

1
Mon cher D^r Bongers

Je viens de recevoir votre lettre bien
surtout, j'ai fait d'envoyer la note
à mon secrétaire à Londres, nos affaires
sont bûchées dans quelque mesure, grâce à
une longue maladie, et à la mort de
l'administrateur de mes biens, mais j'espère
que vos ~~affaires~~ recevrez un cheque sans
trop de retard.

Quant à l'asthme, vous l'avez
chassé complètement, et, comme le D^r Jours
a prévu les symptômes ^{asthmatiques} et tenu compte
Quant aux médicaments, ~~je n'en~~
comme je n'en ai plus besoin, je les
ai chassés et en ai plus.

Je vous remercie encore une fois
de grand cœur

1
Mon cher Dr Boyers

Je viens de recevoir votre lettre hier
seulement, j'en ai été d'abord la note
à mon secrétaire à Londres, mes affaires
sont tombées dans quelque confusion, j'ai
une légère maladie, et à la mort de
l'administrateur de mes biens, mais j'espère
que vos ~~affaires~~ recevrez un cheque sans
très de retard.

Quant à l'asthme, vous l'avez
chassé complètement, et, comme le Dr Javis
a pu enlever les symptômes ^{gastro-intestinaux} et toute complication
Quant aux médicaments, ~~je n'en~~
comme je n'en ai plus besoin, je les
ai chassés et n'en ai plus.

Je vous remercie encore une fois
de grand cœur.

Monsieur D^r Brignoles

Je viens de recevoir votre lettre hier
seulement, j'ai hâte d'envoyer la note
à mon secrétaire à Londres. Mes affaires
sont embarrasées dans quelque mesure, grâce à
une longue maladie, et à la mort de
l'administrateur de mes biens. Mais j'espère
que vous ~~avez~~ recevrez un chèque sans
trop de retard.

Quant à l'asthme, vous l'avez
chassé complètement, et, comme le D^r Jaurès
a pu le constater ^{syndromique} et tenu en compte.
Quant aux médicaments, ~~ils sont~~
comme je n'en ai plus besoin, je les
ai chassés et ne les emploie plus.

Je vous salue encore une fois
de grand cœur.

Monsieur D^r Boyers

Je viens de recevoir votre lettre hier
seulement. J'ai voulu d'envoyer la note
à mon secrétaire à Londres. Mes affaires
sont tombées dans quelque confusion, grâce à
ma longue maladie, et à la mort de
l'administrateur de mes biens. Mais j'espère
que vous ~~avez~~ recevrez un chèque sans
trop de retard.

Quant à l'asthme, vous l'avez
chassé complètement, et, comme le D^r Jaurès
a pu le constater ^{syndromique} et tenu compagnie.
Quant aux médicaments, ~~étant~~
comme je n'en ai plus besoin, je les
ai chassés et ne les emploie plus.

Je vous salue encore une fois
de grand cœur.

Monsieur D^r Bruges

- Je viens de recevoir votre lettre bien
seulement, j'ai hâte d'envoyer la note
à mon secrétaire à Bruxelles. Mes affaires
sont turbées dans quelque mesure, parce
une longue maladie, et à la suite de
l'administration de mes biens. Mais j'espère
que vous ~~avez~~ recevrez un chèque sans
trop de retard.

Quant à l'asthme, vous l'avez
chassé complètement, et, comme le D^r Jaurès
a pu le constater ^{syndromique} et tenir compagnie
Quant aux médicaments, ~~ils sont~~
comme je n'en ai plus besoin, je les
ai chassés et n'en emploie plus.

Je vous salue encore une fois
de grand cœur

to catch the light + cause indifference.

I stopped about 7.30 (6.30) - we dined
on the terrace + walked to Garmay + played
billiards. Before 11 (10) the storm
began again + is now 12 (11) going
strong. Crossing the Maine, coming home,
we both saw what might have been
a firework - but who would fire
one? Per contra, neither of us ever
saw a meteor of that kind. It was
rather like a comet, with a long red
tail (says Leah - I didn't notice
this much) and a huge head of
blue (greenish) flame. It was
dropping nearly vertically.

