred for burial. They were put under a tarpaulin. The thinking behind this was that the incredible stink of the heap would put anyone off discovering them.

Isn't Blair the new priest Melchizedek of the P2 satanic Catholic division of Royal Arch Freemasonry?

Now, why would the Ashkenaton cult revere this priest in the bible?

Easy.

He came before the Law i.e. the 10 commandments were given to Moses.

British Intelligence have always taught their recruits that they are above the Law and so it kind of makes sense to worship a priest like Melchizedek, doesn't it?

I mean, if you have either broken all of the 10 commandments or intend to - what is the point of Moses and the Law?

Far better to chose a priest who has no connection to any such drawbacks or liabilities.

In addition, Melchizedek is described as being like a son of G-d.

Jesus Christ is described as belonging to the order of Melchizedek and not a descendent of the first priest Aaron - to whom Moses gave the 10 commandments from G-d.

What does that tell us about sons of G-d?

Melchizedek gives Abraham bread and wine as a gift.

Jesus tells his followers that after his sacrifice, that they should eat and drink bread and wine to remember him.

All VERY pagan to me.

The earliest priest/kings of the sacred groves were murdered/sacrificed in fertility rites and a new one was then chosen. The whole thing has a suspiciously druidic feel to me.

However, the main point must be that the Royal Arch Freemasons and British Intelligence decided that Melchizedek was a suitable role model for those who had no interest whatsoever in obeying the laws of this country and it shows.

Re: 'Sharon' or 'Aviv'

The name he goes under nowadays (may even have been his 'cuckoo' cover name since 1980) is: Yitsach

(You can translate it from the Hebrew as Yitsak.)

The British Intelligence bastards used to call him: 'tic tac'.

Tomlinson, Daldry and Marr all dressed up as Chassidim with 'tic tac' to do quite a bit of mind control programming in Israel 1980, concerning the 'end of days' scenario i.e Armageddon.

MI6 were programming people with 'cosmos' and 'prophet' mind control programs in order to literally control the future of the world.

They have failed.

'Tic tac' fed them a whole load of gobbledy gook concerning mystical Kabbalah and they all learnt it by rote, thinking that they were being initiated into the higher mysteries.

They weren't.

The basic idea behind the 'yellow' team (British Russian Jews) involvement with the Royal Arch Freemasonry satanists was that they would pull out at the last minute (when they had become powerful enough) and worship G-d rather than the devil. Putting a stop to the sick Royalist plans, commandeered by the St John cult within British Intelligence i.e. to implement St John's Revelation.

I hope that this is still the 'yellow' team's plan...

Tomlinson is aware of the whereabouts of critical evidence concerning the MI6 operatives/Royal courtiers who were staying at THAT hotel just before Princess Diana met her doom.

What is that evidence?

Videotapes.

Every spy agency worth their salt was trying to bug that hotel in order to get the goods on the politicians and notaries who stayed there.

The question is: which agency has those tapes?

How much are they worth?

Answer: more than Mr Fayid could cough up, poor man.

This will all present an interesting legal conundrum eventually regarding Royalty and murder.

MI6 are now simply trying to stave off the day by persecuting Richard Tomlinson who is certainly NOT the only person who knows about this particular piece of evidence.

The whole show just gets more and more interesting!

Toshiba - old-fashioned design, very heavy, smaller than a normal laptop made to look old fashioned so that no one will think about stealing them.

In addition, laptop is a seedy looking colour - off cream/grey with 1950 in red on it - supposedly to show the date of make. The Intel logo is present.

However, there are a huge amount of extra details on these computers and a coding device which is utilised by 'Overlay' and the Fn key and Esc - whilst using the Functional keys.

Apparently to get one of these laptops to trigger the bomb:

1471 507 has to be tapped in - using Fn key and function keys.

Although sources differ on this one and prefer 1679 507.

They are using Marlett script to code and decode their messages.

The S SH is symbolised by the first story in 'The Complete Illustrated Stories of Hans Christian Andersen'(The Silver Shilling.

The book you should buy is from 1983 - reprinted in 1984 by the Chancellor Press (printed in Czechoslovakia). Translation by Dulcken.

The book contains all of British Intelligence's mind control

programming codes. They follow an alpanumerical system of mind control programs which are symbolised by a code given at the bottom of every corresponding righthand side page e.g.

'C' programming is on:

P18 - c2  
P385 - cc  
P387 - cc2  
P753 - ccc  
P754 - cc2

The S SH is an aristocratic Nazi cult from Scandinavian/Germanic countries - read 'The Story of my Life' by Andersen to get an idea of how this cult was spread worldwide by Illuminists.

The Americans worked the code out and used it back on them...the Jews in the early state of Israel did the same thing and developed a counter-code using the S SH on the Jerusalem Palestinian Prison typewriter to signify 'China-house' i.e. Shin Beit. The S and SH of the Hebrew language.

Check out the FBI records on Scarlett:

What was his original HOOK that got him so deeply embedded into UK Illuminati culture?

He murdered the nanny of Lord Lucan in the 1970's. Lucan wasn't actually involved. Scarlett got it wrong. He was under mind control at the time.

How we all laughed on his training sessions when we heard that one. Not funny, really. We were all in the same boat. Each had something terrible attached to us, in our past.

That is all part and parcel of the Illuminati contract. Young people forced under mind control to commit murder when young and then later on, picked up by British Intelligence to be used and abused as they wished - as loyal servants of the British Crown.

One can only hope that by exposing these HOOKS, that some sort of AMNESTY can prevail.

If these people are freed from the demonic Illuminati contract by exposing their HOOKS - one can only hope that they will come forward as a sizeable and influential body of political and public figures, in order to put an end to it.

Here's hoping.

Update:

Dr Joanne Collie is David Icke's programmer. She is the main UK Nazi behind the ILL-uminati cult who has decided the Royal Family are a public embarrassment to the cult and have to be removed?

Ever wondered why Mr Icke is so well-informed AND deadly accurate in most of his information? It has all come from British Intelligence archives and files. However he is NOT correct on Judaism or Israeli Intelligence Services in general.

Collie's agenda is an Islamo-fascist one. She is insanely anti-Semitic. Islam is currently being used as a front for the NWO. Islamic leaders have been promised world domination if they continue to obey the Nazi cult. In the main, they have all agreed.

If you sup with the devil, you need to use a long spoon - as the Jews found out when they made a deal to get their homeland back.

The Islamic peoples will find out the same thing. The NWO won't profit them at all - quite the reverse.

Fascism is the key point here:

Islamofascism has let in the international club of terrorists into every Arabic State in this world. Their fascist leaders have more in common with the Bush clan and the Royal Family than their own people.

If these States had been able to stage a revolution and to institute some sort of a democracy - Bush and his associates would NEVER have been able their connections to infiltrate their countries and to use them as NWO fodder.

Islam has to reform - become a democratically based religion or it will fall. It cannot protect its own people otherwise.

Only democratic countries can put in enough blocks to prevent the international Nazi brigade from forming fascist States.

The 'NEPHILLIM WATCHERS' explained:

The ILL-uminati cult had decided to create 'unfallen' creatures...those angels of ancient times...those referred to as the 'two-backed beast'...the male and the female incorporated into one being - before they were split apart, put into the garden of Eden...and then came the FALL OF MAN.

How did they do it?

They experimented with the chromosomes...using firstly 2X 1Y...which didn't work...then finally using 4X 2Y which did work - resulting in 'higher consciousness' with the associated 'psychic gifts' of telepathy and the ability to see past, present and future altogether.

There were many 'failures' in this genetic experiment but some successes.

**March 28, 2008 at 3:32 AM**

In addition:

A man with 4X and 2Y will have 3X and 1Y dormant - so as to appear a 'normal male'.

A woman with 4X and 2Y will have only 2X active and so also appear to be a 'normal female'.

THE AGE OF THE TEMPLARS is now over.

They represented the 'warrior' cult - the 'fishing King Fisher cult' - the Naval/nautical cult of those who sailed overseas to war.

THE AGE OF AERONAUTICS is now here and it will be an AGE OF PEACE.

Look at the story of Esau and Isaac.

The civilised world depends upon 'farming' communities to civilise it and NOT warrior cults -such as the mythical Atlanteans, opposed to the Lemurians.

The ILL-uminati cult is an Atlantean Templar cult. It will destroy the world if higher consciousness is not reached.

Islam and Christianity hid the fact that at their heart, was the secret knowledge of mind control.

The Templars hid this successfully for centuries - whilst experimenting with creating 'sons of G-d' i.e. the Nephilim.

The Templars teach that both Jesus and Mohammed were Nephilim.

Christianity and Islam have a close correlation to slavery historically. They spread their religions all over the globe and wherever they exported these religions - slavery followed in different ways. That is because the heart of these religions hides the fact of mind control.

Theta brainwave level is the lowest level of human consciousness which the Templars use to create mind control slaves.

They implant their sea god and goddess visualisations into the minds of their slaves, at this level (as well as the 'figure of 8' the Octopus of the MI6 carousel programming to defend these evil idols of the cult).

Everyone who has been programmed by them has to wipe this level clean or else they can be run as mind control slaves of the ILL-uminati cult.

MARY AND JESUS...

MER - sea  
MERE - mother

Mary is neither an Arabic or Hebraic name - it was a name made up by the Templars. This is all about the worship of the mother sea goddess and little else in Templar terms.

Jesus is the same - the Hebraic name is Yeshuah.

Current stats on mind control in the UK:

1 in 10 has now 'woken up' after having been under mind control for the last 40-odd years. Most wake up in their forties.

Prince Charles has begun an insane initiative to 'arrest' these people.

I suppose the only way that can be done is on 'terrorist suspect' charges, where one can now be held for up to 42

days. Enough time to torture the victim into submission and try to reprogramme them again.

D-Day for this initiative is May 14th although it could be brought forward sooner.

Hence this warning - even if you are dubious about this advice - better to be safe than sorry - take a long holiday around this date.

Worse may still come...the UK is currently in quarantine and may be bombed if the Royal Family continues in their insane bid to turn the UK in to a Nazi State. That is their agenda via British Intelligence, the 'Brownite' government and also the CPS (Crown Prosecution Service). You have been warned.

International retaliation will be deadly - rather like the Asian Tsunami - you won't know until it has hit you. Patience has run out with the UK and it is all coming to a head now.

'Toad of Toad Hall' programming.

Join the dots.

