If you neglect your pentecost

You've tried all your life to a truss

So let us all chant a Te Deum

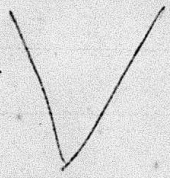

If that has not happened to us

If you run up against gonococcus

You learn what a cut-throat means

Thank God if he spare us the joys
of seeing us that with our greens

If you want to see your life in a funny
 way let me see about a Te Deum
 If that has not helped you

Even to this so-called Sanctuary there have been
admitted in flagrant violation of Article VI^a
of our Constitution ^{and reverence}
a man who is not a member of a lodge in
good standing working under a G.L. of F.A.M.
The Sanctuary must be purged of such.

But it is not for this that I have left
my very pleasant encampment in the Valley
of Paris. Were the man of whom I speak
a man free and of good report I should
perhaps have held ^{my} peace. But he
is not ^{even} a free man, but the hired tool
of a woman. Do you wonder if I
protest that a woman ^{and women are} excluded even from
symbolic masonry, should seek the usurpation
of our sovereignty?

And yet this alone would not have
induced me to exchange the amenities
of my encampment in the Valley of Paris
for the sterner and glimmering grandeur
of the Valley of Manchester.

Who is the woman, and what are her
of whom I speak?