It did not look like any

to catch the light + cause indescence.

I stopped about 7.30 (6.30) + we dined
on the terrace + walked to Garmay + played
billiards. Before 11 (10) the storm
began again + is now 12 (11) going
strong. Crossing the Haine, coming home,
we both saw what might have been
a firework - but who would fire
one? Parvata, neither of us will
say a meteor of that kind. It was
rather like a comet, with a long red
tail (says Leah - I didn't notice
this much) and a huge head of
blue (greenish) flame. It was
dropping nearly vertically.

It did not look like any

to catch the light + cause incidence.

I stopped about 7.30 (6.30) + we dined
on the terrace + walked to Gungah + played
billiards. Before 11 (10) the storm
began again + is now 12 (11) going
strong. Crossing the Mame, coming home,
we both saw what might have been
a firework - but who would fire
one? Per contra, neither of us will
say a meteor of that kind. It was
rather like a comet, with a long red
tail (says Leah - I didn't notice

to catch the light + cause indescence.
I stopped about 7.30 (6.30) - we dined
on the terrace + walked to Gungah + played
billiards. Before 11 (10) the storm
began again + in mid 12 (11) going
strong. Crossing the Mame, coming home,
we both saw what might have been
a firework - but who would fire
one? Per contra, neither of us had
seen a meteor of that kind. It was
rather like a comet, with a long red
tail (says Leah - I didn't notice
this much) and a huge head of
blue (greenish) flame. It was
dropping nearly vertically.

It did not look like any

to catch the light & came in descent.

I stopped about 7:30 (6:30) & we dined
at the house & walked to Gamaay & played
billiards. Before 11 (10) the storm
began again & in mid 12 (11) 9 am
strong. Crossing the main, coming home,
we both saw what might have been
a fireball - but who would fire
me? Pa & Ma, neither of us will
see a meteor of that kind. It was
rather like a comet, with a long red
tail (says Leah - I didn't notice
this much) and a huge head of
blue (greenish) flame. It was
dropping nearly vertically.

It did not look like any

friends know - unless a blue
light - it was too high for that
also, it seemed to come from somewhere
- to start with, starting at the class.
The quality of the light was to my
eyes distinctly electric - I thought
I was in the global lighting
and in V. H. No sound was heard
another suggestion is that of a hot
like a furnace, only reversed.
It looked to be of no natural, not
artificial.

To-morrow (i.e. this AM. to) we propose
to inquire in Ucles if any one was
celebrating;

The business of the flame, & the
shape, were both surprising.

friends we know - unless a blue
light - it was too high for that
also, it seemed to come from "nowhere"
- to start as a shooting star does.
The quality of the light was to my
eyes distinctly electric - I thought
at once of the globular lightning
seen in N. H. No sound was heard

Another suggestion is that it looked
like a parachute, only reversed.
It looked to both of us natural, not
artificial.

To-morrow (i.e. this A.M. to) we propose
to inquire in Adelles if any one was
celebrating.

The brightness of the flame, & the
shape, were both surprising.

we a chance to sleep

by a scandal.

he don't saw.

— a "Mrs Arnold"

He had been visiting

— who was a companion

the whole of my

living life.

colony, others

Sometimes does, but did not do tonight)

This belt - a circle, (C) It was in
be here, yet I thought we were not;
what woke me was that my screams

- I was sitting up in bed, my mother
having got out in despair and

hysterical "Oh do get into that

the bed, & give me a chance to sleep."

It was making a scandal.

