They lived in my bosom & were warm.

Then - out of a clear sky - Karl has  
written a letter: pages of raving, some  
of it the filthiest abuse of Bill, who  
had been killing herself to make  
things pleasant for him.

This time it is serious, & he will  
go to prison.

The girl has naturally given him  
the booty to begin with.

I destroyed the letter which Bill  
would not let me send to Cora

... shall find out the  
whole thing in a few days, & she'd  
better have been prepared for it  
from a source which she is fool  
enough to consider unreliable.

---

Our own affairs are fast praying  
for; we need a man. At least,  
the Gods do.

Bill is slowly getting better. I was  
really ill yesterday: asthma all  
day, despite injections. So I guess  
that's that.

I don't see at the moment how  
you will set over the magical

- You may be wrong. - I find some  
 - I think about the booky - but I'm sure the  
 - Bill is to keep near - I'm all very great  
 - I'm very sorry  
 - I'm very sorry

You to do it - unless we  
 have some other chance;  
 Give you a better chance;

I feel sure that you will  
 be as if you understand the  
 meaning of the word - if you  
 know the whole thing from outside,  
 I'm sure you will be very  
 good.