Minatour in the Labyrinth programming in the Jerusalem tunnels to protect the Crown Jewels.

The 'Ruby' of the Crown was India, where colonial mind control programming began 'mass production'. Read E M Forster's account from his 'mother of darkness' contact 'Mrs Moore' in 'Passage to India'.

The Ruby or jewel in the forehead of the toad in Hans Christian Andersen programming.

No jewel - just a bloody hole.

The crimson mess left after the 'needle through the eye' which all ILLuminati slaves were put through.

Why? To extract most of the pineal gland. The PG...pearly gates...the 'pearl' or 'soul' of a victim.

The pineal gland grows back eventually and this is why those

in their 40s begin to regain their memories. If this is found out - you pay another trip to 'Flat 1'.

April the 1st but not joke (and certainly NOT after 12pm).

The Crown was extracting the 'pearl' or Pineal Gland from their slaves.

If you want a visual image of this in esoteric terms - check out the album cover 'weak from crying' by Al Gromer Khan.

You can see the 6 pointed turquoise star (symbolic of an Illuminati slave).

The crimson red triangle (extraction of pineal gland).

The horizontal crescent white moon (next stage in the process of the removal of almost all of the pineal gland).

The 'full moon' to the right which denotes the 'soul' or pearl of the mind, extracted.

The crimson triangle is often called 'The Bermuda triangle' by mind control programmers, where all memories of Illuminati programming (torture and abuse) are lost.

The orange sign of Uranus refers to the 'lock' put over this type of programming i.e. repeated anal rape which makes the ILLuminati slave disassociate if they even go near what has happened to them in their heads.

Here are the mind control codes for the Templars of Prince Philip's Illuminati cult. They 'run' an 8 year-old boy alter who believes himself to be a young Arabic Prince of ancient times:

TUTANKHAMEN

You can find all the codes as ISBN numbers (what else, with MI6?) in the following book:

THE DANGER ZONE: AVOID BEING TUTANKHAMUN!

David Stewart (ILLustrated by David Antran)

1 3 5 7 9 10 8 6 4 2

THE SALARIYA BOOK COMPANY LTD.

There are a huge amount of ISBN numbers so I will start with the 4 at the front and then go on to the barcode on the back:

This is an 'elite group' of the Golden Chain at work - in short, it is

Prince Charle's Templar group who have been given separate codes, to

work against his father's men who are still trying to put Princess

Anne onto the throne, after his mother. You can hardly believe the

insanity or petty power struggles internally, of this family.

The 'Egyptian Pyramid' book is relatively the same old shit pictorially, about how to create a 'mummy alter' slave in the same sort of way as before but this time the coding given, is different.

So this is the elite and MOST recent code for COBRA slaves aka

TUTANKHAMEN slave:

978 0 7496 7916 3

There is no point in saying that I have 'transgressed any security laws'

here because in fact, I am pointing out that if Israeli Intelligence knows...  
then quite a few other agencies fighting the ILL , will also know i.e most  
of the rest of the world and so I am doing the ILL a favour by blatantly  
pointing this one out.

I will also point out the other books in this series and their codes:

They all follow the generic beginning of:

978 0 7496 7916

...and then have one last digit which is different e.g.

TUDOR THEATRE: 0  
WORLD WAR II BUNKER: 2  
EGYPTIAN PYRAMID: 3  
MEDIEVAL CASTLE: 6  
ROMAN VILLA: 7  
INDUS VALLEY CITY : 9

There appears to b no chronological order here...so how were these subjects  
chosen from 1-9?

The 'devil' at number 9 is the INDUS VALLEY CITY - this isn't about the  
Aztecs again, is it?

I haven't come across a 0 level before...the 'carousel' is 1...and so 0 might  
be their front alter...their profession...as 'puppet politician' or 'theatre director'.  
'THE WORLD IS A STAGE AND WE ARE ALL PLAYERS' as Shakespeare  
once said.

Has any one mentioned the abbreviations for the computer codes that 'run' the computer of an Illuminati slave's mind?

The system works in this way:

It is a series of computer commands and quite lengthy ones which neither the programmer or slave can necessarily remember unless in a deep state of consciousness and so an abbreviation is used.

Every command begins with two letters.

The very worst commands being with 'Z'.

They then go through the whole gamut of the alphabet:

ZA:....and a string of computer code...

ZB: ....

ZC: ....

AD: ....

AE: ....

...and so on until you get the final and most deadly command

ZZ: ....

Naturally the first and most innocuous codes begin:

AA: ...

AB: ...

As I went through the Z series in my mind...immediate words and images that had been used as a 'reminder' of each string, came up...and I realised that none of these were now effective upon me, at all.

The last ZZ command is up to the Illuminati programmer in question but ZZ TOP is often used as an innocuous reference in general conversation to that 'joke pop group' or perhaps in less public surroundings - a reference to the demon PAZUZAZ.

It is quite amusing really, the Catholics were right all along about their theory of transubstantiation (i.e. we are really eating the body of Christ and drinking his blood) and the Protestants were entirely wrong in their theory of consubstantiation (we only do this symbolically at a metaphorical level).

During Satanic Catholic Illuminati programming, you are taught to be a cannibal - to drink the blood of others and to eat their flesh in those evil atrocities that the Royal Family and British Intelligence call 'rites'.

What is more - they all believe that this is what the original disciples of Christ really did.

So the Catholics have been upfront about it all along and everyone turned a blind eye. How dumb is that?

**April 25, 2008 at 4:23 AM**

Yes, but Jesus didn't say 'eat my dead body and drink my blood' to his disciples, did he?

He said do this 'in remembrance' of me.

So who conjured up the idea that they were all cannibals?

The Saint John cult?

**April 25, 2008 at 4:24 AM**

It is an ancient belief, according to the Illuminati - that everyone has to eat a piece of the old 'magus' in order to gain his powers.

They figure that Jesus was one of those - as was the 13th Tibetan Lama Rinpoche - they did the same to his body.

The Illuminati tend to think in 13s and Jesus was the 13th one of his group.

In spiritual terms, what these cannibals are really doing, is opening themselves up to possession.

It is now widely taken as a given that if you have a transplant of another human being's organ - that you may easily develop some characteristics of that person. This isn't esoteric nonsense - simply what 'dominant genes' do within the body - they tend to take over.

From my experience, 99% of the Illuminati that I have met, are weak-minded fools. By eating other people they simply

open themselves up to be taken over by those with more dominant genes.

On a more serious note (who cares about the Templar mind control slaves?) let us look at the 'naval intelligence' HH codes which are being used to run 'clinical coding' at the NHS. The Templars are an extension of this 'fishing cult' as are MI6 (who evolved from Naval Intelligence - currently run by the sickly Prince Philip.)

For an example of how high up this coding of data goes:

check out your European Health Insurance card.

All Illuminati slaves will have a long first number for 8: identification number of the card and the last two digits represent their 'expiry date' or 'shelf-life expiry date' or their planned 'death date' if you prefer.

In addition, number 6 Personal Identification Number gives you your 'self-destruct' code. Remember that, if your programmer gives it to you in general conversation as a 'telephone number'.

**May 2, 2008 at 7:38 AM**

Anonymous said...

This is so funny - I know what 'death date' they gave me and my 'expiry date' IS on my card BUT because I had lied about my birthdate initially on MI6 training - they are a year out for my planned 'death' - I was told that would be at 64 years old but it is registered as 63 years old in terms of the 'death date' given.

Doesn't that prove that they are all just a bunch of idiot robots who can't even run their own evil data systems accurately? Plus the fact that they can't change them when presented with the real data.

Those who CAN do...but the little robots can't even do it to their own systems. Incredible.

Here is the 'enigma' code for the MI6 microchip. I know nothing about how microchips operate but this one is square - a cross divides it into four symmetrical squares. Each has 'black kidney shapes' on the outside (no idea why).

You can check the 'magic' screensaver on Microsoft WORD 7 which at some point - has a cartoon magician who creates an experiment which hits this microchip with turquoise lightning.

Anyway the details for the microchip are as follows:

You have 7 dials in a row.

When every dial is set at '0' which is at 6 O' clock we have an upside down number on the inner black kidney dial at 3 O' Clock.

On each of the 7 dials - the number below is in the same position.

From left to right:

13 2 5 12 13 5 15

However, to complicate matters the numbers above at 'O' on the dial and positioned at 3 O' Clock...are all upside down

(denoting Looking Glass world/Wonderland I suppose).

As you turn each dial - the upside down number will gradually become upright.

I have no idea what to make of this and would love to hear any input on this.

'Black Rabbit'

PS on this Microsoft cartoon screensaver...the magician is walking a maze in the dark...the maze is composed of musical notes (unheard) but signified by the 'bars' of the route and when he stops or disappears. Colours and notes are all part of 'frequency' programming as they correlate.

Anybody want to work out the 'tune' whilst they are at it?

Somebody already has: it is CHE SERA, SERA.

You have to wait quite a time before the wizard reaches his grand 'cellar' experiment but be patient - it is worth it. Scan the ceiling to see the microchip and the pink 'brain' behind it.

Richard Tomlinson took me through the entire new Microsoft package and all of its new imagery and coding for Illuminati slaves but at a very basic level.

The photographs are used as Illuminati symbols.

The 'reconversion' command (right click mouse) is all about making an Illuminati slave into a 'double negative' again - a French word to denote the recycling of a slave, or the 'mutation' or 'conversion' of him/her into new programming.

There is so much more - will post more about it later.

I have to add that the biggest joke of all is that they will all 'reveal' themselves from behind the blue/green Microsoft curtain as the NWO - when the time is right. Look at the tail 'feathers' of light that are joining up at the bottom left of the picture - these represent the different Illuminati groups joining up all over the world after the military juntas have been imposed.

Then you don't know the worst of it yet.

In a cave at the main MOLOCH site at Bohemian grove - there is a safe inside it. Inside that safe is the largest RUBY

in the entire world.

These idiots (who now believe that they are descended from 'space lizards' who once visited the Aztecs and became their gods) are worshipping this RUBY, which incidentally, is about the size of two ostrich eggs.

As far as I am aware the largest ruby in existence is supposed to be the JEWEL IN THE CROWN of Queen Elizabeth but that is miniscule in comparison to the 'monster' in that safe.

Why do the Illuminati worship this stone?

It is symbolic of the damaged and bloodied mess of the pineal gland.

The Illuminati now voluntarily go to have this operation done every 5 years to 'lower' their consciousness rather than to 'higher' it.

