① claims no authority: only asks examine evidence.

Doesn't ^{seek} ask followers; wants each become King.

Doesn't make extravagant visits, & talk mysteriously; Has all openly to all.

Scandal will be bad: lawsuits worse

If T. will give House & Liby to Wash, O will put up equal value of London Stock.

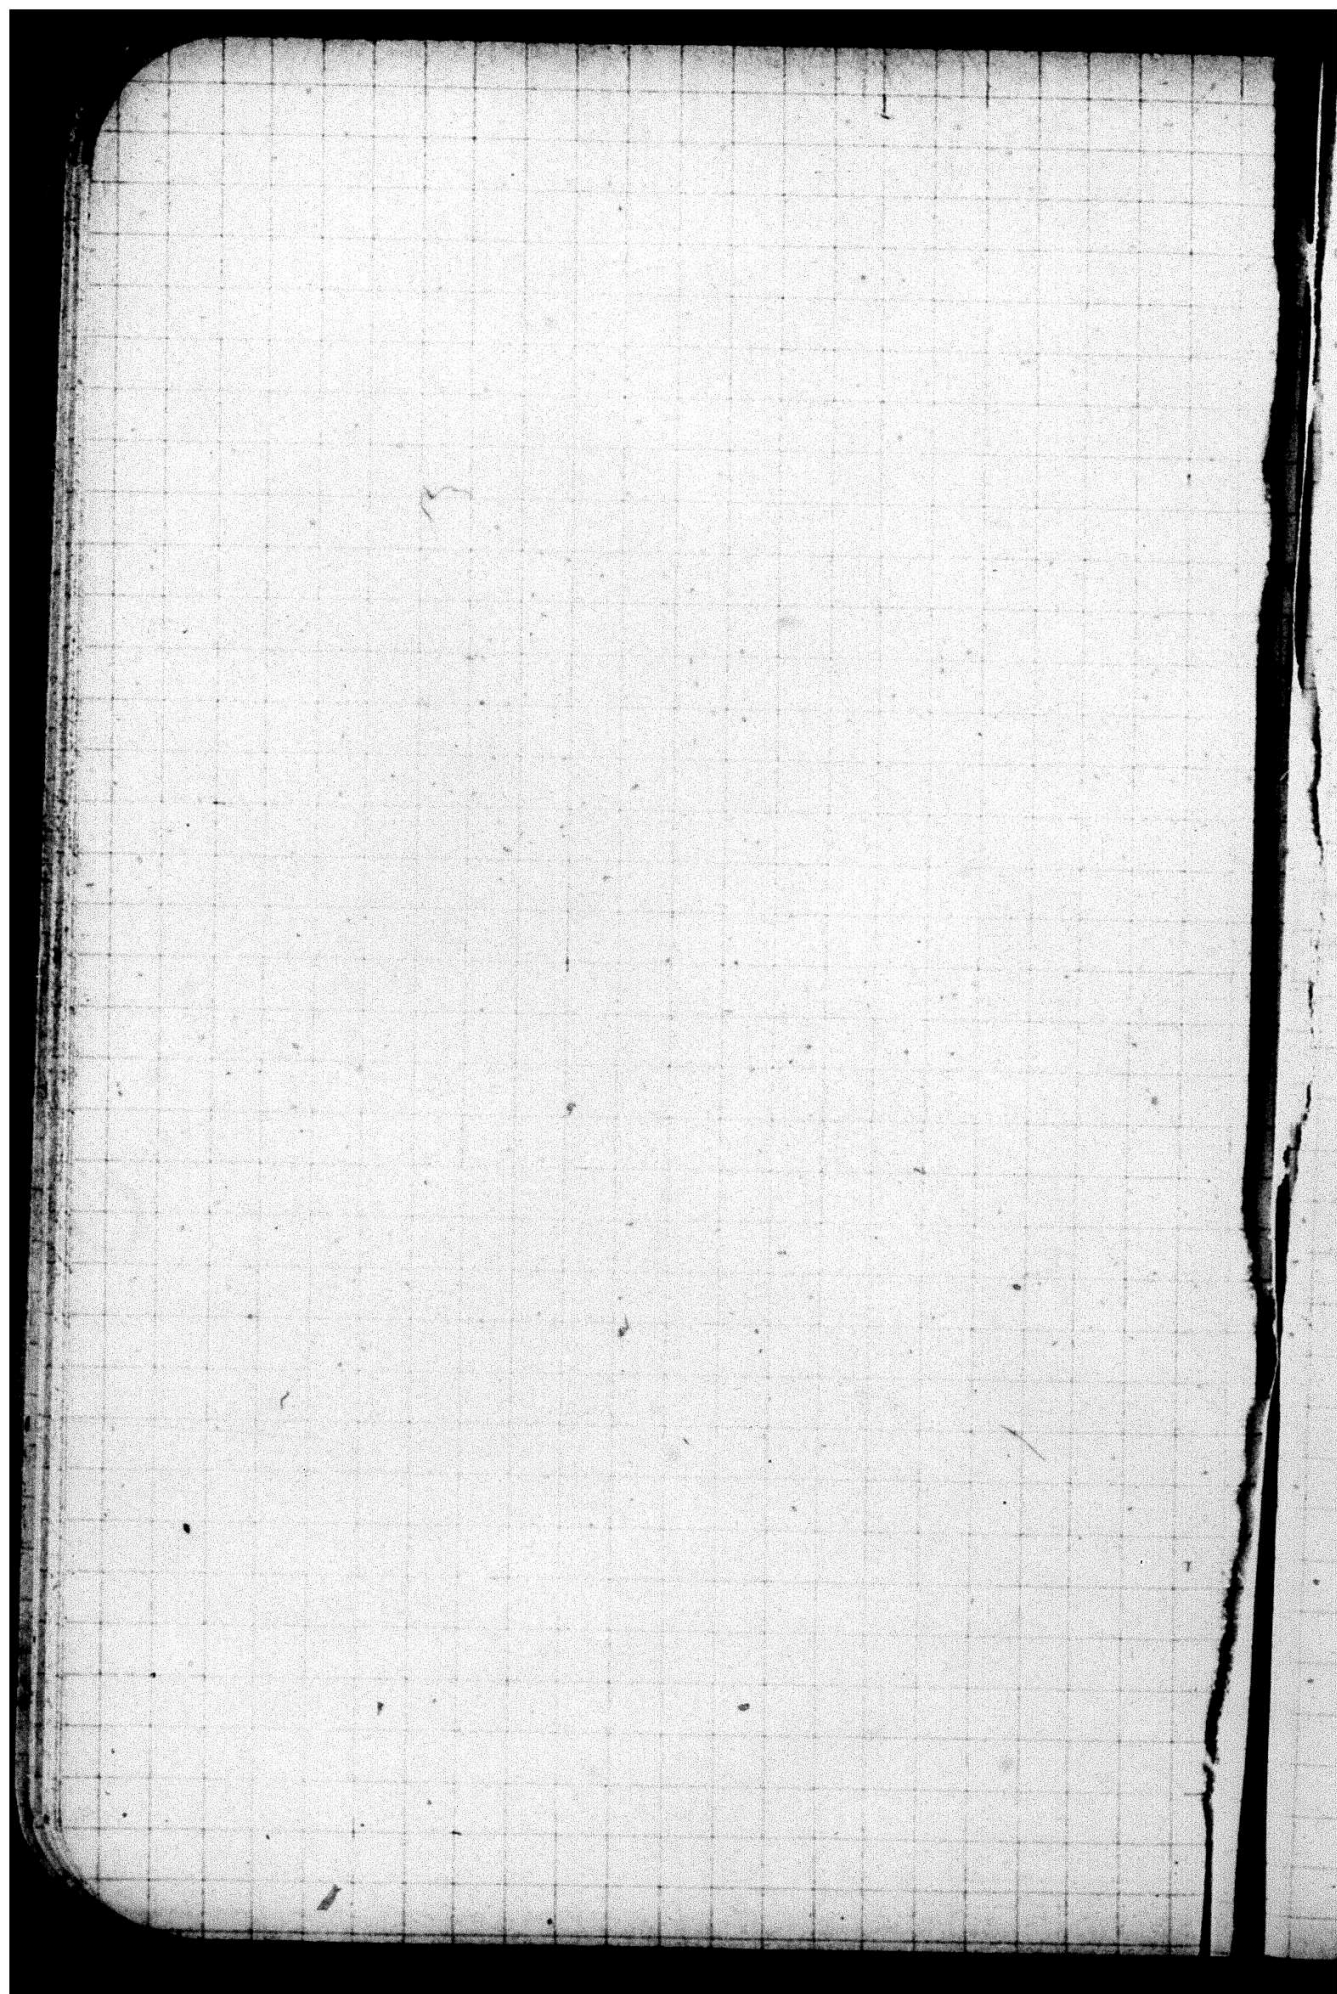

Ⓣ wants only right of veto
over trustees: no positive
power.

What were terms offered by T?
His only answer to charges is
to hand over property.

advise Graw or delegate to
hand Hoff statement to T
personally + report of G's reaction
(my orig. idea to ask his reply
first + publish both together,
with my judgment.

T. stop ping IT thing! Graw
paid all & G + Ⓣ did all work

I cannot give more time to
this matter: my business is
to initiate members
directly: but I expect you
to see that justice is done