For though the door I saw a

woman in black - a "Mrs Arnold" -

going down stairs. She had been visiting

Mrs Moffat - who was a companion

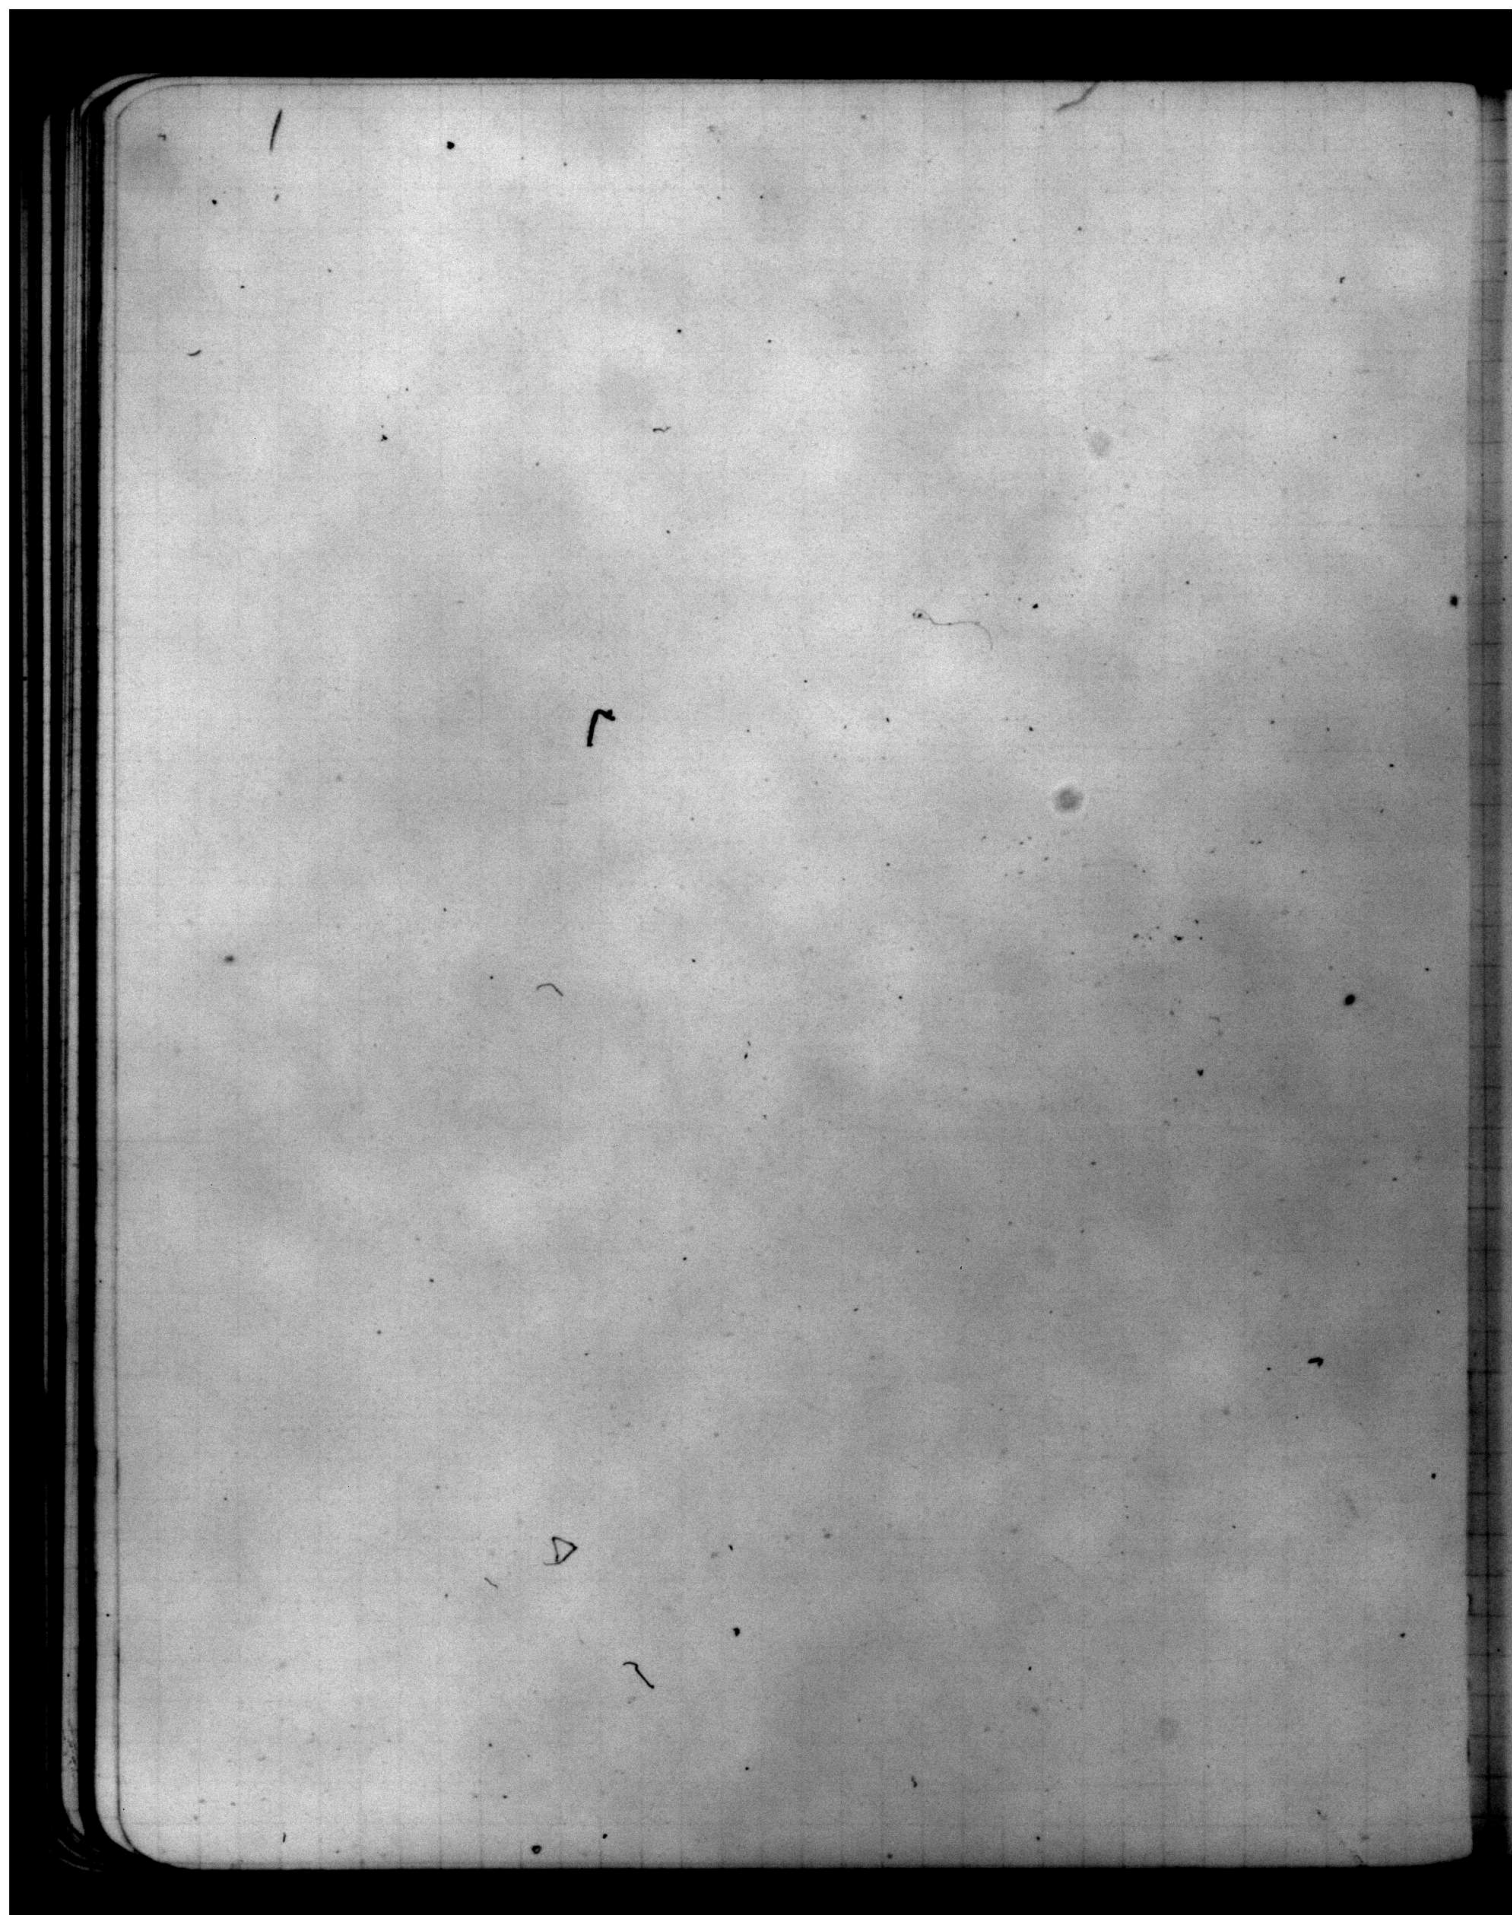

of my grandmother, & later of my

mother, in waking life.

I began to apologise, & then

Sometimes does, but did not do to night)

This kept me awake. (c) It was in
be here, yet I thought we were in it;
what woke me was that my screams
- I was sitting up in bed, my mother
having got out in dress and
"best dress" she do get into that
the bed & give us a chance to sleep
we were making a scandal.
For though the door I saw a
woman in black - a "Mrs Arnold"
going down stairs. She had been visiting
Mrs Moffat - who was a companion
of my grandmother - & hated my
mother, in waking life.
I began to apologise, & then

where we.

I find it hard to write down this dream so as to disentangle the dream from the waking, that is, for the reader. Even for myself, some of it is hard to say, my dream was not