WHY?

Because the fools LIKE pretending to be 'space lizards'. They LIKE the paedophilia. They LIKE torturing and murdering other people. They LIKE eating their elite caviare i.e. human eggs. They think that these practices are what 'evolved' and 'intelligent' lizards off another planet would do.

What can you say? What can you do? These people list George Bush, Cheney, Blair, Brown, the Clintons...it is a very long list indeed.

They are all victims of mind control and the biggest fraud out. They are no more 'space lizards' than anyone else on this planet - just hideously deluded human beings.

Richard Tomlinson was privy to a human zygote deal circa 2003 between the Royal Family and the Saudis.

The Saudis wanted what they termed 'white, elite bloodline human eggs' for what Tomlinson described in somewhat fanciful terms as: a recipe for the elixir of life.

Good news for those of us with mixed genes then. We will not be used as surrogate zygote/human eggs slaves under mind control. However, those like David Cameron's wife should be very worried indeed. (If you are married to a Templar, it is more than likely that you will be targetted.)

Those of us who understand 'Alice in Wonderland' mind control will know that these women all have 'child alters' which will have been taught to respond to certain programming commands from especially designed programming texts.

The latest off the MI6/Royal production line is from  
ORCHARD BOOKS:

THE POPPY AND MAX SERIES.

I won't bore you with the details - if you know how to analyse  
these text, then the programming cues are obvious.

Those in charge of this revolting 'literary project' are Dr  
Joanne Collie and her associates at MI6. (Collie currently  
poses as a 'Dr' at Susan Bassnett's research Centre at the  
University of Warwick. Give her a call.) I suppose they all get  
a 'cut in the deal' somewhere along the line and the Royal  
Family are about to make an almost inestimable amount of  
money from it.

Those directly responsible for the production of these  
despicable books are:

Sally Grindley - author  
Lindsey Gardiner - illustrator

Reading Consultant: Prue Goodwin, lecturer in Education at  
the University of Reading.

In brief, the books contain all of the codes for the covert  
practice of aborting girls as young as 11 years old and  
'teaching' them to 'see' their eggs and their womb as  
something completely different e.g. 'everyday objects' like a  
huge oval bar of pink soap in the bath (the aborted fetus).  
Those of us used to this type of horror in terms of mind  
control and hypnotism - know that the girl/young woman will  
be traumatised beyond description - will not be able to  
remember what happened until their early 40s when the  
memories begin to come back.

The main programming command to abort is SNAP. The main  
torture used to make the girl/young woman disassociate is  
dislocation of the knee.

This is all about the Jesuits isn't it? AND the Chinese knew  
that from way back...when they sent me those Jesuitical  
texts...because they had researched their own history and  
found out how interested the  
Jesuits were during the late 19th and early 20th century ( as  
far as I can remember in terms of those texts) about the  
helical risings of Venus in ancient Chinese history...now, why  
would the Jesuits be so interested in finding documentation  
about those heliacal risings?

I asked Israeli Intelligence about all of this and they said - get  
it down quickly - August 8th 2008 - the ILLuminati cult had  
tried to draw down what they see as demonic energy from

Venus in 2001 but messed it up and now the new date for this is August 8th 2008 - NASA is involved and various other space stations...they have now put up a rocket which is planned to explode - part of making contact with the 'devil energy' which they think that they can make contact with from some interaction with Venus... we are all working against this happening...if the rocket does explode then it could create a cataclysmic chain of cosmic reactions...not just involving this planet...all about nuclear explosions in space...

I contacted them again for more information...cannot give anymore away than that but everyone must expose the ILL as much as they can in general...because they are insane...their whole cult has now gone completely crazy...

If one cuts out all of the insane demonism surrounding the occultist view of the 'pink planet'...then what we are left with is simply 'nuclear-testing' in Space...and in a 'vacuum'...no idea what effects that might have but can clearly see that this isn't a good idea -not 'containable'at all...and obviously the repercussions of this, could be massive...

I 'sense' that the insanity of those who believe that they are 'space lizards' (like George Bush) is so great, that they could be thinking in military terms...about protecting themselves from REAL aliens from other planets...hence testing nuclear missiles in Space...

4.) My Family Has Strong Ties To African Freedom - NOT EXACTLY, your cousin Raila Odinga has created mass violence in attempting to overturn a legitimate election in 2007, in Kenya. It is the first widespread violence in decades. The current government is pro-American but Odinga wants to overthrow it and establish Muslim Sharia law. Your half-brother, Abongo Obama, is Odinga's follower. You interrupted your New Hampshire campaigning to speak to Odinga on the phone. Check out the following link for verification of that....and for more.

Obama's cousin Odinga in Kenya ran for president and tried to get Sharia muslim law in place there. When Odinga lost the elections, his followers have burned Christians' homes and

then burned  
men, women and children alive in a Christian church where

8.) My School In Indonesia Was Christian - NOT EXACTLY,  
you  
were registered as Muslim there and got in trouble in Koranic  
Studies for making faces (check your own book).  
February 28, 2008. Kristoff from the New York Times a  
year ago: Mr. Obama recalled the opening lines of the Arabic  
call to  
prayer, reciting them with a first-rate accent. In a remark that

seemed  
delightfully uncalculated (it'll give Alabama voters heart  
attacks),  
Mr. Obama described the call to prayer as "one of the  
prettiest  
sounds on Earth at sunset." This is just one example of what  
Pamela  
is talking about when she says "Obama's narrative is being  
altered,  
enhanced and manipulated to whitewash troubling facts."

9.) I Was Fluent In Indonesian - NOT EXACTLY, not one  
teacher says you could speak the language.

10.) Because I Lived In Indonesia, I Have More Foreign

From the journal of a high-level 'carrier pigeon' messenger for  
the Illuminati cult:

"The Well of Souls (Arabic: Bir el- Arweh) is the name of a  
natural cave located immediately beneath the Sakhras (the  
Foundation Stone) in the Dome of the Rock on the Temple  
Mount in Jerusalem. In addition to a small well shaped hole in  
the stone that looks into the cave, there is also an entrance  
on the southern side, via a set of steps passing through a gap  
between the stone and the surrounding bedrock.[1] The cave  
takes the form of a moderately sized room[2] (similar in floor  
space to the stone), the ceiling curving to the ground gently,  
and the floor having been flattened and carpeted. The  
southern end of the cave, through which the steps enter it,  
has man-made walls[3] to provide structural support to the  
cave roof above the steps.

Rabbi David ben Solomon ibn Abi Zimra attested to the  
existence of a cave, found under the Dome of the Rock,[4]  
known as the Well of Souls.

Since Islamic tradition holds that Muhammad ascended  
heavenwards from the stone, a related tradition has grown up  
that states that the Last Judgment will happen at the  
Sakhras, and that the souls of the dead gather in the well of  
souls to wait for that event, and to pray."

This is it - this webpage on Wikipedia THE WELL OF SOULS  
explained EVERYTHING for me - I finally got what had  
happened below Temple Mount.

Firstly - look at the aerial photograph of it on Wikipedia - it looks like the reverse image of the Illuminati 'rabbit' drawing that they showed us early on - complete with the 'eye'.

Secondly the 'well of souls' is supposed to be a 'moderately sized' room - that was PRECISELY what I had stood in - in pitch dark blackness but knew it to be a cave in the rock - with Scarlett and Rimington BEFORE falling down the relatively small hole in the ground - missing the rungladder but ricocheting off its back wall into the rung ladder and getting stuck between the wall and ladder as a consequence...my feet and hands found the rungs - very lucky indeed - as Rimington was to laugh about - they had had a nasty accident with one guy - who managed to impale himself on the spikes below.

Rimington had laughed at me in this 'well of souls' - I could hear people above and threatened to scream for help. She mentioned the people above and you could hear them faintly and how anyone screaming from that room would disturb them all greatly. I can see why now - the Muslims believe that the souls of the dead will congregate in this room - on the day of the Last Judgement. Anybody heard screaming from this 'well of souls' would be supposed to be a 'soul of the dead'. I guess that it what the guy had sounded like - the one who had impaled himself.

The article about the 'well of souls' states that this room is now carpeted...I would guess that a manhole cover has also been put down this tunnel underground from that cave-like room.

"According to pre-Islamic folklore, the well of souls was a place where the voices of the dead could be heard along with the sounds of the Rivers of Paradise, as, according to the folklore, the cave is located on top of the Abyss of Chaos; the cave is now known to have no exit apart from those leading to the surface of the Sakhrah, and the sounds have been argued to be a resonance effect similar to hearing the sea from seashells. The well of souls is sometimes conflated with the guf, a location in Jewish mythology, where the souls of the not-yet-born are stored, though the guf is usually considered to be a more heavenly location than an earth-bound one.

The Well of Souls is sometimes considered the hiding place of the Ark of the Covenant in legends stating that the Ark was hidden beneath the Temple Mount, but removed when Solomon's temple was destroyed by the neo-Babylonians. In this context it appeared in Raiders of the Lost Ark, although relocated to Tanis, Egypt."

One can see from the above information that nobody visiting the Dome of the Rock and hearing faint wailing from below...would want to find out who was making that sound...it would be framed as a 'religious experience' - that one had heard the 'souls of the

dead'.

In addition, one can see that 'according to the folklore, the cave is located on top of the Abyss of Chaos', apparently nobody on the Internet knows about this 'Abyss of Chaos' underneath the 'well of souls' apart from this article...couldn't find any other mention of it.

I know exactly what this 'Abyss of Chaos' beneath the Well of Souls means: it means Herod's Temple - used by the Templars for their evil rites.

Let me go over the events again...down the steps under the Dome of the Rock to that underground chamber called THE WELL OF SOULS - no light put in it - although I now have the distinct impression that I was shown this small room AND the red carpet on the floor AND a stand-up lamp in the corner at some point although have NO knowledge of this room on this side of the mirror...however, I was then taken there again and in complete darkness... - then down the rung ladder and a crawl through the rock - via a small hole made by a natural stream which had long since dried up - the TINTIN book about BLACK ISLAND (used on Illuminati programming as a mind control text by British Intelligence to 'cover' memories of abuse) also has a similiar tunnel which reminded me again of the whole experience and so prompted me to look up the Dome of the Rock again...Anyway the crawl through the rock would take one AWAY from the Dome of the Rock...to underneath ANOTHER place on Temple Mount.

