GREETING!

The Avenger sayeth:

You have done well to protest against the grotesque mummeries of the bottle-fed Messiah; you will still do wisely to beware of its Jesuitical wire-pullers. The attempted usurpation is most sinister Black Magic of the Brothers of the Left-hand Path;

I need not remind you of the shameless and nauseating fraud by which the Grand Old Procuress worked herself into the presidency of your Society, of her blatant attempts to capture various rites of Freemasonry, ~~and~~ her imbecile parodies of the Romish heresy, of the obscene *manipulations* practised by Leadbeater on the wretched Krishnamurti in imi-

(with a view of making him a social imbecile)