altogether so. The only thing I can say is that I recognized her as such. It was probably her. I know the only resemblance was that it was a fat woman.

Last night we: what is to guarantee us against such experiences as being indefinitely biologized when no physical waking comes to destroy them. In that sleep

where we.

I find it hard to write down this dream so as to disentangle the dream from the waking, that is, for the reader. Even for myself, some of it is hard to get together so that the only thing I can say is that I recognized her as such, & it was nobody else. At the worst the only resemblance was that it was a fat woman.

Let me inquire: what is to guarantee us against such a phenomenon as being indefinitely biologized when no physical waking comes to destroy them? In that sleep

where we.

I find it hard to write down this dream so as to disentangle the dream from the waking, that is, for the reader. Even for myself, some of it is hard to get my mind together so. The only thing I can say is that I recognized her as such, & it was wholly real. Otherwise the only resemblance was that it was a fat woman.

Let me note what is to guarantee us against such experiences as being indefinitely bridged when no physical waking eyes to destroy them. In that sleep

where we.

I find it hard to write down this
dream so as to disentangle the
dream from the waking, that is,
for any reader. Even for myself,
some of it is hard to disentangle
as not altogether so. The only
thing I am sure is that I recognized
her as such, & it was wholly
dec. otherwise the only resemblance
was that it was a fat woman.

Let me note what is to guarantee
us against such a phenomenon being
indefinitely prolonged when no
physical waking comes to
destroy them. In that sleep

where we.

I find it hard to
dream so as to disengage
dream from the world
for my reader. It
some of it is hard
not to stay other
than I can see in the

where we.

I find it hard to

white wire.