I can guess where THAT would be: the memory of walking around on Temple Mount with Rimington and Scarlett...her asking where I thought the 'temple' was and my pointing to that 'chessboard' with the 'rock sculpture pieces' upon it - in front of the Arabic Museum.

Rimington was messing around with my mind - she said 'no' and that 'everyone said that'...she then pointed to the other side of the Dome of the Rock and said that the Jews believed that their Temple had once stood over there and were planning to build their new one in that location.

This puzzled me no end...I had assumed that she was referring to that Masonic Temple underground to which we had all been taken for that terrible 'induction' into the OTO cult - underneath Temple Mount and like all of the others, who had been asked the same question - had immediately psychically guessed that this was in fact, beneath that demonic 'rock piece' chessboard between the Islamic Museum and Al Aqsa Mosque - on the other side of the Dome of the Rock. It makes sense - the Templars and Imams were known to have a very 'cosy' relationship - when they all lived together in the Dome of the Rock.

This was what Rimington and Scarlett were to call 'HEROD'S TEMPLE'.

I wonder now...perhaps it was more accessible in that epoch. One can see that many of the early peoples, carved their houses into the rock...or used natural caves (and put windows and doors into them) which are all over the surrounding hills of Jerusalem...so they most probably did the same with Herod's Temple...like the Assyrians did with their Temples...built them into the rock face. However, over the centuries...this 'cave cities' became buried.

The City of David is a case in point - just outside the walls of the Old City.

Herod is known to have been a 'conquering king' and not necessarily Jewish at all - most historians figure a Babylonian heritage and his Temple would have been in keeping with whatever gods he worshipped - Sharon told me that in Sephardic history - Herod was recorded to have rounded up all of the Jewish Rabbis and murdered them all - apart from one that he blinded and kept his prisoner - as a sort of 'seer'.

"...the cave is now known to have no exit apart from those leading to the surface of the Sakhrah"...

Why 'now known'?

Peculiar wording...suggesting that it was once known 'otherwise'...and it was once known that there was another exit to the 'well of souls' because I took it down that rung ladder and via the small 'naturally carved' tunnel...further underground to Herod's Temple.

The ex-Microsoft guy who told me about the Palestinian excavations which were proceeding in that very area to determine why Al Aqsa Mosque AND the Dome of the Rock were upon such shaky ground...there were splits beginning to occur in the beams and general supports for both buildings...and something underground was causing them. One could guess where that might stem from...and would also assume that this excavation had found that secret Herod's Temple...so what did they do about it? I searched the Internet for any references to this excavation after returning from Jerusalem but found none...my guess is that they would have filled it in fast...the whole underground chamber beneath the well of souls. I do not suppose that the Muslim world would be ready to hear that there was a demonic Babylonian Temple almost underneath Al Aqsa Mosque. It would take the rug from underneath their feet, in many ways.

One also has to say that certain Imams would have already been aware of it - along with the descendents of the Templars.

Perhaps then it was simply by necessity, in order to keep up the 'sham' of the public religion above ground - in the Dome of the Rock and Al Aqsa Mosque that the Illuminati had to do

something about this underground cavern - making it impossible for them to use it anymore for 'inductions' into the cult.

If one were a cynic about the whole thing...maybe that was the way that it all went. If both of those edifices disappeared...all hell would break loose and the Illuminati wouldn't be able to necessarily use Islam as the chosen NWO religion.

Anyway, as I was visualising the whole secret route underground, in my mind...another image hit me...a metaphorical one:

The Illuminati love to programme with bodily imagery...using the body as a site to store programming.

I suddenly 'saw' the 'well of souls' as the STOMACH. Imagine the stomach as a small roundish cave with the duct down into the intestines...that is how it looked and felt like...to go down there...then to follow the intestinal tunnel into a huge room...and that is when I thought SOLAR PLEXUS...or rather that large lower colon...need to look this up in a medical text book...the one that looks like an underground lake.

I then realised that this is figuratively, how this horrific 'trip' would have been programmed into us...in brief, our 'souls' were then trapped within our solar plexuses...this all ties in with my solarised menstrual cycle...my 'energy' had become trapped in and around the solar plexus...and only the Yogis appear to recognise this phenomenon in women who have solarised menstrual cycles...12 periods a year rather than the normal 13...the 13 that follow the cycle of the Moon...but I had been programmed to follow the 12 monthly cycle of the Sun...the RA Freemasonry cult. A 'sun child' rather than a 'moon child'. This is a Roman/Babylonian cult although the RA Freemasons see the Egyptians as having begun it all - with the Pharaoh Akhenaton. Herod appears to have come from the Babylonian region (according to the Sephardim scribes) and if this was really his Temple - then it wasn't Egyptian and it didn't look Egyptian either. It looked vaguely Arabic and Masonic but I have no idea, how modern the interior design was - in 1980 - the usual strange symbols and marbled floor of the anteroom with a big sun on it, in large yellow triangles with black and grey surrounds. It could have been Victorian, for all I know. In fact, it most probably was. It was far too pristine to be ancient - the immaculately carved twisted, stone pillars at the entrance to the main Temple etc...or carefully restored - either way...but I am thinking more 'USA CAFE' type interior design in Budapest...with the same twisted pillars and gold leaf around...sort of fin-de-siecle baroque.

In addition, when one thinks of planets or 'stars'...the Earth is supposed to be molten at the centre...it is a burnt-out star in a

way...this corresponds to 'centre of the earth' programming. The centre is the 'Sun' of your being. The molten lava and fire and gases.

Anyway, there was a shaft to get out of the main hall of this Temple that lead out from the back of the 'altar' and on the right of it...rather like the shafts that lead out of the pyramids. We then came out onto high up rocky ground...the type around the whole of Temple Mount. Not sure which location but assume near to Zion Gate and then walked down to a waiting coach below that...and there are many down by the main road on that side of Temple Mount.

What actually happened at the Herodian Temple:

The figures cloaked in black on either side of the Priest at the altar - the Masonic codes and signals - a 'test' - the reading of the symbols on the shield - the 'levitating' golden cup...and I am now beginning to see that this whole thing was a set-up...rather like a David Blane (?) show (and most probably directed by one of those 'Hollywood' CIA operatives in London, from the 1960s e.g. John Waters - those who had incidentally, fooled the Rockefellers into believing in a 'lizard god' in the first place - all smoke and mirrors - special effects - the whole OZ program)...

Then the massive force that materialised above our heads and the Priest and then Rimington trying to get it under control and failing. The materialised 'force' wanted to murder ALL of them upon the spot and it was all I could do to reason with it - telepathically. Something in retrospect, I would never attempt to do again. It would have been better if they had all died - there and then.

When I used those commands...they were telepathic mind control commands to stop the aorta and blood vessels to Rimington's heart...and to close the Priest's throat...this was done via the 'force' that appeared...after they had made me sit on that 'throne' (and you know the rest - the spike up your anus - electric shock and 'esoteric' experience) and I am thinking the combined telepathic force of quite a few people here...but someone KNEW the codes of those bastards...and had wanted them all dead...and gave me those images/commands telepathically which I then imposed into the minds of those two...and it worked. One can see just how dire the mind control programming of both Rimington and Scarlett had been...to be able to implant such a 'thought' as in 'mind control command' into their minds and then to make their bodies actually 'do' it but those familiar with mind control programming know that this is easily possible by the spoken word but by telepathy?

Anyway, after the Priest and Rimington had collapsed upon the floor, everyone was made to disrobe and then this 'wind' or 'force' followed us out of the underground Temple - it rushed

past us...and exited via the rock doorway in the side of the Mount...rather like what had happened at the Templar Castle...when President Putin smashed the Templars' ORB...we had to let it out of the Castle...and did so...the strange white force that lit up the sky over the burning Castle...that the British Army was to register as a possible chemical explosion that had occurred within it and wanted to know what exactly had been kept in that Castle...and I kept quiet about it at the time - figuring that they would never believe me - pearls before swine.

In addition, what Mark (a 'dissident' Rockefeller) had told me about the 'rock' in the Dome of the Rock sucking up the soul energy from those of us programmed there...CANNOT now be true and on several accounts...firstly that we were not below the Dome of the Rock anymore and so whatever rock was above us...wasn't the rock in the Dome of the Rock...in fact, what was directly above us...was an evil sculpture of ourselves as 'rock pieces' on a chessboard...an evil Illuminati joke no doubt...we had all been turned into 'rock people'...and guess what I am thinking now...the ROCKEFELLERS. Secondly, that at the Templar Castle near Mons, France 2001...this soul energy was kept prisoner in an ORB - which had some anti-gravity mechanism but no idea what to make of that...

All I can guess is that someone, somewhere at that point (the guy working the mechanism behind the curtain? The one who made the golden cup elevate by wires and so obviously...) had found a similar ORB and smashed it, to release such powerful energy...and to then watch the fireworks that occurred...as the Priest tried to take 'it' on in a psychic match and lost...

Or maybe it was an accident...accidents do happen now and again...at any rate...I do not think that this was to do with the properties of the 'rock' above us at all...although one could say that metaphorically, it was the Rockefeller family, sucking up our energies...

All I can say is that I had a mind-link to this force and subsequently experienced what happened, through myself at the time...

General notes on British Intelligence mind control programming in the tunnels under Jerusalem:

If however, one came from the West...as in under the MI Hotel...or the south-west...as in the 'crocodile tunnel' from Bathsheba's pool...then one might come a cropper with the 'minotaur'...or rather horrible memories of this 'British Crown jewels' programming en route...I have no idea where the 'gorgon' was supposed to be situated in these underground tunnels...or maybe that was the whole point of 'riding the snake' down Warren's mineshaft in the City of David...

I suppose that the graduates would have had to enact out 'failing' to save the chained princess on the rock at some point because Daldry was of the opinion in Prague - that Perseus doesn't manage to save her from being eaten by the sea monster...and one can assume that they also 'failed' to cut the head off the Medusa i.e. Rimington...all part of programming.

Other notes on the programming script used in conjunction with this terrible experience under Temple Mount:

TINTIN: THE BLACK ISLAND - This was the book which must have been used upon all of us on programming in 1980 - in relation to that tiny rock tunnel that leads Tin-Tin into the 'Black Island' Castle - it is virtually identical and Tin-Tin also has to crawl through it - he then meets the ferocious black gorilla (or Tomlinson pretending to be a Minotaur - either way - these stories are all intertwined and mixed up - purposefully)...and I suppose we were always supposed to view our memories of under Temple Mount in a 'Tin-Tin' story sort of way...that was the visualisation and story which was supposed to cover up our memories of the OTO Temple horror underground.

