ACTIVITIES AND PLANNING: *The primary purpose of a Camp is now defined as becoming capable of performing the initiations of the Minerval through Third Degrees of the Man of Earth Triad, in order to advance to the functions of an Oasis. In addition, it is recommended that Camps perform the Gnostic Mass on a regular basis, and that they offer such other rituals, classes, or workshops as their resources permit. Please complete the Annual Report Form to indicate to the College how the new Camp will be progressing toward these goals. Please make special note of any activities that have been held or are being held currently. This form may be jointly filled out by the proposed Master and any other charter members of the Camp. Clarity of expression and planning is very important. Neatness counts. The annual report form can be found at <http://www.oto-usa.org/ec/forms/index.html>.*

I attest that the information I have provided above is true and correct to the best of my knowledge.

I hereby agree to abide by all policies of O.T.O. U.S.A. and the U.S. Electoral College of O.T.O. pertaining to Camps. If I am granted this Charter, I agree to submit a written report annually to the U.S. Electoral College of O.T.O. Furthermore, I understand that a Camp Charter, if granted, can be revoked at any time by the U.S. Electoral College of O.T.O., with or without cause.