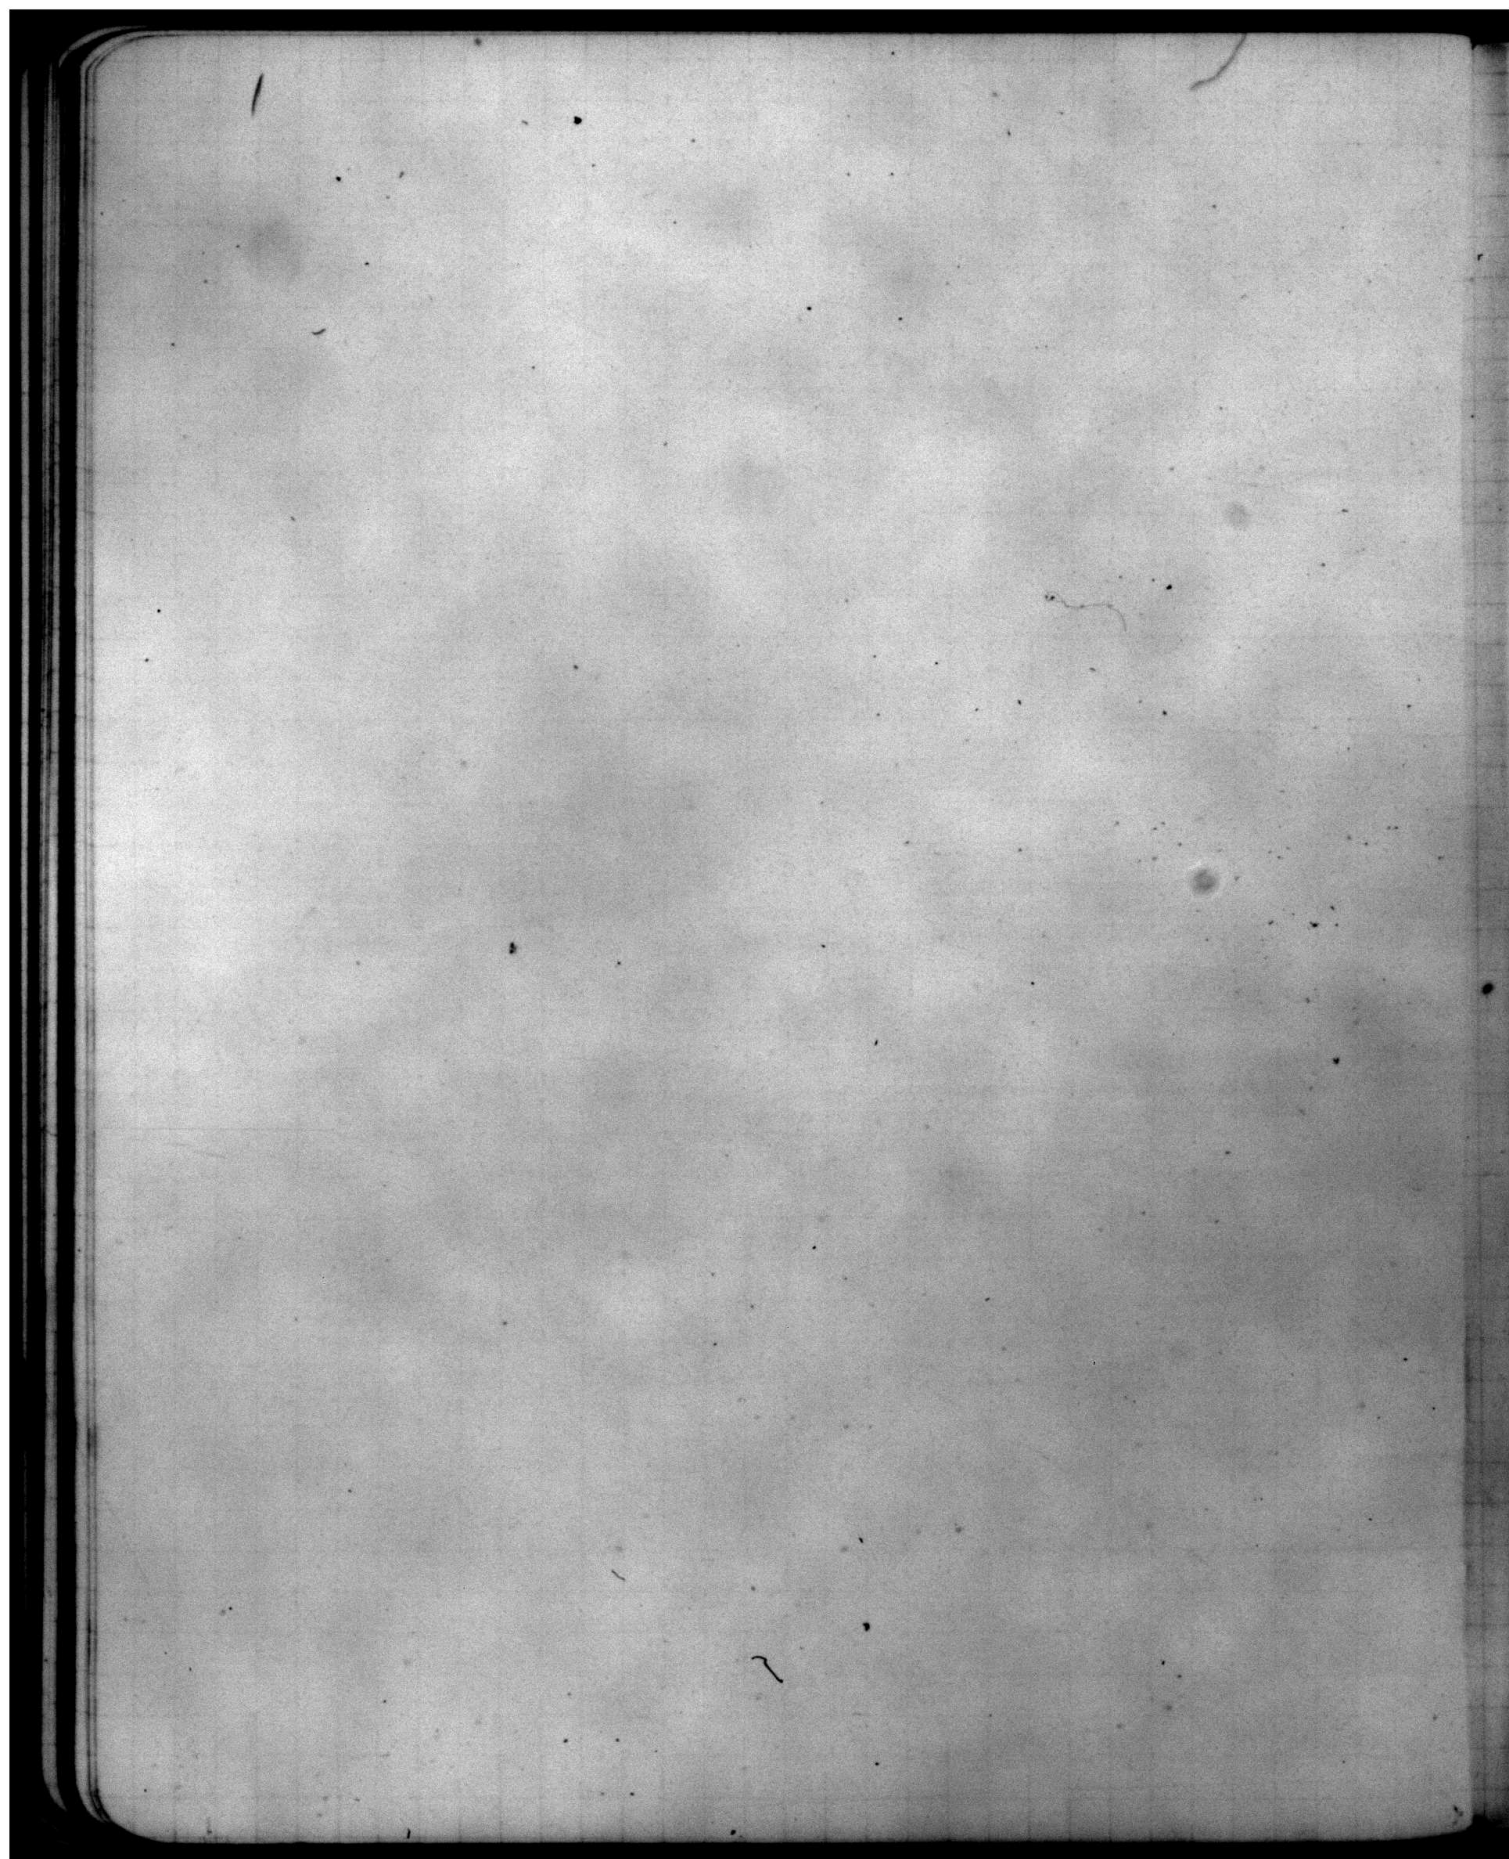

I find it hard to write down this
dream so as to disentangle the
dream from the waking, that is,
for long readers. Even for myself,
some of it is hard to say. My own
is not altogether so; the only
thing I can say is that I recognized
the end of it as wholly
clear. Otherwise the only resemblance
was that it was a fat woman.

Test wire: what is to guarantee
us against such behavior as being
indefinitely biologized when no
physical awakening comes to
destroy them? In that sleep

where we.

I find it hard to write down this dream so as to disentangle the dream from the waking, that is, for the reader. Even for myself some of it is hard to disentangle. I do not altogether so; the only thing I can say is that I recognized her as such, but was not wholly sure. Otherwise the only resemblance was that it was a fat woman.

Let me write what is to guarantee us against such experiences as being indefinitely biologized when no physical awakening comes to destroy them. In that sleep

of death which dreamer may come to
It was really a very clear 'Blair' in
many ways. Both the complete
