through bad management.

Is very anxious about financial aspect of his work
and determines to look into material side of it
which is entirely muddled.

Threatening catastrophe & ruin.

His original energy is little more than ordinary.

6W. This matter has taken a sudden turn

4C And the quest gains his object & obtain

OC some slight advantage from a 4C woman

4C. This advantage is not very great. Through the faithfulness of a woman

and yet in a manner quite unconnected with her a new current comes

which makes things much easier & culminates in success.

Paris:-

A business arrangement is come to
quickly although against great opposition
and complete success is assured
Great prosperity follows

and from beginning to end success & perfect good fortune

the reiteration of the change
fills us with new hope + fresh ideas.
Under the guidance of Divine Wisdom + Justice.
The business controller goes forward with energy.
And the work appointed by Deleth is completed.
This involves the ~~aid~~ ^{material} of the P of C man which
fresh energy comes from the P of C man
which everything is made very pleasant by D of S woman.
There is also a somewhat favorable influence from
a P of W woman.
But the final triumph is due to a D of C woman
the sig is able to retire
and obtain fresh instructions from the authorities
So that foundations of a New Work is laid.