Other notes:

I have been in contact with Israeli Intelligence for some time now...and figure that I have them to thank for so many of these 'clues' - as well as 'scanning my memory banks' to help me on the way to breaking those walls down...retrieving every memory that I could. They must have either known or found out about what the Rockefeller family was up to, under Temple Mount because this wasn't Israeli territory...it was Palestinian territory...Moshe Dayan had given the Palestinian Authority control of Temple Mount...and so the Illuminati were in collaboration with the Palestinian authorities who controlled Temple Mount...in order to conduct these OTO ceremonies underground.

One can see from the 'rock people' chessboard, strategically placed over the Herodian Temple and between Al Aqsa Mosque and the Arabic Museum - that this programming object would have most probably been bought by Rockefeller money - who had funded the whole thing, along with the British Royal Family. It would be interesting to know the date that this 'sculpture' was acquired or donated to the Palestinian authorities in question, on Temple Mount.

Here is an updated version of the Illuminati trades that the British Crown was running according to Rimington in 2004. I was shown the colour-coding of this mafia rings and so do not know the precise 'term' with which to describe them although some are obvious:

BLACK - PAEDOPHILE TRADE - UK

RED AND THE BLACK - ABUSE AND MUTILATION OF  
FEMALE SLAVES - ARABIC COUNTRIES IN GENERAL.

BLUE - DRUGS BUT HEROIN TRADE MAINLY - AS  
ABOVE.

REDDISH BROWN: COCAINE -ASHKENAZIM - ISRAEL

ORANGISH OCHRE: SLAVE TRADE IN GENERAL - HQ  
BLACK AFRICAN FAMILY -PROBABLY NIGERIA.

MUSTARD: ZYGOTE TRADE - AMERICAN JEWS.

The OZ (or should one say FBI) top programmers, put in two safety valves to 'switch off' and also to 'set free' an Illuminati slave.

The first, has been most often used by Christian preachers - i.e. pushing a person backwards by their forehead.

The second is not so well-known (Rimington certainly wasn't aware of it)but highly effective in setting oneself free. It is also designed to get rid of any demonic 'possession' implanted into the mind of an Illuminati slave.

Remember the 'Elves and the Shoemaker' programming?

Where your soul is synonymous with the sole of your shoe.

In order to set oneself free from a programmer, one has to throw one's shoe at him/her.

If one's 'demonic alter' was programmed into the left brain of a righthander - then one would throw the left shoe. Vice versa for a left-hander and both shoes should be thrown if one is ambidextrous - although it is best to throw both if you cannot remember precisely which sides of the brain were programmed with what.

A member of the House of Lords once did this to his programmer within the House - but was mobbed by the Illuminati later because he had set himself free. This has to be done collectively - if it is to be done at all or the Illuminati will indulge in one of their favourite sports: mobbing.

If anybody would like to join up the dots in relation to Russia joining the OIL CULT in 1949 AND the Book of Daniel Illuminati cult programming at the Temple of Baku (PSI programming) – be my guest – just follow the links for the information below and figure it out:

Shamsi Asadullayev

In addition those of you who went through this hideous OIL CULT programming, might need a couple of pictures to jog your memory of the 1949 oil rig – used to create 'front alters' and 'demonic alters' – available at:

Incidentally, this horrific mind control programming, inspired the REAL author of Harry Potter (not poor old actress Rowling) into creating that 'hellish prison', including 'the dementors' – based on her experience in Azerbaijan.

Notes upon the general trajectory of the Royal Illuminati cult:

I might add here that the concept of MEMES are being used as a way to LIE and cover up the truth concerning the Royal Genome Project - thought up by the ILLuminati who wish to continue their paedophile cult.

Most people on the 1980 course didn't want to rape/abuse others...nor did the men want to become closet gay/bisexual paedophiles - who would? Yet they were being enforcibly 'trained' to become them.

A MEME is handed down generationally and culturally... closet gay/bisexual paedophilia was NOT handed down generationally and culturally...it was put in as enforced brainwashing.

Okay, you might have a handful of men on British Intelligence courses really were closet gay/bisexual paedophiles but the numbers would have been few. Most of those men were enforcibly brainwashed to become that.

The idea behind this was to create men who were gay/bisexual paedophiles - the point here is that they were NOT born that as the idea of a MEME would suggest.

The ILLuminati were trying to make those men gay/bisexual paedophiles with the aim of this type of behaviour, entering the genetic chain but it did NOT do so in my generation. All you got was a number of men who resisted and either died in the attempt or got brainwashed out of their minds. Closet gay/bisexual paedophilia was NOT on their genes or hotwired into their brains as 'normal behaviour' and I very much doubt that it is today, in the youth being currently programmed. It is too 'evil', too much of a 'death wish' for the human organism to tolerate. It goes against all survival instincts of the species.

One can see that those who wished to make all other men into closet gay/bisexual paedophiles, were extreme COWARDS...they wanted everyone to be the same as them so that there was 'safety' in numbers.

In addition, there is a 'gay' homosocial thread here: that of gay men wanting to get rid of women altogether - their rivals - and creating the most sick and evil dream of all:

#### PREGNANT MEN

Richard Tomlinson told me quite extensively about his dream of an 'ideal all-male society'.

However, his Master was Prince Philip and the Royal Family so one can say that this particular 'dream' originated in this sickest of all families.

Whilst I was listening to Mr X (whose identity I would like to

protect) talking about the Royal Family and how all the men were gay, within it – Randy Andy was the most gay apparently, which was why they had to marry him off to a lesbian and use a 'turkey baster'...one can begin to see what was going on in that Family.

Mr X stated the following things:

That Prince Philip had such a small dick that it was almost impossible to fertilise a woman anyway. Hence a 'turkey baster' had been used on Queen Elizabeth II (and also those Royals before - had also used it - this was a 'norm' in Royal procedure, as far as producing heirs was concerned.)

Randy Andy was the most gay and not Prince Edward (surprisingly)...but it had been covered up by the media...Andy wasn't jumping on Koo Stark...he was jumping on any man he could...and Koo Stark is another interesting one, a very pretty dark-haired woman who then became a professional photographer...spot any difference between her and Kate Middleton? I mean how realistic is her affair with Prince William AND his Malibu Stacey collection? Mr X told me that this was the main 'hobby' of William and one can assume that these 'dolls' were used (as in usual in Illuminati practice) as some form of 'voodoo' upon their slaves and so these 'female dolls' could easily have represented male slaves as much as female ones.

My guess is that the Royal Family has already found another 'Fergie' closet-lesbian, who is waiting in the wings...a heterosexual woman would only cause problems and because of her sexuality...not worth the chance, no more Lady Dianas...

The more I look at the ILLuminati cult, the more it becomes so obvious: with a few notable exceptions, the Royal Family have been a closet bunch of gays and lesbians, with a serious S/M interest - and since whenever...

Why else would they have devised such an incredibly sick and hetero-hostile Sat B'hai cult?

"You don't feel that you are a closet gay/lesbian paedophile yet? Let us torture you a bit more and you might just change your mind...you see, you have to become like us, if you want to enjoy the 'privileges' that this country has to offer...you have to understand our ways, suffer our pain...and carry our burden for us..."

When Rimington pointed out to me that early 'public information' poster of the PREGNANT MAN IN A MATERNITY SHIFT, EATING A YELLOW BANANA...I couldn't take what she was saying seriously at all...how could anyone but a fanatical crackpot, swimming against the stream of human nature...want to create 'pregnant men'...even less create a society full of them...and Rimington was quite

sure that this poster was a deliberate ploy to test Public reaction to 'pregnant men' rather than to simply inform the country about Birth Control.

But the Illuminati cult did and the Royal Family still do and I now know that they have already started to create prototypes within the current UK population.

Perhaps this is why the S/M predominantly 'heterosexual' paedophiles like George Bush...began to split with the Royal Family...upon the above issue...and those like Mr Y, who was a gay Rockefeller...therefore, one could say that Mr Y could be out and gay in society with relatively no problems because he wasn't a 'Royal'...and one can see that perhaps these families had had enough of the whole 'pregnant men' project...

Tomlinson was of the opinion that eventually the ILLuminati cult would create a society of men who had wombs to run their ideal 'Lord of the Flies' warrior cult society of the Templars...women would have already been eliminated...they didn't have the technology to actually create female human eggs from scratch (they had tried but failed)but could easily clone the large banks of female eggs at their disposal - therefore, this wasn't a problem. They now had enough eggs and enough technology to keep on cloning these eggs, to be then transplanted to the male womb.

For some reason, the ILLuminati scientists had found that it was far better for the child to grow in a manufactured male womb than from a test-tube basis...and they had managed to genetically engineer men with these wombs but not vaginas...hence the need for Caesarians. I suppose the idea of a 'vagina' was too female.

What is worse, is that Tomlinson then admitted that his own erstwhile son - Orlando Bloom - actually has one of these wombs - one of the earliest prototypes that was successful - whether the guy knows it 'consciously' or not - I am sure that this is true. Tomlinson was matter-of-fact about it all - only a matter of time before they would take over. The whole project was already underway.

This flabbergasted me so much that I had to cover up and so began to chatter about FAMILY Z who had lived in London, during my childhood...the youngest son had got rather upset when his mother got pregnant again and had therefore decided that he was pregnant too BUT 'John' was going to have a 'Tom-cat' and not a real human baby...he used to stuff a cushion up his jumper and walk around telling everybody that he was pregnant with a Tom-cat...Tomlinson questioned the family surname and replied that - yes, they were all ILL and little 'John' would have been another prototype of the 'pregnant man' - within my generation born within the 1960s. Although he didn't know if the experimentation and psychological

conditioning upon 'John', had been successful. From my point of view, it looked like it had but I still couldn't take any of what he was saying seriously...

One wonders at the psychology of Prince Philip...to have a tiny penis is to have a massive inferiority complex, as far as most men are concerned...and perhaps a corresponding anger against those who made you feel that way...particularly women...because of the expectation that you would be able to 'perform' heterosexually and produce heirs to the Throne as a 'duty' and not an 'option'. Then this superiority complex...women are so inferior to me, that they are now no longer necessary to the human race, in general...what did his mother do to him? But one knows what all of the 'mothers of darkness' did to their sons and daughters...and one can see why such a dark hatred would and could develop...in Daldry, Tomlinson, Marr, Brown, Miliband...the list goes on...