retention as to time events of
early years (that house was mostly
me and Grandma I think) yet I
was adult, very present age, I
retained the time by the clock
actually present by my watch as
note this.

I can trace most of the elements
of the dream.

- (1) I had ^{met} ~~met~~ a large
ambly. house yesterday
- (2) Yesterday was fascinated &
rather horrified by a fat woman
- (3) "Mrs Arnold" was more or less

of death about. Dreams may come "it"
It was really "Prigada-Blain" in
many ways. Note the complete
retention as to time: events of
early teens (that house was mostly
one in Stockholm, I think) yet I
was adult, my present age, and
retained the time by the clock
actually present by my side as
with me.

I can trace most of the elements
of the dream.

(1) Tea & I ^{met} ~~met~~ a large
empty house yesterday

(2) Yesterday was fascinated &
rather horrified by a fat woman

(3) "Mrs Arnold" was more or less

of death which becomes very acute. It
was really, I think, Blair's in
many ways. Note the complete
absence as to time events of
early teens (that house was mostly
me and the children I think) yet I
was adult, my present age, and
retained the time by the clock
actually present by the clock
note this.

I can trace most of the elements
of the dream.

- (1) Tea & I ^{met over} ~~at~~ a large
empty house yesterday
- (2) Yesterday was fascinated &
rather horrified by a fat woman
- (3) "Mrs Arnold" was more or less

of death what dreams may come etc.
It was really 'Prigadea Blam' in
many ways. Note the complete
absence as to time & events of
early years (the house was mostly
one in Streatham, I think) yet I
was adult, very present age, & I
noticed the time by the clock
actually present by my side as
with a stick.

I can trace most of the elements
of the dream.

- (1) Sea + I ^{went} ~~to~~ a large
empty house yesterday.
- (2) Yesterday was fascinated &
rather horrified by a fat woman.
- (3) 'Miss Arnold' was more or less

of death which becomes very true "at
It was really "Madame Blain" in
many ways. Note the complete
absence as to time: events of
early teens (the house was mostly
one in "Street" (I think) yet I
was adult, my present age, & I
noticed the time by the clock
actually present by my side as
note this.

I can trace most of the elements
of the dream.
