ACTIVITIES AND PLANNING: *The primary purpose of a Local Body is now defined as eventual evolution to the functions of a Lodge, to provide any and all such services as needed by the members of the Man of Earth Triad, including Initiations, performance of the Gnostic Mass, classes, and publications, as resources permit. Please complete the Annual Report Form to indicate to the College how this Local Body will be progressing toward these goals. Please make special note of any activities that have been held or are being held currently. This form may be jointly filled out by the proposed Master and any other members of the Local Body. Clarity of expression and planning is very important. Neatness counts. The annual report form can be found at <http://www.oto-usa.org/ec/forms/index.html>. If this change of body status is submitted within 60 days after the regular annual report submission, then the requirements for completing that document have already been met.*

I acknowledge that it is my will to resign as Master of the above-described official body of Ordo Templi Orientis. Therefore, I hereby nominate the above individual as my successor and request that the U.S. Electoral College of the O.T.O. confirm this change of mastership. I affirm that I will train (or have already trained) my successor in the regular duties and responsibilities of maintaining the Local Body. I also affirm that I will pass the Local Body Charter, control of the Local Body's bank account (if applicable), and any other pertinent materials to the new Master, once that Master is approved by the Electoral College.

I hereby agree to abide by all policies of O.T.O. U.S.A. and the U.S. Electoral College pertaining to Local Bodies. If I am granted this Charter, I agree to submit a written report annually to the U.S. Electoral College of O.T.O. Furthermore, I understand that a Local Body Charter, if granted, can be revoked at any time by the U.S. Electoral College of O.T.O., with or without cause.