I can now see why there is a current SAUDI/ROYAL FAMILY deal going on - surrounding zygotes...one can see that the Wahabbis could, quite easily, have a similar psychology to the Royal Family...women are the 'evil beasts of burden' of this world and we 'sinless men' would be much better off without them...if only there was a way...we could then 'purify' ourselves of them...closer to 'god' or rather, the Devil...which is what they all worship anyway, whatever Public religion, they pretend to uphold...

I suppose that the clues were all there and from the beginning...one could say that this is all about 'womb envy' - a term once bandied about jokingly by feminists in the 70s as a rejoinder to Freud's idea that all women suffered from 'penis envy' but it is all now becoming horribly true...

WHY is the UK Royal Illuminati cult so obsessed with the anus?

WHY do they all (men and women) HATE female wombs?

WHY are they fascinated by the 'breast' to the point where this is the number 1 image of a MALE or FEMALE programmer?

If you really want to understand the warped psychology of the ILL cult - then I would suggest that you start here - with basic sexual psychology.

So you are against this are you?

I was rather looking forward to some photographs of a pregnant GORDON BROWN. On the other hand, in true comedy 'the pie in the face' has to be aimed at the person who is trying to sustain the most dignity and so on second

thoughts, a pregnant David Miliband would be much funnier.

Want to know about the new 'invisible' and undetectable by RADAR aircraft being developed by the US airforce? Why not ask Prime Minister Putin. He knows all about it.

Imagine a conversation between a BBC 'war correspondent' and Mr Putin on his recently acquired new technology i.e. the 'invisible shields' aircraft - rather like Star Trek Kling-on technology but now admitted to by the US government - these planes are now being built in the US. You can see them on the ground but not in flight (radar cannot pick them up) and they look rather like Stealth Bombers on the airfield.

'Mr Putin - off the record - how did you manage to steal this latest technology off UK/US Intelligence?'

'Well, I got an invite from Prince Philip to attend a Summer Solstice festival at a Templar Castle near Mons in 2001 and it is a long story but a funny one'...

'Come on Sir, with all due respect, you must be taking the piss... nobody could EVER believe that one...what really happened...'

'I see - okay, one of our agents infiltrated a top secret NASA base disguised as a ventilation repairman...and you can read the rest in the next Dick Francis novel...I have also heard that Tom Cruise is interested in the Hollywood script, currently in production.'

It really depends upon your expectations and what you are prepared to believe, doesn't it? What you are prepared to accept as FACT and what you see as FICTION.

One could also say in overview that the ILL weren't just spied upon and stolen from by Russian Intelligence...the Israelis were also in on it and one can imagine many more agencies tried to get 'invites' just to come and see the new technology on offer...

You can imagine the briefing:

"See it as a 'latest technology exhibition' with an S/M feel to it - try not to get murdered, try to turn a blind eye to children being murdered, people being hung upside down and tortured as well as those burnt on bonfires by the British Royal Family, in their usual 'Summer Solstice atrocity jamborree'...just FOCUS, get the goods, and get back home."

In addition, Prince William was allowed to play 'Harry Potter' in one of these 'invisibility' suits before it was actually used for military aircraft - around and about his old School Town - surrounded by rather worried looking SAS in plain-clothes, milling around the tourist crowds (naturally they couldn't 'see' him).

But hey, who is worried about this high-technology being pinched?

You have to feel sorry for the Royals - greedy pigs that they are - they have now ROYALLY paid for their greed (and the Saudi 'zygote' contract) because the ROCKEFELLERS are running them as the SPUDNIK COLLECTION.

Far more precious than a FABERGE EGG COLLECTION, the SPUDNIKS are the most collectable item on the ILLuminati market today.

The Pilfering Potatoes.

Spuds-U-Don't-Like

For those who know - it may all be voodoo but under mind control - it works. An image flashed up on a screen for a nanosecond could mean 'life or death' to a programmed slave.

SAVE OUR SPUDS?

Not bloody likely.

Overall, I can see that two things need immediate attention:

The exposure of the 'lizard of Ahs' and all that this entails.

The exposure of those ILL Medical Records.

The first would put a stop to the 'lizard programmers' in general and stop the Royal Family/Saudi deal for zygotes as well as the whole 'dairy' trade worldwide.

The second would provide indefatigable proof that ILL programming goes on and then NHS doctors would be able to

spot it, report it and put a stop to it - with other governmental agencies. They would also be able to research 'cures' for these victims.

I have no idea about other more sprawling subjects like: how do you stop major religions from being turned against one another and fighting to the death...but that is something that those religious leaders have to deal with...and so they all need to try to put a stop to mind control within their own communities...or else they are all 'easy pawns' within the ILL game.

ASHANTI VILLAGES IN GHANA.

Rimington has been on a specialist project of hers as a 'lizard programmer' since the late 1990s in Ghana. Under the cover of FAIRTRADE and DIVINE CHOCOLATE - Rimington has been programming these 'chocolate-producing' families and villagers as SPERM SLAVES. Every day, the men and boys have to line up to go into the main 'hut' to be milked for their sperm. This happens three times a day. It is seen as a traditional religious practice by these peoples but in fact, Rimington boasted to me that she and her mind control programmers had brainwashed these people through drugs and torture to believe that this is a 'norm'. Rimington introduced the old Illuminati model of the MILKMAID'S STOOL which she then sat upon to milk the men and boys within this hut. This is now referred to as the GOLDEN STOOL by various tribes.

Rimington used to do this with all male Illuminati slaves who were chosen by British Intelligence to be programmed either as bona fide officers/agents or those to be placed in British government/society in key roles.

She has now extended this practice to Africa and specifically Ghana.

Why? It is an old slave-traders paradise and that is what Rimington and her associates are all about in the 21st Century - however this time it is mind control slavery. In addition, Ghana houses the Illuminati's main SIGNALS BASE which controls their mafioso shipping lines.

The sperm is then sold on to various pharmaceutical companies - naturally the villagers are not paid for this 'product' and have no idea of what happens to their sperm afterwards.

Additional notes:

Have you heard of the Ghanian myth of ANANSI?

According to Rimington it means:

## A NANCY

i.e. a gay man under mind control or a 'Nancy' as in a whore with a heart of gold - a mind control sex slave run by British Intelligence. Andrew Lloyd-Webber knows all about this trade in 'nancies' - why not ask him?

The odd thing about this apparently 'ancient tribal myth' about the ANANSI is that there do not appear to be any ancient artefacts which can testify to the authenticity of this particular folktale. I was expecting to find at least a few wood/stone carvings (if not a few texts) to verify the supposed 'traditional' aspect of this 'clever black spider' story.

Perhaps one could posit that the myth of the ANANSI began at relatively the same time that ALICE IN WONDERLAND was published? Late 19th Century?

I forgot to mention that John Scarlett had told me that 'everyone' believed that the song 'WHO KILLED COCK ROBIN? I SAID THE SPARROW, WITH MY LITTLE ARROW' was a Victorian song, which had been passed down through the centuries but had in fact, been hoaxed by British Intelligence and through their publishing firms, in the 1950s.

That is their power.

That is the power of publishing.

Particularly when you control so many divisions and can coordinate them...along with the journalists and reviewers.

You can 'authenticate' the text with one of your mind control historians at Oxford...you can tell everybody it used to be sung at Christchurch in 1419...and so on...and they all buy it...why not? Who cares? You then get a few school choirs chirping it on Xmas TV programmes and it is in the bag...it has now become an 'authentic' part of British culture...

I still do not get what that song is about...but one figures some mafia war between the ILLuminati and whoever opposed them...

A US Statesman called Robin or Robbins in 1949...or around that time...what did he do...why did the ILL want to do him in?

AYE CARUMBA!

The text below comes from THE INDEPENDENT UPON SUNDAY (The Encyclopedia of World Religions Part 2: L-Z).

Please note the demonic use of the STAR OF VENUS within this text - used in NO other entry within this book.

I can relate it to passepartout Dr Doolittle mind control programming by MI6 but am still a little mystified as to what this is all about:

Pasupata (Skt.; pasu, "beast", + pati, "lord"). An early \*Saiva sect worshipping \*Siva as Pa supati. Their name is derived from the threefold Saiva doctrine of Lord (pati), soul (pasu, "beast"), and bondage (pasa). Accounts of them are given in the \*Mahabharata, the Vayu Purana and the Atharva siras \*Upanisad. Their doctrines are known from the later Pa supata Sutra and the commentary by Kaundinya (5th or 6th cent. CE). The Pasupatas maintained that Siva is transcendental, and is the instrumental, not the material cause of the world. The aim of Pasupata practice, which comprised \*yoga, asceticism, and \*mantra repetition, was freedom from suffering, which comes about only through grace (\*prasada). The Pasupatas were celibate (urdhva retas, ones who "keep their semen up"), and ascetic (tapasvin). They also practised anti-social behaviour, such as snoring in public, acting as if mad, and talking nonsensically, in order to court abuse, whereby the \*karma merit of the abuser would be transferred to the abused. They went naked, with matted hair, covered in ashes, and frequented cremation grounds.

Do Comic Relief know about what Rimington was up to? They supported FAIRTRADE and DIVINE CHOCOLATE.

Did Rimington use the 'invisibility material' to make it look even more spooky?

Does GEORGE BUSH still go by the name of the LIZARD OF AHS?

(What happened to the WIZARD OF OZ?)

Does Rimington still think that she is an 'interdimensional space lizard' courtesy of the Wizard of Ahs mind control programming? Or has she now come down to Earth with a bump - to realise that she was only ever a dirty, little backstreet abortionist and sperm-stealer?

They all signify Illuminati programming - either actual objects or practices that are used in this type of mind control programming or whole organisations that have been infiltrated by them.

Would anybody like to know where ALL of the codes are for the ROYAL GENOME PROJECT?

Try your local hardware store which has an ICI PAINT MACHINE.

You know the ones - where the assistants can mix up virtually ANY colour/shade/tone of paint.

There is a massive swatch of colours that fan out to include every single colour-code for EVERY ILLUMINATI SLAVE.

Check out the ones which begin YR and look up your own age e.g. if you are 44 years old - then you may well have been programmed with YR44 and ORANGE. Not a good sign - these slaves are generally run as 'State terrorists'.

Check out the ones that begin with IV for all of the IVF coding and multiple experimentation upon that score.

Finally check out the GREEN coding for the 'rulers' of this Illuminati cult GENOME Nazi Eugenics project.

The whole paint machine is a metaphor, for this type of experimentation but the CODES are real.

Also check out the RA pink sheets as these contain the coding for all Royal Arch Freemasonry slaves.

Let us talk about what GCHQ get up to now. You have to have a physics degree with a specialisation in Quantum Physics, in order to qualify for a job in the decoding department, nowadays.

Why, when Illuminati coding is all about 'literary puns' and

'graphic design symbolism'?

I suppose this 'electronic circuitry' applied Quantum Physics business is simply about RUNNING HIVES OR ANTHILLS as in the electronic microchips and enforced, programmed 'pathways' of the brains of ILL slaves, in Western Society.

What a nightmare...but hey, by KNOWING the above, that makes me NOT an ANT or a BEE...

However, then it hits me...what was the VERY first book that my mother ever read to my brother or to myself as a young child?

What was our very first picture book?

ANT AND BEE.

Two 'HIVE SOCIETIES' of two basic character types designed be competitive with each other. Ant is the 'naughty one' and Bee is the 'sensible' one.

Ant is the DELTA WARRIOR ROBOT and Bee is the one to be 'juiced' for sperm, human eggs and fetuses.

Has anybody wondered why all of the Illuminati are consistently pointing at the SUN nowadays?

It seems to be to BLAME for everything. THE INDEPENDENT recently published an article about how the North Pole was melting because of changes in the climate.

The Illuminati are all pointing at the SUN:

"Look this way! Look at the change in SUNSPOTS! It's got to be the SUN HASN'IT? What else has the power to melt such a mountain of ICE?"

Not necessarily.

It could be George Bush and his chums, melting the ice in order to drill for oil.

PRAVDA recently noted that the last great frontier, the last battle for oil will be fought over territory in the North Pole.

So who is currently responsible for melting it all down, screaming 'look the other way' in the media and leading us up the garden path in terms of panicky articles related to 'climate change'?

From my experience of the Illuminati, if the BASTARDS are capable of doing it, they will. They are all mad enough.

Try to landgrab 'oil fields' from all countries/States (R & D projects include Tibet/borderlands of China and Iran).

Drill for oil up at the North Pole (get rid of the obstructive ice).

Maintain the Royal Genome Project and extend databases (which means far more 'dairy farming' slavery than ever before).

The Final Solution: elimination of all human females.

(Additional terrorist bombing attacks where necessary to cause instability, anarchy and the need for oppressive 'national security' legislation.)

Libya was the 'weakest' link in the OIL CULT - being one of the most tolerant and liberal of Islamic countries. If the terms were right, they might shop the other Arabic elites and across the globe.

The Royal Family then ordered MI6 to attempt an assassination upon Gaddafi which failed. It was too little and too late - all intelligence had already been shared.

Miss Muffet and the Spider?

Connie Huq was programmed with that one in her 'brain-dead' child alter. She is one of the worst of the up and coming stars of the Illuminati cult.

She cut her teeth on cutting down John Leslie's career and Mark Speight's murder (no he didn't hang himself - he was under mind control) and all through Richard Tomlinson's sexual obsession with her - he would do anything for her and generally did.

Luckily, the beans were spilled on her some time ago and so through lack of a career - she got married quickly.

The programming involved in this book? Laughable, really.

A long time ago i.e. before 1989, the UK Illuminati cult counted the Mossad as 'one of theirs' and under their control.

However, by 1997 the tables had turned and Israeli Intelligence had declared a covert 'war' upon the Illuminati cult.

By 1997, Dr Joanne Collie was to tell everyone programmed with SPIDER that if they helped Israeli Intelligence at all - that it would mean an instant death penalty.

This mind control programming book is a direct result of this 'protective action' taken by British Intelligence on behalf of HER SATANIC MAJESTY.

Now, the Connie Huqs of this world, when they 'sense' a Jew around them - all they have to do is to shout BOO and this should frighten the SPIDER away. Hilarious, isn't it?

On a more serious note, this is also about 'blocking' in terms of the dark glasses and the headphones - digitally. The Huqs of this world are mini-robots with microchips in their heads.

For those who are new to Illuminati mind control programming, the first book you should look at is:

FROG - BARRIE WADE and BARRIE WATTS  
FRANKLIN WATTS 2003

This tells the evil little tale told to Illuminati boys at a very young age, is all about how one's memories of cult abuse are synonymous with the TAIL of a TADPOLE. As you get older, survive the various brainwashings (that invariably involve drownings and OBES/NDES), you develop 'lungs', come up for air and your TAIL drops off.

The Crossword Fiends at MI6 love this one - YOUR TALE/TAIL drops off i.e. your memories of ILL cult abuse are no more. They simply don't exist. Such is the brainwashing power of the Illuminati cult.

**July 2, 2008 at 4:36 AM**

Anonymous said...

Those of you who are more advanced in this subject - here are some more notes on FROG:

This is a RECOUNT TEXT in that it is used for programming reinforcement upon abused child alters of grown men:

"This is how you were born, little tadpole...in a large test tube with a whole load more sperm which had been 'doctored' by us...you were just a BLACK SPOT in jelly...(no, you never had your 'I' in your own head, just a big black spot of an eclipse - shut up GEORGE)...and you grew and grew until one day:

"Now, after twelve weeks, I am a frog. BOING!"

BOING in Illuminati cult-speak means total disassociation through anal rape and/or extreme torture.

This is often experienced as an NDE/OBE where the person's 'I' floats free of their body.

This 'I' can then be trained to remote-view for military operations.

The sickbay was full of young men who had been butchered by the sadistic Templars - off their heads during their 'summer solstice rites'. They were refusing to eat the bread that had been baked for them by Cameron because he had peppered it with human bone ashes. It was of a speckled grey colour.

Why has nobody mentioned the most terrible Templar rite of all?

The one which Tomlinson described as the 'whirling dervishes' rite but was in fact based on an old ETONIAN PISS-UP whereby the older boys beat up the younger boys with their canes.

However, the Templars have now enshrined this pathetic little bully-boy game into something far worse. They now call it the RITE OF CAIN and beat the children to death in a frenzy.

I saw Gordon Brown - out of his face - beating a small girl's head in - he was completely emotionless as he did it - almost zombified and in a world of his own. That is how they get after taking so many drugs. Thankfully, she lost consciousness almost immediately and died shortly afterwards. There was nothing any of us could do to stop them.

Nobody has mentioned what is probably the most repulsive rite of all - courtesy of Rimington 'lizard queen'.

Miliband was seen to be the natural sucessor of Gordon Brown as Prime Minister (in 2001) and had to be 'indocrinated' and 'initiated' into this role, accordingly.

Tomlinson, who had been the erstwhile sidekick of Rimington's said that he wasn't 'jealous' when Miliband was moved into her bedroom at the Templar Castle, to sexually service her, for the week.

Not so bad you might think - he only had to sleep with a woman in her late 60s. You should have seen the spare bed in which he had to sleep.

It is all about EXCESS gone mad...extreme power, extreme S/M...extreme drug taking...extreme everything and they end up damaged out of their minds.

AND nobody tells them 'NO'.

Why not? Because ostensibly, they look like adults, grown men and women who are now culturally allowed to pursue Satanism and/or Luciferianism as a bona fide religion. Cultural relativity and liberalism allowed that one in.

But cultural relativity isn't the problem - it is the fact that they are NOT adults in their own minds. They are abused, crazed, tiny children - a product of mind-splitting and Illuminati mind control programming.

It also doesn't help that these people are at the top of the Masonic system worldwide and control freemasonry globally, via mind control.

If I were to take the piss out of them - then one needs look no further than AMERICAN MCGEE'S

ALICE (a pisstake itself, upon ALICE IN WONDERLAND MIND CONTROL PROGRAMMING) for the right type of images e.g. where one sees those little children with epilepsy headgear on - beating themselves, giggling, laughing, moaning, crying - unable to transform the prisons of their own minds and to recover from such abuse.

I feel a new cartoon coming on...

More information has come MY WAY regarding the Illuminati in Britain.

All Illuminati slaves are told NOT to touch the GREEN.

Every wondered why Illuminati kids won't eat vegetables for love or money? They have been terrorised into 'NOT touching the GREEN'.

What does the GREEN constitute in real terms?

None other than Sir PHILIP GREEN and his mates? Most of them are also under mind control.

However, somebody that ISN'T under mind control is CHARLES SAATCHI.

A quick trip around this Satanist:

He is NOT Jewish and his family never has been either. They hail from Iran and currently own properties in Israel near to the GOLAN HEIGHTS. They also control a border crossing there for smuggling operations - and you wondered how Palestinian/Arab mind control slaves get smuggled into Israel to commit atrocities, like the 'yellow bulldozer'?

Saatchi's family are NAZI WAR CRIMINALS who escaped to the UK on FALSE JEWISH ID.

The BRITISH CROWN arranged it all.  
The Illuminati cult HATES true Jews and the Saatchis have no claim to be Jewish whatsoever.

The Saatchi's currently run the MOLOCH CULT in the UK - in modern terms, the paedophile trade.

Their ancestors sacrificed children on the GOLAN HEIGHTS.

Try reading this book and making an extra-special note of all of the words in italics. They are your programming commands as TEMPLAR TOMCATS. They control your 'night-time' alters and can be used to make you continue what the Saatchis call their DAIRY FARMING i.e. the use and abuse of male/female

Illuminati slaves for babies, foetuses, zygotes as well as human eggs and sperm. The Saatchis are doing this for the BRITISH CROWN deal with the SAUDIS.

That's not all - have you checked out the CONTENTS PAGE?

Run your eye down the first letters of each chapter to obtain this Illuminati code:

NWO AA LC BRA

I suppose most of you already know that AA is shorthand for SAATCHI and that a BRA relates to 'TIT programmers' and the insane ABRACADABRA command used upon Templars to turn them into 'child alters' who believe that they are 'great magicians' in HARRY POTTER terms.

I am not sure about the LC though. What could it mean?

I am getting LC as in ELSIE TANNER here. What do you think?

Rimington was well-known at MI5 and MI6 as 'Hilda Ogden'.

However it is Eliza Manningham-Buller who is in charge of the whole DAIRY FARMING PROJECT for the ROYALS - Rimington is merely her second-in-command.

Did anyone care to read the message left on the  
SCOREBOARD of the MEN'S WIMBLEDON FINAL?

That 'ROBOT WARS' match between two very sympathetic  
young men - turned into robots by microchips in their brains  
and forced to slug it out in a rather 'inhuman' way.

TENNIS MIND CONTROL PROGRAMMING was always a big  
thing with the ROYAL FAMILY - why even the 'dirty, white  
Nazi animal' was there - handing out the awards. None other  
than the DUKE OF KENT.

Have you ever seen such a MILITARY TURN-OUT? I was  
surprised that there wasn't a tank on the court.

Anyway, here is the final score on the scoreboard:

9-11

Federer 44777

Nadal 66669

Make of that what you will.

I am beginning to get the Illuminati scoreboarding now and  
they do it with cricket scores too - publish International  
messages at those major events.

This message was all about the Royal Family and British  
Intelligence in the UK, using their advantage within this  
country with their BT TOWERS control - to say:

WE WON – WE DID 9-11 – WE WON 666 (we are the devil)

AND YOU LOST 777 (G-d).

I can see that Prince Philip's insignia of the demonic TAU of OTO was used in the 69 reference. Isn't it all a bit too neat?

It sure is too neat but funny, eh?

I wish I had bothered to watch the Women's Single Finals because maybe the scoreboard might have reflected the Royal Family and BI behind the TSUNAMI and also 7/7.

Anybody have any info on that one?

Remember Tomlinson's PAS BI emails about so many 'aeroplanes' falling out of the sky? Think mind control slaves and you have got it.

Think about how most chartered planes have a pre-determined 'auto-pilot' course and you have got what was happening between Federer and Nadal. They were both on their set 'flight courses'.

HOWEVER, if one knows the future plan or the predestined result...one can work against it AND send those frequencies haywire.

I guess that the message is now clear to BI and the CROWN is - we know all of the frequencies of your CONTROL TOWERS and even with all of your military out to protect you - you cannot even control those microchipped tennis players - never mind the scoreboards.

YOU HAVE LOST BIG TIME.

So another 'power' decided to name and shame them – and to humiliate them in front of the eyes of the world for this atrocity and to rub their noses in it, in terms of:

You can have ALL of your military around you – control every effing BT CONTROL TOWER in sight and yet we can still now control every single frequency AND event in your country. GET THE PICTURE? GET REAL.

In this 'alternative' scenario – I would guess that 777 (G-d's team) won. Total humiliation at WIMBLEDON for the UK ILLuminati. It doesn't matter about the 'robot' game, it matters about fixing the scoreboard and showing our superior strength and skills.

NOW – will anybody in British Intelligence/Royal Family LISTEN to me – STOP MIND CONTROL – STOP MICROCHIPPING PEOPLE and you will no longer be humiliated in this way...no longer called THE SPUDNIK COLLECTION...and STOP THE ROYAL/SAUDI 'DAIRY FARMING' DEAL.

In terms of that safety switch, do the shoes have to be thrown at the programmer or the mind control slave? Also, is it the slave who is pushed backwards by the forehead?

To block or disrupt frequencies coming from the towers, do organite devices work? If not, what other low tech approach might work?

If Icke is controlled by the doctor, what might be his main agenda / purpose?

EVERYONE is a slave in ILLuminati culture - it is a pyramid organisation of sadism to those on the rungs below you and masochism in relation to those above you.

Therefore - it depends upon where you are in this cult as to who you 'throw your shoes' at. I threw mine at Rimington - my childhood programmer.

Ditto in relation to 'spiritual healing' in Christian churches. Some preachers were ex-programmers who worked out how to 'save' their flock from the Illuminati cult and incorporated it into the 'ritual' of their services.

The Bill Nobody Noticed: National DNA Databank

Patty Donovan

Natural News

December 20, 2008

(NaturalNews) In April of 2008, President Bush signed into law S.1858 which allows the federal government to screen the DNA of all newborn babies in the U.S. This was to be

implemented within 6 months meaning that this collection is now being carried out. Congressman Ron Paul states that this bill is the first step towards the establishment of a national DNA database.

S.1858, known as The Newborn Screening Saves Lives Act of 2007, is justified as a “national contingency plan” in that it represents preparation for any sort of public health emergency. The bill states that the federal government should “continue to carry out, coordinate, and expand research in newborn screening” and “maintain a central clearinghouse of current information on newborn screening... ensuring that the clearinghouse is available on the Internet and is updated at least quarterly”. Sections of the bill also make it clear that DNA may be used in genetic experiments and tests. Read the full bill: <http://www.govtrack.us/congress/bill.xp...>

Twila Brase, president of the Citizens' Council on Health Care warns that this new law represents the beginning of nationwide genetic testing. Brase states that S.1858 and H.R. 3825, the House version of the bill, will:

- Establish a national list of genetic conditions for which newborns and children are to be tested.
- Establish protocols for the linking and sharing of genetic test results nationwide.
- Build surveillance systems for tracking the health status and health outcomes of individuals diagnosed at birth with a genetic defect or trait.
- Use the newborn screening program as an opportunity for government agencies to identify, list, and study “secondary conditions” of individuals and their families.
- Subject citizens to genetic research without their knowledge or consent.

Read her entire analysis of the implications of this bill here: [http://www.cchconline.org/pdf/S\\_1858\\_NB...](http://www.cchconline.org/pdf/S_1858_NB...)

Brase states that under this bill, “The DNA taken at birth from every citizen is essentially owned by the government, and every citizen becomes a potential subject of government-sponsored genetic research.” All 50 states are now routinely providing results of genetic screenings to the Department of Homeland Security and this bill will establish the legality of that practice plus include DNA.

Ron Paul has also vigorously argued against this bill making the following comments before the US House of Representatives:

“I cannot support legislation...that exceeds the Constitutional limitations on federal power or in any way threatens the liberty of the American people. I must oppose it.”

“S. 1858 gives the federal bureaucracy the authority to develop a model newborn screening program. Madame Speaker, the federal government lacks both the constitutional authority and the competence to develop a newborn screening program adequate for a nation as large and diverse as the United States. ...”

“Those of us in the medical profession should be particularly concerned about policies allowing government officials and state-favored interests to access our medical records without

our consent ... My review of S. 1858 indicates the drafters of the legislation made no effort to ensure these newborn screening programs do not violate the privacy rights of parents and children, in fact, by directing federal bureaucrats to create a contingency plan for newborn screening in the event of a 'public health' disaster, this bill may lead to further erosions of medical privacy. As recent history so eloquently illustrates, politicians are more than willing to take, and people are more than willing to cede, liberty during times of 'emergency.'

Ministers 'using fear of terror'

Stella Rimington has often been critical of the government  
A former head of MI5 has accused the government of exploiting the fear of terrorism and trying to bring in laws that restrict civil liberties.

In an interview in a Spanish newspaper, published in the Daily Telegraph, Dame Stella Rimington, 73, also accuses the US of "tortures".

The Home Office said it was vital to strike a right balance between privacy, protection and sharing personal data.

It said any policies which impact on privacy must be "proportionate".

Dame Stella, who stood down as the director general of the security service in 1996, has previously been critical of the government's policies, including its attempts to extend pre-charge detention for terror suspects to 42 days and the controversial plan to introduce ID cards.

"It would be better that the government recognised that there are risks, rather than frightening people in order to be able to pass laws which restrict civil liberties, precisely one of the objects of terrorism - that we live in fear and under a police state," she told the Spanish newspaper La Vanguardia.

Seven years after 9/11 it is time to take stock and to repeal abusive laws and policies enacted in recent years.

Former Irish president Mary Robinson

Profile: Dame Stella Rimington  
Send us your comments

She said the British security services were "no angels," but they did not kill people.

"The US has gone too far with Guantanamo and the tortures," she said.

"MI5 does not do that. Furthermore it has achieved the opposite effect - there are more and more suicide terrorists finding a greater justification."

'Take stock'

Dame Stella's comments come as a study is published by the International Commission of Jurists (ICJ) that accuses the US and the UK of undermining the framework of international law.

Former Irish president Mary Robinson, the president of the ICJ said: "Seven years after 9/11 it is time to take stock and to repeal abusive laws and policies enacted in recent years.

"Human rights and international humanitarian law provide a strong and flexible framework to address terrorist threats."

The BBC's security correspondent Frank Gardner said the ICJ report would probably have more of an impact than Dame Stella's remarks because it was a wide-ranging, three-year study carried out by an eminent group of practising legal experts.

Dame Stella appeared to be more restrained in her comments than the ICJ, he added.

She was keen to stress the risk of civil liberties being curtailed, while the jurists insisted that international law had already been "actively undermined".

Shadow security minister Baroness Neville-Jones said the Conservatives were "committed to ensuring that security measures are proportionate and adhere to the rule of law".

The Tories said the government's push to extend the detention time limit for terror suspects was the kind of measure condemned by the report.

Human rights campaign group Liberty pointed to a number of other recent developments it said represented "a creeping encroachment on our fundamental rights":

Government plans for a giant database to record the times, dates and recipients of all emails and text messages sent and phone calls made in the UK

The growth of Britain's DNA database - it is now the world's largest, per head of population, with samples from some 4m people

The use by councils of laws designed to track criminals and

terrorists to spy on ordinary citizens. In one case a family was watched to see if they were really living in a school catchment area

The spread of CCTV cameras. Britain now reportedly has some 4m, the highest density in western Europe

Proposals for "secret inquests," excluding relatives, juries and the media, which the government says would prevent intelligence details leaking out

Isabella Sankey, director of policy at Liberty, said she was "enormously heartened" by what Dame Stella had said.

"Over the last seven years, we've seen a number of measures passed, some of which affect very few of us in a horrible and terrible way, whether that's house arrest under control orders or rendition and torture in foreign states," she said. We have very broad police powers which sweep the innocent up with the guilty

Isabella Sankey, Liberty

"We've also seen many, many measures that affect all of us just a little bit and, most of all, which seriously impact our rights to privacy.

"We have very broad police powers which sweep the innocent up with the guilty."

'Effective safeguards'

A Home Office spokesman said: "The government has been clear that where surveillance or data collection will impact on privacy they should only be used where it is necessary and proportionate."

"This provides law enforcement agencies with the tools to protect the public as well as ensuring government has the ability to provide effective public services while ensuring there are effective safeguards and a solid legal framework that protects civil liberties."

Liberal Democrat foreign affairs spokesman Ed Davey said: "This is damning testament to just how much liberty has been ineffectually sacrificed in the 'war on terror'."

Dame Stella became the first female head of MI5 in 1992.
